This lack of motivation often causes us to struggle with anxiety, depression, low self-esteem, self-doubt, and other mental and emotional issues. When we stop believing in our own power to make positive changes in our life, it's easy for negative thought patterns to take over. We may become apathetic toward everything around us. It's like we've forgotten how to feel. Black women are expected to keep their heads down and not cause a fuss, yet they're also expected to go above and beyond for everyone in our lives. This is the double bind that black women face every single day. But you don't have to make yourself suffer any longer. Becoming motivated, confident, and self-aware is a journey that starts with small steps. In

Michael Jackson Shawn Henning 2010-06-17 Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book, he's collected love letters, reflections, eulogies, poems, essays and drawings from people throughout the world who have a special appreciation for the King of Pop, Michael Jackson. I was particularly impressed at the diversity of material, from so many different countries and cultures - all of it heartfelt and illuminating. In *We Love You More*, we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them, but those who read them. People will learn about the experiences they have in common, with people throughout the world, who followed Michael's career, his music, his good deeds and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book... from eulogies, to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning... you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

African Market Women Gracia C. Clark 2010-03-08 "A wonderfully evocative compilation of seven life histories from Kumasi, Ghana, of women Gracia Clark encountered in the course of a lifetime of fieldwork."

—African Studies Review In these lively life stories, women market traders from Ghana comment on changing social and economic times and on reasons for their prosperity or decline in fortunes. Gracia Clark shows that market women are intimately connected with economic policy on a global scale. Many work at the intersection of sophisticated networks of transnational commerce and migration. They have dramatic memories of independence and the growth of their new nation, including political rivalries, price controls, and violent raids on the market. The experiences of these women give substance to their reflections on globalization, capital accumulation, colonialism, technological change, environmental degradation, teenage pregnancy, marriage, children, changing gender roles, and spirituality. Clark's commentary illuminates the complex historical and cultural setting of these deeply revealing lives. "Shows, in direct speech, how family, kinship, marriage and age/generation work together in a daily life which is shaped by political, demographic, cultural, and wholly accidental change in people's circumstances." —Jane Guyer, Johns Hopkins University "Overall, this is an excellent book: it will be useful in undergraduate teaching and makes an important contribution to our understanding of the richness and variety of women's lives in West Africa." —Journal of Africa "Clark . . . offers intriguing insights into the lives of seven Akan women traders . . . Recommended." —Choice
