Magazine from 2010 to 2011, offering a glimpse into Korea and Korean

culture to foreign audiences.

From Factory Girls to K-Pop Idol Girls - Gooyong Kim 2018-12-17

Kim combines historical contextualization with political economy of the media and critical textual analysis to investigate the socio-ideological effects of K-Pop in the existing networks of power and domination in gender relations. He examines K-Pop female idols' individualism and identity formation through the lens of Korea's cultural politics.

Practicing Protestants - Associate Professor of Religious Studies and American Studies Laurie F Maffly-Kipp 2006-08-28

This collection of essays explores the significance of practice in understanding American Protestant life. The authors are historians of American religion, practical theologians, and pastors and were the twelve principal researchers in a three-year collaborative project sponsored by the Lilly Endowment. Profiling practices that range from Puritan devotional writing to twentieth-century prayer, from missionary tactics to African American ritual performance, these essays provide a unique historical perspective on how Protestants have lived their faith within and outside of the church and how practice has formed their identities and beliefs. Each chapter focuses on a different practice within a particular social and cultural context. The essays explore transformations in American religious culture from Puritan to Evangelical and Enlightenment sensibilities in New England, issues of mission, nationalism, and American empire in the nineteenth and twentieth centuries, devotional practices in the flux of modern intellectual predicaments, and the claims of late-twentieth-century liberal Protestant pluralism. Breaking new ground in ritual studies and cultural history, *Practicing Protestants* offers a distinctive history of American Protestant practice.

How to Live Korean - Soo Kim 2020-11-17

How to Live Korean takes a deep-dive into Korean culture, unpacking what it means to be Korean in all its forms and uncovering the way the locals think, what they enjoy getting up to and who they do it with. Whether it's Korean movie *Parasite* sweeping the Oscars, the explosion of interest in K-pop, Blackpink becoming the world's biggest girl band,

the dominance of the global smartphone market, foodies going crazy for bibimbap and kimchi or the incredible hype around K-beauty products - Korea is having a moment. But how much do you know about the real Korea; the locals' take on their amazing country? That's where this illuminating culture guide comes in, shining a light on Korea's compelling history and stunning geography, its unique customs and the quirks of daily life. The mainstays of Korea's vibrant cultural life and style are covered in detail, giving you the lowdown on the country's burgeoning film industry, Korean's unique take on fandom, the quirky fashion scene and the innovative hubs for art and design. If you ever have wanted to learn how to date like a Korean, know where the locals hang out in Seoul, honeymoon like Korean newlyweds, discover the correct way to eat Korean food or use the art of nunchi to improve your emotional intelligence, this insider's guide to the heart and soul of Korea is not to be missed.

Korean Girl in America - Hope Kim 2017-02-14

Hope is not your typical teenage girl. After a tumultuous childhood, she is once again in a new town and a new school which her mother has dragged her to. As is often the case, she is one of the only Asian kids in an all-white school and is still dealing with family issues. Hope is struggling to adjust to her new environment as a freshman in high school, where she meets a school counselor who helps her wade through the entire school year as well as pushes her to explore her past and what it means to her well-being. She is spunky and humorous, as well as contemplative, using prose and poetry to search for answers from the world as well as from God. Deeply personal to the author, *Korean Girl in America* is a profound and poignant story about struggling through difficult times and the angst which inevitably comes with tough family situations, new environments, and being in the minority. There is a blend of hardship, humor, pain, and laughter as one teen girl explores her own actions, thoughts, and dreams through the typical as well as unusual events of her teenage life. Join her as you feel, ponder, seek, and laugh with every new hurdle in her life, and search for meaning in her history and future.

Gender and Mission Encounters in Korea - Hyaeweol Choi
2009-11-15

"Pathbreaking. Approaches the transcultural and religious encounters of Korean and American women with a remarkable degree of sensitivity and nuance, as well as with judicious use of feminist and postcolonial theory. Its rich and diverse historical examples and illustrations are both engaging to read and meticulously documented."—Namhee Lee, UCLA

Supporting Korean American Children in Early Childhood Education - Sophia Han 2023-11-24

Early childhood professionals can use this one-of-a-kind work to better serve Korean American children in the United States. Four transnational mother-educators share the lived experiences of Korean American children and their families through candid and vivid narratives that counter stereotypical and prejudicial beliefs about Asian American communities. Topics include parenting beliefs and practices, naming practices, portrayals in children's picturebooks, translingual home practices, and responses to microaggressions. The text raises awareness about various dynamics within the Korean American community for a more nuanced discourse. The authors bring a wealth of hybrid positioning and experiences as former early childhood educators, first-generation Korean American immigrants, current teacher educators working with pre- and inservice teachers, and researchers in different states, as well as mothers of second-generation Korean American children. Book Features: Shares original stories and experiences of Korean American children and families to dismantle prevalent narrow narratives. Offers practical implications and considerations for classroom teachers regarding family engagement, critical literacy, translanguaging, and social-emotional learning. Includes user-friendly features such as discussion questions, lesson ideas, and a list of appropriate picturebooks.

A Step from Heaven - An Na 2016-07-26

A young Korean girl and her family find it difficult to learn English and adjust to life in America.

K-POP Now! - Mark James Russell 2014-04-29

"K-Pop Now! [...] features one hundred and twenty-eight glossy pages of

Korean pop eye-candy." —KpopStarz.com K-Pop Now! takes a fun look at Korea's high-energy pop music, and is written for its growing legions of fans. It features all the famous groups and singers, and takes an insider's look at how they have made it to the top. In 2012, Psy's song and music video "Gangnam Style" suddenly took the world by storm. But K-Pop, the music of Psy's homeland of Korea has been winning fans for years with its infectious melodies and high-energy fun. Featuring incredibly attractive and talented singers and eye-popping visuals, K-Pop is the music of now. Though K-Pop is a relatively young phenomenon in the West, it is rapidly gaining traction and reaching much larger audiences—thanks in large part to social media like Facebook, YouTube and Twitter. Top K-Pop acts get ten million to thirty million hits for their videos—the Girls Generation single "Gee" has over a hundred million views! In K-Pop Now! you'll find: Profiles of all the current K-Pop artists and their hits A look at Seoul's hippest hot spots and hangouts Interviews with top artists like Kevin from Ze:A and Brian Joo A look at the K-Pop idols of tomorrow You'll meet the biggest record producers, the hosts of the insanely popular "Eat Your Kimchi" website, and K-Pop groups like Big Bang, TVXQ, 2NE1, Girls Generation, HOT, SES, FinKL Busker Busker and The Koxx. The book also includes a guide for fans who plan to visit Seoul to explore K-Pop up close and personal. Join the K-Pop revolution now!

You can use this notebook for school, write down important notes, list your favorite Korean songs and K-Dramas. Write your most valuable goals and dreams. You will give it very special use.

Korean Women Managers and Corporate Culture - Jean R. Renshaw 2012-03-15

The typical view of Korean women is not as managers. The stereotype is of Korean women serving and pleasing men, or more recently as aggressive shopkeepers and bar-owners. Very little has been written to challenge this misconception. This fascinating book reveals there have always been managers amongst Korean women, particularly in occupations like money lending, retail and fashion, and women continue to serve after the economic crash at the beginning of a new century.

Korean Women Managers and Corporate Culture illuminates the many roles of women - from management, leadership and policy making, to the more traditional positions as homemaker and wife - and describes the distinctive Korean corporate culture and economy in order to evaluate the future of women as well as that of Korea itself.

Younger-Generation Korean Experiences in the United States - Pyong Gap Min 2014-06-11

Younger-Generation Korean Experiences in the United States: Personal Narratives on Ethnic and Racial Identities compares the formation of ethnic and racial identities in two generational cohorts of a

contemporary immigrant group. Through personal essays, the book reveals how external factors helped younger-generation Korean Americans who grew up in the 1980s and early 1990s retain more of their cultural heritage than had preceding generations.

Korean American Women - Jenny Pak 2013-09-13

Current models of acculturation in multicultural counseling literature are severely limited in describing how individuals deal with the complexity of culture change. The reasons for immigration, the historical period during which the immigration occurred, educational and socioeconomic levels, ethnic community and religious involvements, family functioning, and social support, to name a few, all have an impact in the process of cultural adaptation. This book examines Korean American women's dual-cultural identity. By utilizing multiple case studies, the book highlights: (1) the complexity of issues involved as individuals go through different levels of culture change, and (2) the multiplicity of people negotiating their lives in the dual-cultural context and creating meaning out of many ambiguous and even contradictory life situations.

In Order To Live - Yeonmi Park 2015-09-29

'I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea.' Yeonmi Park was not dreaming of freedom when she escaped from North Korea. She didn't even know what it meant to be free. All she knew was that she was running for her life, that if she and her family stayed behind they would die - from starvation, or disease, or even execution. This book is the story of Park's struggle to survive in the darkest, most repressive country on earth; her harrowing escape through China's underworld of smugglers and human traffickers; and then her escape from China across the Gobi desert to Mongolia, with only the stars to guide her way, and from there to South Korea and at last to freedom; and finally her emergence as a leading human rights activist - all before her 21st birthday. 'Clear-eyed and devastating' Observer

The Little Book of Skin Care - Charlotte Cho 2015-11-10

The secrets behind the world's most beautiful skin! In Korea, healthy, glowing skin is the ideal form of beauty. It's considered achievable by all,

men and women, young and old—and it begins with adopting a skin-first mentality. Now, this Korean beauty philosophy has taken the world by storm! As the founder of Soko Glam, a leading Korean beauty and lifestyle website, esthetician and beauty expert Charlotte Cho guides you through the world-renowned Korean ten-step skin-care routine—and far beyond—to help you achieve the clearest and most radiant skin of your life. With Charlotte's step-by-step tutorials, skin-care tips, and advice on what to look for in products at all price levels, you'll learn how to pamper and care for your skin at home with Korean-approved techniques and pull off the "no makeup" makeup look we've seen and admired on women in the streets of Seoul. And you'll get access to beauty secrets from Charlotte's favorite beauty gurus from around the world, including supermodels, YouTube sensations, top makeup artists, magazine editors, actresses, and leading Korean skincare researchers. With the knowledge of an expert and voice of a trusted friend, Charlotte's personal tour through Korean beauty culture will help you find joy in the everyday beauty routines that will transform your skin.

If I Had Your Face - Frances Cha 2020-04-21

A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania “Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide.”—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle Kyuri is an achingly beautiful woman with a hard-won job at a Seoul “room salon,” an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri's roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship with the heir to one of the country's biggest conglomerates. Down the hall in their building lives Ara, a hairstylist

whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wanna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea's brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.

Kim Jiyoung, Born 1982 - Cho Nam-Joo 2020-02-20

A GUARDIAN 'ONE TO LOOK OUT FOR 2020' A RED MAGAZINE 'CAN'T WAIT TO READ' BOOK OF 2020 THE MULTI-MILLION-COPY SELLING SOUTH KOREAN SENSATION THAT HAS GOT THE WHOLE WORLD TALKING Kim Jiyoung is a girl born to a mother whose in-laws wanted a boy. Kim Jiyoung is a sister made to share a room while her brother gets one of his own. Kim Jiyoung is a female preyed upon by male teachers at school. Kim Jiyoung is a daughter whose father blames her when she is harassed late at night. Kim Jiyoung is a good student who doesn't get put forward for internships. Kim Jiyoung is a model employee but gets overlooked for promotion. Kim Jiyoung is a wife who gives up her career and independence for a life of domesticity. Kim Jiyoung has started acting strangely. Kim Jiyoung is depressed. Kim Jiyoung is mad. Kim Jiyoung is her own woman. Kim Jiyoung is every woman. Kim Jiyoung, Born 1982 is the life story of one young woman born at the end of the twentieth century and raises questions about endemic misogyny and institutional oppression that are relevant to us all. Riveting, original and uncompromising, this is the most important book to have emerged from South Korea since Han Kang's *The Vegetarian*. Praise for Kim Jiyoung, Born 1982 'It describes experiences that will be recognisable everywhere. It's slim, unadorned narrative distils a lifetime's iniquities into a sharp punch.' The Sunday Times 'A ground-breaking work of feminist fiction' Stylist 'Along with other socially critical narratives to come out of Korea, such as Bong Joon-ho's Oscar-winning film *Parasite*, her story could change the bigger one.' TheGuardian 'This witty, disturbing book deals with sexism, mental health issues and the

hypocrisy of a country where young women are “popping caffeine pills and turning jaundiced” as they slave away in factories helping to fund higher education for male siblings.’ The Independent ‘Enthralling and enraging.’ Sunday Express ‘Cho’s moving, witty and powerful novel forces us to face our reality, in which one woman is seen, pretty much, as interchangeable with any other. There’s a logic to Kim Jiyoung’s shape-shifting: she could be anybody.’ Daily Telegraph

[Korean Beauty Secrets for Sparkling Skin](#) - Dr Tokyo 2021-11-03

I thought I was obsessed with beauty, but then I got to know the reality of Seoul up close. Seoul breathes beauty, and skin care floats in its air. In Korea it seems that wherever you look, thousands of products want to sell you the promise of perfect and hydrated skin, and you only have to take a look at the porcelain faces that walk down the street to know that this is not misleading advertising. My process of understanding skincare in Korea made me a faithful follower of that philosophy, and as I left Seoul, I took with me a passion to share what I had learned. I have been able to hear the personal stories of women (and men) of all ages and cultures who have decided to follow a Korean facial care routine and have improved both skin quality and self-confidence. As I learned about skin care in beautician training and talked to people who were totally lost about what products to buy or how to use them, I knew I had to put all the facial care secrets I learned in Seoul into a book, because there really shouldn't be any more secrets. Why read a book on skin care? In this book I will tell you how a Californian girl like me immersed herself in the Korean beauty culture and changed her perspective when it came to approaching and approaching skin care. Whether you are reading this to start your first facial care regimen, to enhance your current one, or simply to learn how another culture sees beauty, this book will cover all of these concerns and many more. Unfortunately, just reading this book will not be enough to improve the condition of your skin, but cheer up, because you are taking the first step. I'm going to give you some homework, but I'll take you by the hand (very well hydrated by the way) along the way. I am going to guide you step by step through my Korean facial care secrets, kept like gold on a cloth: from routines from day and

night facial care, to why your entire body, not just your face, needs exfoliating, or how to choose the right moisturizer and use it well. I'll also teach you how to achieve the natural makeup look that women wear on the streets of Seoul (and often on the catwalks in New York and Paris). I'll combine my beautician know-how with advice from Korean beauty experts to answer your toughest skin questions and find solutions to common skin problems. Learning how to take care of your skin the Korean way will change the way you think about your skin and the way you treat it. You will want to start a routine, and once you have started, you will not want to leave it. If you still have any doubts, let me say yes, you can get excited about skin. It is just the largest organ in the body. Let's go there? I hope that my love for Korea has motivated you to live this experience in your flesh one day. In fact, I would like it so much that I have advanced myself and have created an itinerary for you! Come on, you are never prepared enough! Here's my mini-guide to Seoul, everything you need to know about where to shop and eat, and what I would do if I only had seventy-two hours. Consider me a friend who is delighted to show you the city. Seoul is moving fast, and the shops and restaurants are constantly changing, so when planning your trip

On the Move for Love - Sealing Cheng 2011-11-29

Since the Korean War, gijichon—U.S. military camp towns—have been fixtures in South Korea. The most popular entertainment venues in gijichon are clubs, attracting military clientele with duty-free alcohol, music, shows, and women entertainers. In the 1990s, South Korea's rapid economic advancement, combined with the stigma and low pay attached to this work, led to a shortage of Korean women willing to serve American soldiers. Club owners brought in cheap labor, predominantly from the Philippines and ex-Soviet states, to fill the vacancies left by Korean women. The increasing presence of foreign workers has precipitated new conversations about modernity, nationalism, ethnicity, and human rights in South Korea. International NGOs, feminists, and media reports have identified women migrant entertainers as "victims of sex trafficking," insisting that their plight is one of forced prostitution. Are women who travel to work in such clubs victims of trafficking, sex

slaves, or simply migrant women? How do these women understand their own experiences? Is antitrafficking activism helpful in protecting them? In *On the Move for Love*, Sealing Cheng attempts to answer these questions by following the lives of migrant Filipina entertainers working in various *gijichon* clubs. Focusing on their aspirations for love and a better future, Cheng's ethnography illuminates the complex relationships these women form with their employers, customer-boyfriends, and

families. She offers an insightful critique of antitrafficking discourses, pointing to the inadequacy of recognizing women only as victims and ignoring their agency and aspirations. Cheng analyzes the women's experience in South Korea in relation to their subsequent journeys to other countries, providing a diachronic look at the way migrant issues of work, sex, and love fit within the larger context of transnationalism, identity, and global hierarchies of inequality.
