

How To Make A Player Girl Fall In Love With You

The Football Hotties Collection - Jennifer Sucevic 2022-12-26

From USA Today bestselling author Jennifer Sucevic comes a sexy, new adult college sports romance collection featuring three football playing hotties. King of Campus Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. People, by which I mean grown women, stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year. I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. I have three words for you—avoid, avoid, avoid. I've had the sad misfortune of running into him on campus. Literally. As in—I literally slammed into him before spilling my iced coffee all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a— I also learned that he has the most spectacular chest. Unfortunately for me, Operation—Avoid Roan King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall. Campus Player Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at. Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is

exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. But what if Rowan isn't the player I pegged him to be? What if one little secret has the capability to change everything between us? Love to Hate You Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles. The guy works out like it's his job. Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. But his obnoxious presence killed any attraction I might have felt a long time ago. Carter is my cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. So when he takes his antics a little too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I necessarily taking things too far if I whip up a batch of laxative laced brownies? The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you actually think I was going to say something else? Please, as if that would happen... --- Reviews "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?!!" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon

The Barnett Bulldogs Series - Jennifer Sucevic 2021-04-27

From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky football players who fall first and hard for them. King of Campus Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. People, by which I mean grown women, actually stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls fall right onto their backs before spreading their legs wide. I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year. Yeah...I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. Ugh. I have three

words for you—avoid, avoid, avoid. Friend Zoned Sam Harper is my best friend and has been since we were fourteen years old. Unfortunately, he sees himself as my unofficial big brother. Which is to say that the guy is a major cock block. I swear he has a sixth sense when it comes to me getting laid. It's frustrating how I can be on the verge of sealing the deal when Sam will appear out of nowhere, and suddenly my night is going up in a big ball of sexually frustrated flames. I think the guy enjoys messing with me. Why else would he take such perverse pleasure in doing it? Exactly. I'm thinking he needs a girlfriend. Someone to preoccupy him. Maybe then he'd stop trying to get in my way all the time. Except...I'm starting to notice things about Sam that I definitely shouldn't be noticing. Like those piercing blue eyes that pin me in place. Or his short blond hair that I want to drag my fingers through. Not to mention those killer abs that I sometimes catch a fleeting glimpse of when he stretches next to me in class. The strange feelings that have sprung up in me are definitely starting to freak me out. I mean, we're friends. We've always been just friends. And I don't want that to change. One Night Stand Liam The moment she stepped foot through the door, she was on my radar. How could she not be? The woman is absolutely gorgeous. Thick, inky black hair and a sweetly curved body. Although I have to admit, this hole-in-the-wall dive bar doesn't exactly seem like her scene. For one, she's wearing too much clothing. Two, she's shooting down every guy that sniffs around her table like it's her sole mission in life. Casualties are scattered across the beer-stained floor as we speak. And three, my guess is that she's a little older than the usual college-aged crowd that hangs out here looking for a hookup to stumble home with at the end of the night. After a careful assessment of the situation, my current plan of action is to keep my sights firmly locked on the target as I bide my time nursing a beer. Luckily, it doesn't take long for some drunken idiot to give me the perfect opportunity to step in and run interference. If You Were Mine Know what happens when you don't bother dating all through college because you're much too busy trying to stay on top of your classes? I'll give you a little hint... It starts with the letter V and ends with igrinity. Ding, ding, ding... nailed it. Well... at least something got

nailed. Because it certainly wasn't me. Just to be clear, it's not like I've been holding out all these years, waiting around for Mr. Perfect to ride in and sweep me off my feet. Nor did I take a sacred vow of chastity. It just kind of happened...or didn't happen, as the case may be. Know what's even worse than that? Wait for it... Having the bad boy of the NFL, who also happens to be one of my brother's teammates, offer to take care of that pesky little problem for me. Which is downright laughable, because if there's one person I'm barely able to tolerate- it's JT Higgins. He may be amazing out on the field, but he's even more notorious for his bar brawls, drunken antics, and the women who flock to him in droves. It goes without saying that he's keeping some clinic in business with swab tests and penicillin. I've had three long years of practice shutting down his every advance. So ignoring him should be a piece of cake, right? Wrong. ----- King of Campus "I loved the chemistry between Roan and Ivy. Hunter McCain and the Cookbook - David Ross 2016-01-07
Remember middle school? Being afraid to wear the wrong clothes, scared of saying something stupid in class or awkward attempts at that first kiss? How about parents who don't understand? Or, teachers who put you to sleep in 0.2 seconds? Hunter McCain is living through all this and much more as an eighth grader at Franklin Middle School. Add in a cookbook filled with recipes far more interesting than lasagna or a casserole. Love potions, strength formulas, and invisibility are just some of the entrees offered up in the archaic treasure. But these recipes may not be the tastiest; brownies sprinkled with toe nails, fudge using arm pit hair, or gum made from spider webs could just ruin an appetite. Come on the zaniest adventure of a life time as Hunter and his friends use the cook book to encounter bullies, pretty girls, school projects, a dodge ball tournament, parents and even bank robbers.

Campus Legend - Jennifer Sucevic 2022-06-01

From USA Today bestselling author Jennifer Sucevic comes the fifth and final standalone novel in the sexy Campus Series. Asher Stevens is a legend when it comes to Wildcat football. If the gossip that swirls through campus is true, he'll be one of this year's top NFL draft picks. To say I can't stand the guy is a major understatement. Other women might be taken in by his handsome face, chiseled body, and athletic prowess, but not me. I see him for what he is—a muscle bound, steroid-infused meathead who drinks like a fish, smokes weed, and screws like he's been sentenced to life in prison without the possibility of conjugal visits. So what if my pulse trips every time our gazes collide? Or my panties dampen when he lays hands on me? It means nothing. After three and a half years of steering clear, it seems like my luck has finally run out. Everywhere I go, there he is. Needling me at the restaurant where I work—check. Colliding on campus when I'm running late—double check. Showing up in a parking lot after an accident—triple check. No matter what I do, I can't get away from the guy. To make matters worse, my life is on the verge of imploding and the one person I want to avoid like the plague is the very same one who comes to my rescue, making me an offer I can't refuse. One that involves spending time alone with him when that's the last thing I want to do. You know what scares me most? The fleeting glimpses I catch buried beneath all the hype. The ones that suggest he's deeper and more intelligent than I suspected. Resisting the campus legend is easy. Resisting the man he's slowly revealing himself to be isn't. --- "Campus Legend gave me ALL THE FEELS and deserves even more than 5 stars. Asher and Lola's story is my absolute favorite of all the books in the Campus Series. They were EVERYTHING!" - Amy, Goodreads "I honestly couldn't put the book down at all. I wanted to stay

I have grown attached to these characters as I followed along in their journey, but Asher and Lola may permanently have my heart. Their love story was everything I had hoped it would be and so much more!" - Maddy, Goodreads "These two have such a passionate banter and it makes their story so fun to read." - Emma, Goodreads "The storyline was great. It developed at a natural pace that was perfect. The Hockey Hotties Collection - Jennifer Sucevic 2022-10-27

From USA Today bestselling author Jennifer Sucevic comes a new adult college sports romance collection featuring three hockey playing hotties. Hate to Love You Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (*eyeroll* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens

his big mouth? Yup, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him. Just Friends Emerson and I met freshman year of high school and we've been tight ever since. I've been pretty good about keeping her locked in the girls I don't think about having sex with part of my brain. Which is no easy feat because, let's face it, unless we're related, you're potential spank bank material. Luckily for me, Southern University has an overabundance of Red Devils hockey groupies, which means there are always plenty of puck bunnies for me to choose from. I'm just careful to make sure they look nothing like Em. So, it should be all good in the hood, right? Wrong. I'm embarrassed to admit this, but lately, I can't seem to get it up. Unless an image of Em pops into my head. Then it's all systems go. It's a messed-up situation. One Emerson is blissfully unaware of. And that's exactly the way it needs to stay. What I've learned is that friendship is a hell of a lot harder to come by than hookups. Ready for a complication? It turns out that Em is a virgin. And she wants me to be the one to, well...take care of business. You better believe I shot down the idea before it could gain traction in my brain. Maybe Em doesn't realize it, but remaining friends after you've slept with someone happens about as often as spotting a tie-dye-colored unicorn that craps sprinkles. If it weren't rare, everyone would be doing it, right? Exactly. As far as I'm concerned, Emerson has remained a virgin for this long, she can damn well wait to do the deed until after we part ways next year. Unfortunately, my best friend has other ideas. Which pretty much means I'm screwed. And not in a good way. The Breakup Plan Grayson McNichols can have his pick of girls on this campus. Just ask him and he'll tell you that the females of Hillsdale University have a real penchant for sexy, hockey playing hotties. Hell, all he has to do is flash a smile in their direction and they fall right onto their backs and spread their legs.

Would I happen to be one of them? Umm...I'm going to plead the fifth on that one. All right, fine. You caught me. I made the mistake of knocking boots with Gray freshman year. What can I say? I'm a sucker for gorgeous guys with inky black hair, bright blue eyes, and dimples. And don't even get me started on his chiseled chest and abs of steel... After we hooked up, I never heard from Gray again. Not that I expected too. Okay, that's a lie. Maybe for one brief, delusional moment, I thought I might be different. You know, the girl who changes the hockey playing bad boy for the better (cue the laughter). But he swiftly disabused me of that notion by moving on to fresh meat in the blink of an eye. Which is precisely why I've avoided Grayson like the plague ever since. Fool me once, shame on you. Fool me twice, and I totally deserve what I get. Well, I don't plan on falling into that trap ever again. Except...now our parents are dating, and Gray's come up with a cockamamie plan to break them up that has disaster written all over it. --- Hate to Love You "This book just made it to my favorites list for sure!" -Christy, GoodReads "This book was cute and had me instantly loving the pair together. They couldn't be more perfect for one another" -Crystal, GoodReads "This story was everything you'd want in a college romance and more. And as a sucker for cliches, well, this one hit the spot!" -Becky, GoodReads "Grayson is your typical college athlete but I have to say his pov made this book. It was so fun to be inside his head. His sense of humor was simply amazing!" -Christy, GoodReads "This author never disappoints! Grayson's POV is hilarious" -Lisa, GoodReads Just friends "This book just made it to my favorites list for sure!" -Christy, GoodReads "This book was cute and had me instantly loving the pair together. They couldn't be more perfect for one another" -Crystal, GoodReads "This story was everything you'd want in a college romance and more. King of Campus - Jennifer Sucevic 2020-09-11

USA Today bestseller! Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. It's totally

ridiculous. People, by which I mean grown women, actually stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls fall right onto their backs before spreading their legs wide. I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year. Yeah...I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. Ugh. I have three words for you—avoid, avoid, avoid. Need I say more? I don't think so. I've had the sad misfortune of running into him on campus. Literally. As in—I literally slammed into him before spilling my iced coffee all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a— I also learned that he has the most spectacular chest. And don't get me started on those abs... I could probably cut diamonds on them. Unfortunately for me, Operation—Avoid Roan King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. With his dark hair, shocking, turquoise-colored eyes and (damn him) buff body, he's easily the most gorgeous guy I've ever laid eyes on. Crap...see what I mean? I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall. --- “I loved the chemistry between Roan and Ivy. Their connection and how their relationship developed was just too good” -Bookabulary, GoodReads “Roan and Ivy are wonderful separate and better together” -Melanie, GoodReads “I thought this was one of the best written of any college football player romance I've read” -Karen, GoodReads “You know those books that just make you all warm and fuzzy and happy inside because the couple/soon to be couple is just so stinking cute? Yup, this is one of them” -Kortney, GoodReads “Jennifer does it again!!!! I have found a new book boyfriend in Roan King!” -Emma, GoodReads Read the entire Barnett Bulldogs Series King of Campus Friend Zoned One Night Stand If You were Mine Topics- New adult, sports romance, contemporary romance, opposites

The Girl Next Door - Jennifer Sucevic 2020-09-22

From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Mia Stanbury is the quintessential girl next door. Smart, beautiful, and determined. She's got it all going on. Is it any wonder that she's been on my radar for as long as I can remember? We're talking middle school, folks. Fine, I'll admit that I've made a few boneheaded mistakes as far as she's concerned, but what can I say? I'm a dude. Sometimes I think with the wrong head. We'll just chalk it up to one of the hazards of having a Y chromosome and leave it at that. But I'm older now. More mature. Sort of. Mia has spent all of high school and college keeping me at a distance. If she didn't melt in my arms every time I put my hands on her, I'd almost think she was immune to my charms. Turns out that's not the case. This is our last year at Wesley before we go our separate ways. Me to the NFL, her to law school. It's now or never. I'm done playing games and allowing her to push me away. I was her first and I'll damn well be her last. --- “If you want a sweet love story, this is the book to read” -Sylvia, GoodReads “The sizzling chemistry between Mia and Becket is like a slowly lit fuse and will eventually explode” -Anna, GoodReads “Beck has my heart bless him. I spent the majority of the book with my heart pounding and worried and jaw on the floor” -Steph, GoodReads “I usually love the female characters, but this time I loved Beck because he never gave up and kept after her until the end” -Rebecca, GoodReads “I couldn't wait to find out how Mia and Beck's next interaction would make me laugh or have their sexual tension leaping off the pages” -Kate, GoodReads Read the Next Door Duet The Girl Next Door The Boy Next Door --- Keywords: Sports romance, alpha male, Sports romance books, Football romance, Enemies-to-lovers, Friends-to-lovers, Fake dating, Forced proximity,

[How to Spot a Richard](#) - Richard Player 2013-07-19

FINALLY, a dating book written from the male perspective. This book is for the woman who is tired of dating players. A player will fool you into believing you are special to him when in reality he is just after sex. This book will help you recognize the warning signs of a player before your

feelings get too serious for him. It will start you on a path in the right direction toward finding a Reformed Player to date. A Reformed Player is tired of the games and looking for a more meaningful relationship. This is a fun, easy, quick read. Each chapter focuses on a question that women have always wanted to know the answer to such as, "Is he cheating on me?". Richard succinctly answers it and then lists red flags that signal your man is cheating on you. Next, he tells a story from his past and then discusses the issue in general. Each chapter ends with a take away comparing Richard's and a Reformed Player's answers. If you are looking for love and marriage or a significant relationship without tying the knot, then read this book to make sure you are not chasing or even dating the wrong guy. You may know someone who is dating the wrong guy. Giving her this book is a subtle way of telling her that because she will be laughing at Richard's experiences while realizing that she is indeed dating a dick! Richard is a blunt man whom tells it like it is. He is hated by men because he is now telling you their secrets—how they think, what they do to get sex and avoid marriage and how they make you fall in love with them while they are cheating on you. He isn't trying to tell you what you want to hear. He doesn't sugar coat anything. He tells you what you need to hear to make your dating experience pleasurable for you too. He is not a psychologist or sociologist. He is just a guy's guy whom has had countless experiences with various women from the girl next door to a pin-up model and he was a dick to all of them. He had no intention of marrying them or even dating them. He just wanted to use them for sex. Richard finally had an epiphany and realized what he was doing to these poor women. Further, he decided he wanted more out of life than just meaningless sex. He wanted love, marriage and children. He became reformed and suggests you date a Reformed Player because they have all the good qualities (looks, confidence, and bravado) of a player but have had enough of the game. They are now ready for a one-on-one after party with you. A nice guy is fine but you most likely aren't attracted to him because he doesn't have that je ne sais quoi quality of a player. More importantly, the nice guy probably hasn't been with very many women so he will be more liable to cheat on you to sew his male wild oats. Many

readers enjoy Richard's animal comparisons to the human dating jungle. They also like his bluntness and comical stories. Read the book. Share it with your friends. Give it as a party favor for a bachelorette party. Just spot the Richards of the world and then date the Reformed Players. Happy Dating!
