[The Seven Wicked : First - C. M. Stunich 2012-07-04](#)

"That's just the First," Caleb said, pausing to worry at his lower lip. "And it's only one of seven, Seven Wicked; we can't destroy any of the others until we destroy the First." When reincarnated goddess, Eevee Marx, sees the necklace at her local thrift store, she just has to have it. But Eevee has no idea that when she drapes the delicate, silver links over her fingers, she is continuing a legend her spirit had started centuries ago. That when she unhooks the tiny clasp and lays the black and silver pendant against her chest, she will spend the night of her seventeenth birthday holding the dying body of the boy she loves. The Seven Wicked have been sleeping, preparing for Eevee to touch the necklace and reawaken the powers inside of her. Now, the only thing that stands between them is Caleb, the golden haired boy who will sacrifice himself to save her.

Unbuttoning Miss Hardwick - Deb Marlowe
2012-05-22

EFFICIENT SPINSTER OR DESIRABLE WOMAN? Adopting the guise of a buttoned-up spinster is nothing new for Chloe Hardwick. But under the watchful eye of her unnervingly handsome employer, the Marquess of Marland, for the first time Chloe yearns to be unbuttoned! Yet he sees her only as his assistant, the efficient Hardwick-not as Chloe the woman. Determined to escape Braedon's cold detachment, Chloe leaves. And when he pursues her to London, determined to entice her back, Braedon is utterly unprepared for what he finds there-the real Chloe Hardwick....

Bringing Down the Duke - Evie Dunmore
2019-09-03

"Dunmore is my new find in historical romance. Her A League of Extraordinary Women series is, well, extraordinary."—Julia Quinn, #1 New York Times bestselling author "With her sterling debut, Evie Dunmore dives into a fresh new space in historical romance that hits all the right notes."—Entertainment Weekly A stunning debut for author Evie Dunmore and her Oxford suffragists in which a fiercely independent vicar's daughter takes on a powerful duke in a fiery love story that threatens to upend the British social order. England, 1879. Annabelle Archer, the brilliant but destitute daughter of a country vicar, has earned herself a place among the first cohort of female students at the renowned University of Oxford. In return for her scholarship, she must support the rising women's suffrage movement. Her charge: recruit men of influence to champion their cause. Her target: Sebastian Devereux, the cold and calculating Duke of Montgomery who steers Britain's politics at the Queen's command. Her challenge: not to give in to the powerful attraction she can't deny for the man who opposes everything she stands for. Sebastian is appalled to find a suffragist squad has infiltrated his ducal home, but the real threat is his impossible feelings for green-eyed beauty Annabelle. He is looking for a wife of equal standing to secure the legacy he has worked so hard to rebuild, not an outspoken commoner who could never be his duchess. But he wouldn't be the greatest strategist of the Kingdom if he couldn't claim this alluring bluestocking without

the promise of a ring...or could he? Locked in a battle with rising passion and a will matching her own, Annabelle will learn just what it takes to topple a duke.... "There is nothing quite so satisfying as seeing such a man brought to his knees by a beautiful woman with nothing to her name except an inviolable sense of her own self-worth."—NPR

An Enchantment of Ravens - Margaret Rogerson 2017-09-26

An instant New York Times bestseller! An Indie Next Top 10 Pick A Parents' Choice Silver Honor Winner "A funny, action-packed, and sweet romance." —School Library Journal (starred review) "A phenomenal read." —RT Book

Reviews A skilled painter must stand up to the ancient power of the faerie courts—even as she falls in love with a faerie prince—in this gorgeous bestseller that's "an ideal pick for fans of Holly Black, Maggie Stiefvater, and Laini Taylor" (Publishers Weekly, starred review). Isobel is an artistic prodigy with a dangerous set of clients: the sinister fair folk, immortal creatures who cannot bake bread or put a pen to paper without crumbling to dust. They crave human Craft with a terrible thirst, and Isobel's paintings are highly prized. But when she receives her first royal patron—Rook, the autumn prince—she makes a terrible mistake. She paints mortal sorrow in his eyes—a weakness that could cost him his life. Furious, Rook spirits her away to his kingdom to stand trial for her crime. But something is seriously wrong in his world, and they are attacked from every side. With Isobel and Rook depending on each other for survival, their alliance blossoms into trust, then love—and that love violates the fair folks' ruthless laws. Now both of their lives are forfeit, unless Isobel can use her skill as an artist to fight the fairy courts. Because secretly, her Craft represents a threat the fair folk have never faced in all the millennia of their unchanging lives: for the first time, her portraits have the power to make them feel.

King, Warrior, Magician, Lover - Robert Moore 2013-10-01

The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the

energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

Distancing Representations in Transgender Film - Lucy J. Miller 2023-02-01

Distancing Representations in Transgender Film explores the representation of transgender identity in several important cinema genres: comedies, horror films, suspense thrillers, and dramas. In a critique that is both deeply personal and theoretically sophisticated, Lucy J. Miller examines how these representations are often narratively and visually constructed to prompt emotions of ridicule, fear, disgust, and sympathy from a cisgender audience. Created by and for cisgender people, these films do not accurately represent transgender people's experiences, and the emotions they inspire serve to distance cisgender audience members from the transgender people they encounter in their day-to-day lives. By helping to increase the distance between cisgender and transgender people, Miller argues, these films make it more difficult for cisgender people to understand the experiences of transgender people and for transgender people to fully participate in public life. The book concludes with suggestions for improving transgender representation in film.

Evvie Drake Starts Over - Linda Holmes 2019-06-25

NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • “Everything a romantic comedy should be: witty, relatable, and a little complicated.”—People A heartfelt debut about the unlikely relationship between a young woman who's lost her husband and a major league pitcher who's lost his game. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR In a sleepy seaside town in Maine, recently widowed Eveleth “Evvie” Drake rarely leaves her large, painfully empty house nearly a year after her husband's death in a car crash. Everyone in town, even her best friend, Andy, thinks grief keeps her locked inside, and Evvie doesn't correct them. Meanwhile, in New York City, Dean Tenney, former Major League pitcher and Andy's childhood best friend, is wrestling with what miserable athletes living out their

worst nightmares call the “yips”: he can't throw straight anymore, and, even worse, he can't figure out why. As the media storm heats up, an invitation from Andy to stay in Maine seems like the perfect chance to hit the reset button on Dean's future. When he moves into an apartment at the back of Evvie's house, the two make a deal: Dean won't ask about Evvie's late husband, and Evvie won't ask about Dean's baseball career. Rules, though, have a funny way of being broken—and what starts as an unexpected friendship soon turns into something more. To move forward, Evvie and Dean will have to reckon with their pasts—the friendships they've damaged, the secrets they've kept—but in life, as in baseball, there's always a chance—up until the last out. A joyful, hilarious, and hope-filled debut, *Evvie Drake Starts Over* will have you cheering for the two most unlikely comebacks of the year—and will leave you wanting more from Linda Holmes. Praise for *Evvie Drake Starts Over* “A quirky, sweet, and splendid story of a woman coming into her own.”—Taylor Jenkins Reid, *New York Times* bestselling author of *Daisy Jones & The Six* “Effortlessly enjoyable . . . Evvie Drake is great company.”—Rainbow Rowell, #1 *New York Times* bestselling author of *Eleanor & Park*

The bestselling debut fantasy inspired by the legend of the Chinese moon goddess. A young woman's quest to free her mother pits her against the most powerful immortal in the realm, setting her on a dangerous path where those she loves are not the only ones at risk... *THE INSTANT TOP 5 SUNDAY TIMES BESTSELLER* *Polyamory Dating Guide* - Dan and Dawn Williams 2020-12-03

Realizing that you are polyamorous can be a wonderful insight. It may feel like a solution to a long term feeling that you never fit in with monogamous models. Or it could have been a 'team decision' that you have more than enough love to include others. Or perhaps it is something you've known from the moment you started to be interested in romance. This book is about finding other people who share your view

of polyamory is and want to share it with you. After all, just because you identify as polyamorous doesn't mean the poly world suddenly opens up and people are climbing over themselves saying "Me too, let's be some combination of multiple loving humans

together!". Instead, the challenge of finding like minded people, connecting with people, communicating your interest and desires, and simply beginning dating are not only still present for polyamorous people, but for some of us, even more challenging than a monogamous path.
