*Leo's Girl* - Victor Pemberton  
2012-05-24

For Peggy, the war opens more than one door... Victor Pemberton writes a compelling saga in *Leo's Girl*, a story of class divisions, romance and the Second World War. Perfect for fans of Dee Williams and *Dilly Court*. 'Lights down, tucked up snug you can almost hear air raid sirens as Pemberton spins another superb story of London folk during wartime' - Peterborough Evening Telegraph  
Twenty-six-year old Peggy Thornton is a middle-class girl living in the

heart of working-class Islington. Although she loves her parents, Peggy has always felt her home life to be narrow and claustrophobic so, when women are urged to help on the home front after the outbreak of the Second World War, she starts training as a conductor on a London Transport bus. Her parents are both appalled; it's hardly a fitting position for the daughter of a local magistrate. It is not just Peggy's parents who make her life difficult. Many of the bus crew haven't adjusted to women from their own class working let alone the likes of Peggy. And her relationship with Leo, who is most definitely from the wrong part of town, serves to create further tensions. It is only when the real enemy strikes, and a bomb explodes in the path of a bus, that these petty differences are cast aside, but, for some, it's too late to say sorry. What readers are saying about Victor Pemberton: 'Always a good and enjoyable read' 'An excellent read, [Victor Pemberton's] stories are always very

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends

see you in the same ways that you see yourself? • Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner? • Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Online Dating for Men How To Meet Women Online by Building an Effective Online Dating Profile, How to Talk to Girls and Get Girls to Reply to Messages Are you not getting the kind of response you would

like from women online? Do women sometimes suddenly stop replying to your messages or ignore your message all together? Or are you only just thinking about getting into the world of online dating? If you answered yes to any of these questions then you need to read this book right now! With the amount of other men out there on dating sites and the level of competition being very high, it can be hard for us to get noticed. Luckily this amazing, tip filled book by Leo Turati is just what those of us who aren't getting as much success as we would like have been looking for. If you don't understand exactly what women want from the men they are talking to online and how their minds work, then you probably won't get nearly as many replies as you want. Let alone anything that develops into a date. Even then, the girls you will be meeting probably won't be the pick of the bunch. Leo not only teaches us all of this but he actually explains how to get girls to message you first. He also tells us how to

supplement this by sending engaging opening messages that will get you replies and even how to revive a conversation that has completely died when the woman has stopped replying in a very simple way. Then there is also information on taking and choosing the most effective photos, editing your bio to make girls instantly take notice and draw them in so that they want to find out about you and much more. Don't miss out on the women who you would never get the chance to meet if you hadn't read this book and implemented the tips and advice it gives us.

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious

needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and

your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
