"The way Jack sets out to win Hannah back is really the stuff of true romance."—NPR Jack Nolan is a gentleman, a journalist, and unlucky in love. Easier said than done when the girl he meets is Hannah Mayfield, and he's not sure he wants her to dump him. Hannah is an extremely successful event planner who's focused on climbing the career ladder. Her firm is one of the most prestigious in the city, and she's determined to secure her next promotion. But Hannah has a bit of an image problem. She needs to show her boss that she has range, including planning dreaded, romantic weddings. Enter Jack. He's the perfect man to date for a couple weeks to prove to her boss that she's not scared of feelings. Before Jack and Hannah know it, their fake relationship starts to feel all too real—and neither of them can stand to lose each other.

**Ovid: Ars Amatoria, Book III** Ovid 2003 This is a full-scale commentary devoted to the third book of Ovid's *Ars Amatoria*. It includes an Introduction, a revision of E. J. Kenney's Oxford text of the book, and detailed line-by-line and section-by-section commentary on the language and ideas of the text. Combining traditional philological scholarship with some of the concerns of more recent critics, both Introduction and commentary place particular emphasis on: the language of the text; the relationship of the book to the didactic, 'erotodidactic' and elegiac traditions; Ovid's usurpation of the *lena's* traditional role of erotic instructor of women; the poet's handling of the controversial subjects of cosmetics and personal adornment; and the literary and political significances of Ovid's unexpected emphasis in the text of *Ars III* on restraint and 'moderation'. The book will be of interest to all postgraduates and scholars working on Augustan poetry.

**Rejection Proof** Jia Jiang 2015-04-14 An entertaining and inspiring account of conquering the fear of rejection, offering a completely new perspective on how to turn a no into a yes. Jia Jiang came to the United States with the dream of being the next Bill Gates. But despite early success in the corporate world, his first attempt to pursue his entrepreneurial dream ended in rejection. Jia was crushed, and spiraled into a period of deep self doubt. But he realized that his fear of rejection was a bigger obstacle than any single rejection would ever be, and he needed to find a way to cope with being told no without letting it destroy him. Thus was born his "100 days of rejection" experiment, during which he willfully sought rejection on a daily basis--from requesting a lesson in sales from a car salesman (no) to asking a flight attendant if he could make an announcement on the loud speaker (yes) to his famous request to get Krispy Kreme doughnuts in the shape of Olympic rings (yes, with a viral video to prove it). Jia learned that even the most preposterous wish may be granted if you ask in the right way, and shares the secret of successful asking, how to pick targets, and how to tell when an initial no can be converted into something positive. But more important, he learned techniques for steeling himself against rejection and ways to develop his own confidence--a plan that can't be derailed by a single setback. Filled with great stories and valuable insight, *Rejection Proof* is a fun and thoughtful examination of how to overcome fear and dare to live more boldly.

In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh\*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald* "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f\*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

**We Need to Talk About Kevin** Lionel Shriver 2019-06-04 Now a major motion picture starring Tilda Swinton. Published in twenty-eight countries. Over a million copies sold worldwide. Two years ago Eva Khatchadourian's son, Kevin, murdered seven of his fellow high-school students, a cafeteria worker and a popular teacher. Now, in a series of letters to her absent husband, Eva recounts the story of how Kevin came to be Kevin. Fearing that her own shortcomings may have shaped what her son has become, she confesses to a deep, long-standing ambivalence about both motherhood in general and Kevin in particular. How much is her fault? When did it all start to go wrong? Or was it, in fact, ever 'right' at all? Lionel Shriver tells a compelling, absorbing, and resonant story while framing the horrifying tableau of teenage carnage as a metaphor for the larger tragedy—the tragedy of a country where everything works, nobody starves and anything can be bought but a sense of purpose. 'By far the best novel I've read in years...exquisitely crafted...a breathtaking work of art.' *Age* 'Brilliant...compulsive.' *Guardian* 'A great read with horrifying twists and turns.' *Marie Claire* 'Harrowing, tense and thought-provoking, this is a vocal challenge to every accepted parenting manual you've ever read.' *Daily Mail*

*Good Trouble* Joe Biel 2016-03-15 In 1996, everything about Joe Biel's life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling zines and bringing them in milk crates to underground punk shows. Eventually this became *Microcosm Publishing*. But Biel's head for math was stronger than his ability to relate to people, and it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.

*The Rational Male* - Rollo Tomassi 2017-07-25 Building once more on the core works of *The Rational Male* by Rollo Tomassi, *Positive Masculinity* is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to *The Rational Male*, the fifteen-year core writing of author/blogger Rollo Tomassi from [therationalmale.com](http://therationalmale.com). Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

**Martin Eden** Jack London 2009-01-01 Jack London's *Martin Eden* was first published in 1909 and is the story of a young writer's quest for celebrity and love. Much loved by writers who identify with Martin's belief that when he posted a manuscript, 'there was no human editor at the other end, but a mere cunning arrangement of cogs that changed the manuscript from one envelope to another and stuck on the stamps,' that automatically returned it slapped with a rejection slip.

[Bouncing Back from Rejection](#) Leslie Becker-Phelps 2019-12-01 Go beyond your fear of rejection to develop confidence, compassionate self-awareness, and resilience! Do you have a fear of rejection? If so, you aren't alone. But if you have difficulty bouncing back after rejection, experience

intense pain as a result, or if the fear of rejection is so crippling that it interferes with your everyday life, it's time to make a change. This groundbreaking guide can help. With this book, you'll learn why you fear rejection by gaining an understanding of your unique attachment style. Secure attachment is defined as a feeling of being protected and well-cared for. People who experience secure attachment as young children are more likely to be happy, healthy, and resilient adults. On the other hand, insecurely attached people are less likely to cope well with rejection, and may have trouble "bouncing back" after difficult experiences. Once you understand how your attachment style has informed your fears, you can begin the work needed to overcome them! Using the theory of attachment, and the five domains of awareness: Sensations, Thoughts, Emotions, Actions, and Mentalizing (STEAM), you'll learn to relate to yourself and to others in more positive ways, even when difficult situations arise. So, whether you experience rejection in a romantic relationship, at work, or with friends, you'll have the resilience needed to recover quickly and focus on what makes you special and unique. This isn't a book that promises to protect you from future rejection. Unfortunately, rejection happens to everyone and is a normal part of life. But you will learn skills to handle this rejection and come to see it as less scary. With this view, you'll gain confidence, self-awareness, and the resilience needed to bounce back, even when life throws you a curveball.
