Sex Position Rose Allen 2020-03-08 Most couples aren't very adventurous in the bedroom. When it comes to time to get down in between the sheets, few are bold enough to venture away from traditional standbys like missionary, cowgirl, spooning, doggy style. It doesn't have to be this way. There are plenty of inventive sex positions that can result in better orgasms for you and your partner, and they don't (all) involve contorting your body into a pretzel. But don't be intimidated. Treat this list like a menu. If you're feeling limber, go ahead and give The Butter Churner a shot. If you don't like it, move on down the list. Not every position is going to work for every couple. Just because the Wheelbarrow or Heir to the Throne aren't blowing your minds doesn't mean Gift Wrapped won't do the trick. There's something here for everyone. (If you do happen to stumble upon that magical alignment, find out what your favorite position says about you.) And don't forget: Sex positions are only part of the formula for great sex. If you're having trouble holding it in enough to pull off some of the techniques below, find out how you can last longer in bed.

To Love, Honor, and Vacuum Sheila Wray Gregoire 2014 "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of

domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Do you want to spice up your sex life with fun games and spicy little games? This book will give you the keys to experiencing sex at 360 degrees: passion, eroticism, delicacy and lots of fun. The secret to making a couple last? No magic formula, just play. Adult sex games help build trust, lower inhibitions, and, if done right, can be very, very hot. And, most importantly, they keep things fun. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and not). Here's a sneak peek of what you'll find inside: Couples Intimacy Games For Connecting With Your Partner.
