*Astrology for Lovers* - Liz Greene 2009-02-01

A comprehensive astrological guide to life, relationships and lovers. Astrology for Lovers is a seminal guide to learning how to interpret the subtle and not so subtle attributes of both

your own and your partner's astrological sign in order to create a better understanding of one another. Each person has a unique footprint in the map of the cosmos, and Astrology for Lovers guides the reader through each of the Sun signs in an enlightening and comprehensive manner. Each sign is given a lengthy description of its characteristics, as well its creation myth. Greene then expands upon the sign's shadowy side, and finally explicates the fine points of the individual sign as a lover. Astrology for Lovers will teach readers not only critical aspects of their own motivations, but also provide invaluable insight into the inner workings of their lovers. *Pisces* - American AstroAnalysts Institute 1988-10 Part of the popular Astroanalysis series, ARIES constructs a complete, in-depth profile for all those born between March 21 and April 20, and draws on other vital astrological signs and influences to provide a well-

rounded and accurate self-portrait of an Aries personality.

*SignMates* - Bernie Ashman  
2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's *SignMates*. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential

problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a

"rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.

no idea how Broder does it, but I loved every dark and sublime page of it.” —Stephanie Danler, author of *Sweetbitter* Lucy has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing

eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a figure of Sirenic fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.
