The Dateable Rules Justin Lookadoo 2004-02-01 Take Wild at Heart by John Eldredge and The Mystique of a Woman by Jean Lush and turn it into something that gets the attention of busy teens and you begin to understand The Dateable Rules. This interactive guide takes up where Dateable left off and walks teens through the Bible's insights about men and women. Guys will learn that God loves adventure and that there's a difference between a spiritual and a physical adventure. They'll also learn how to be a gentleman (open her door and carry the box of leftovers from dinner, etc.) Girls will learn that beauty is defined by God, not supermodels, and that if they talk too much, they lose. They learn the secrets of staying confident and letting a guy lead. How It Works: Bible Study: a study that can be used by an individual couple or a whole youth group. Focus Group: a time when guys and girls get the lowdown on each other's gender. Guys and girls or groups can talk about what they learned in the week's study and discuss the truths of Scripture. Workbook: offers lots of things for readers to do, from writing down all the bad things they have said about another person and confessing them to God to going back to the point in time when their femininity or masculinity was squashed and allowing Jesus to redefine that moment. Each section is filled with interactive activities that help students better understand God's plan for men and women. The Dateable Rules isn't about teens getting more dates; it's about learning to understand the opposite sex and making good choices based on the truth!

2012-12-11 Mom says karma always comes around to get you, and I guess it's true. Because last summer I was a total liar, and now, right in the middle of Mr. Pritchard's third-period math class, my whole world is about to come crashing down. That's because while Devon was living with her grandmother for the summer, she told her 'summer friend', Lexi, that she was really popular back home and dating Jared Bentley, only the most popular guy at school. Harmless lies, right? Wrong. Not when Lexi is standing at the front of Devon's class, having just moved to Devon's town. Uh-oh! Devon knows there's only one way to handle this - she'll just have to become popular! But how is Devon supposed to accomplish that when she's never even talked to Jared, much less dated him?! And it seems the more Devon tries to keep up her 'image', the more things go wrong. Her family thinks she's nuts, her best friend won't speak to her, and, as if it's not all complicated enough, Jared starts crushing on Lexi and Devon starts crushing on Jared's best friend, Luke. It all has Devon wondering - who is the real Devon Delaney?
