[A 15 Minute Date with God](#) - Candice Reyes 2020-04-22

We all have a longing in our souls that remains unfilled. No matter how many books we read, the foods we eat, the classes we take, or how successful we become, it all leads to discontentment. Would you agree? When the Lord knit us in our mothers' wombs, He created a space inside us that only He could fill. However, we keep trying to place a square peg in a round hole, thinking one day it will fit. Guess what? The square peg will never match the round hole. God is the only one who can fill the void you so desperately try to suppress. A lot of books don't offer guidance and details on how to start a daily routine with God. Many women have shared with me how intimidated they are just to open up God's Word and read. A 15 minute "Date" with God is a unique book that gives straightforward, practical approaches to implementing quality time with God. We acknowledge our need to find time with God, but without guidance, it can be overwhelming. Lives are busy, but even the most active person can find 15 minutes to spare if it adds value to their life. This book breaks down your 15 minute "Date" with God in 3 five minute activities that strengthen your intimate relationship with Him. For 40 days, this study offers a workspace for you to utilize and implement what you are learning during your 15 minute "Date" with God. God invites us all to attend a "date" with Him daily. Will you say "Yes" to His invitation?

**God Speaks Your Love Language** - Gary Chapman 2009-02-01

Wherever you experience the love of God, it is always personal, intimate, and life changing. The key to learning and choosing love is tapping into divine love. The craving for love is our deepest emotional need, and we feel it and are drawn to others when they speak love in our language. This same principle applies to the most important relationship—our relationship with God. Do you realize that the God of the universe speaks your love language, and your expressions of love for Him are shaped by your love language? Learn how you can give and receive God's love through the five love languages—words of affirmation, quality time, gifts, acts of service, and physical touch. Gary writes, "As we respond to the love of God and begin to identify the variety of languages He uses to speak to us, we soon learn to speak those languages ourselves. Whatever love language you prefer, may you find ever deeper satisfaction in using that language in your relationship with God and with other people." Contains personal reflection questions and a study guide for groups.

**Friendship with God (eBook)** - Trevor Hudson 2015-05-01

Are you open to re-imagining your relationship with God as a friendship? Do you want to be transformed into the person God wants you to be? Friendship with God transforms us. As we learn to trust God as our Divine Friend, it has a transforming effect on our whole lives. It affects how we pray, our relationships with each other and the way we understand our everyday lives. It changes the way we think and feel, what we desire and long for, the way we see each other and how we seek to live our lives in the world. We could say our friendship with God creates the climate in which you and I become the people God wants us to be. In his latest book, Friendship with God, Trevor Hudson digs into these two interwoven themes of friendship and personal transformation. He explains that friendship is a helpful analogy for the intimate kind of relationship God wants with us. Put very simply, the gospel invites you and me into friendship with God. When we become friends with Jesus, we are drawn into God's greater dream for the world. This indeed is the purpose of our lives on earth. We are created to become friends of God and to partner with God in making his dream a greater reality in the world around us. Topics that are addressed include: Living Beyond Loneliness God's Passionate Longing for Friendship Getting to Know Our Friend Understanding Prayer as Deepening Friendship Looking Outward Together Exploring Our Friend's Address Book Discerning What Our Friend Wants Us to Do Blessing Others as Our Friend Has Blessed Us Facing Our Fears with Our Friend Asking Our Friend the Hardest Question The creator God who loves us and set the whole universe into existence, and who sustains our lives in the immediacy of each moment, wants our intimate friendship. As you explore this good news you will be encouraged to see your faith and your life in a totally new way.
