**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll

learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Sexual Violence in Intimacy](#) - M. Gabriela Torres  
2020-11-26

Integrating interdisciplinary and cross-cultural analysis, this volume advances our understanding of sexual violence in intimacy through the development of more nuanced and evidence-based conceptual frameworks. Sexual violence in intimacy is a global pandemic that causes individual physical and emotional harm as well as wider social suffering. It is also legal and culturally condoned in much of the world. Bringing together international and interdisciplinary research, the book explores marital rape as individual suffering that is best understood in cultural and institutional context. Gendered narratives and large-scale surveys from India, Ghana and Africa Diasporas, Pacific Islands, Denmark, New Zealand, the United States, and beyond illuminate cross-cultural differences and commonalities. Methodological debates concerning etic and emic approaches and de-colonial challenges are addressed. Finally, a range of policy and intervention approaches—including art, state rhetoric, health care, and criminal justice—are explored. This book provides much needed scholarship to guide policymakers, practitioners, and activists as well as for researchers studying gender-based violence, marriage, and kinship, and the legal and public health concerns of women globally. It will be relevant for upper-level students and scholars in anthropology, sociology, psychology, women's studies, social work and public and global health.

*Luci's Lullaby* - Leona Luxx 2018-10-02

You know that old saying... He's the next big thing. Yeah, that was me. I was a rising star, and I couldn't have been happier. Fame, money, women at every turn. I had it all, until the day my world came crashing down. I never fathomed this would be my life. But here I am, a single dad at twenty-eight and I have no clue what I'm doing. I pray every day I'm giving her the best life, 'cause it's the only one I know. The minute I lost everything and had nothing left to give. Charlee showed up. She restored my faith and

gave us so much more than I ever deserved. So can you tell me why I'm sitting here alone? Every single day that goes by without them, I lose more of myself. It's hard to imagine a world they're not part of. So I pick up my old guitar and tell them both how I feel. Turns out, lullabies aren't just for children.
