information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's

Dead Woman Crossing J.R. Adler 2020-09-23 'Brilliant - oh my word you can book after book after book but every so often a gem will emerge and this is one of them.... Totally blown away with how good the storyline is... and that conclusion, never saw it coming!' Goodreads Reviewer, [REDACTED] She threw open the door, running to the crib. When she looked inside, she gasped. The world around her went silent. Inside, there was nothing but a small stuffed elephant. Where was her baby? When young, single mother Hannah is found murdered by the banks of a twisting Oklahoma creek, her one-year-old daughter sleeping in a stroller near her body, the small town of Dead Woman Crossing reels in horror. Detective Kimberley King, recently relocated from New York to Oklahoma, with her young daughter Jessica, can't ignore the similarity of Hannah's death to the case of Katie James, the woman that the town of Dead Woman Crossing is named after. Katie was murdered in front of her small daughter in 1905, on the banks of the same creek, and it seems that someone is drawing inspiration from the crime. Could this killer be a copycat? But as she interviews suspects, Kimberley is met with blank faces and closed lips. In a small town, people won't talk and when she pursues a promising lead, her own family turn their back on her. Kimberley isn't afraid to ask questions, but when she receives a threatening note, she realises that, as a single mother to a young daughter, she might be putting herself dangerously in the killer's sights ... A gripping, atmospheric crime thriller

Readers are loving Dead Woman Crossing: 'This book is simply excellent through and through. The lead character of Kimberley King is destined to become one of the great characters in the genre... the dialogue is punchy and begs you to just go for one more chapter, and the atmosphere is phenomenal. Snyder 2021-09-06 The best way to make a girl notice you and actually know who you are is to avoid trying to impress her. I am sure many of you have heard from so called dating gurus that you must do anything and everything to impress a girl. When in reality this is what most guys do and to be honest you don't want to be like most guys. Instead the trick to make a girl notice you is to be different from the rest and in order to be different you must be creative. This is why you must avoid impressing her and actually just be yourself. I was so shocked at this because I was always advise to impress the girl and try and do everything to make her notice me by impressing her. Just like you are shock right now but in all honesty it works believe me. There have been so many times I would just put on a sweater with a hood and some sweats not even have a clean cut and literally have girls go up to me wanting to know more about me. Girls love a guy with some sort of mystery to him. Now I am not saying to be a total psycho and dress like a thug I am just saying notice what most guys are doing and do the total opposite. You ever heard of the phrase nice guys finish last, I am sure you have. The phrase that I like to use is, "guys who try hardest get rejected fast". The truth is by trying harder you are actually pushing the girl away from you. She will quickly lose interest and won't even notice you. So if you want make a girl notice you be confident social but don't try to impress her at all, just be yourself and see what happens. Inside this ebook I will show you how to get a girl to notice you without being obvious...You will learn

How to Become The Girl That Men Adore Lisa Ryder 2022-03-09 If you asked most women today what type of girl men adore and couldn't live without they would answer that she would have to be an Angelina Jolie lookalike or at the very least be blond, blue-eyed and have killer legs. While this type of woman would definitely attract a lot of attention, she actually isn't the type of woman that men adore. Now girls, that's really good news for most of us!
