How to Get Your Ex Girlfriend Back - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

Hooked On Her - Stacey Lynn 2020-06-23

Tessa Chauncy is the best kind of trouble. Beautiful, sweet and completely off limits. I've sat by and watched other men drool after her and forced myself to stay in check. Hey, I'm in the NHL... I have self-control in spades. Except when it comes to her. With the bat of her lashes and quick whip of that sharply pointed tongue Tessa can knock grown men to their knees. I've seen them wither and crumble under her confident stare— something I'm pretty sure she learned from sparring with me, thankyouverymuch. But I'm not just falling for her. I'm down for the count. She's the girl I wanted, when wanting her was wrong. She's also my new roommate-- And oh yeah, my best friend's little sister. Heaven help me, I'm probably going to get his fist to my face or his hockey stick shoved in very dangerous places for what I'm about to do, but I don't think I care anymore. I'm in love with my best friend's little sister....and I'm done waiting.

Please, don't abuse what you're about to discover - they never fail and some people even think it's mind control, but no, it's just a secret most men don't know about when it comes to getting their ex-girlfriends back, but you will know ALL of them soon. You must promise not to use it to hurt women. Are you dumb? I hope not. Why are you acting so irrational because of her? This book is not to pet you to stop crying or hurting, but to whop your ass so you can wake to reality and smile for the rest of your life in dating and getting your ex back like a real man. This is a bad boy's guide to getting your ex back with foolproof. I'm not here to sugarcoat the secret, but to give you the entire secret box. This is to say, you'll finally get all you need to get her back in no time. Getting your ex back is a game. If you can't play the game, you can't win the match. If you hate the word "game," you should also hate the word "relationship and sex." Why not you stick to masturbation for the rest of your life? If you're not playing the game, someone else is. She probably is. I understand you want your ex back and at the same time, you are also thinking of moving on to something better. No, a spirit keeps telling you she's still the one. Please, don't let any spirit or instinct deceive you. At the end of this book, you'll get your ex-girlfriend back, but before that, I need to punish you for a mistake you just made. "What is the mistake?" you asked. Calm down, I'll reveal it to you soon and you'll be shocked. I have noticed a lot of men or women try to teach people how to get their exes back and they focus mainly on "No Contact Rule," "Make Them Jealous," and "Work on Yourself." Yes, they are right, but there is something missing which will make all the difference and in this book, you'll finally search no more. This is 100%

guaranteed to get your ex back as long as you do as you're told and not cry like a toad. Men are going through a lot in this modern world where women claimed they run the world. For nice guys, yes, but for real men, no. I'll give you the only key and secrets you'll ever need to get your ex-girlfriend back and not just that... Tapping the Little Girl in Your Woman - Ryan Hale 2016-10-26

Something has to be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no apologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new era in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be accepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well.
