*Talking Girl - Carys Evans-Corrales 2014-05-26*

In this extraordinary account, Carys Evans-Corrales takes the reader on a cultural rollercoaster ride. As a child growing up in the Singapore,

Malaysia and Jamaica of the 1950s and 1960s, the author came into contact with a host of languages and cultural influences, ranging from the Hainanese she spoke as a toddler to the Welsh counting song and

English nursery rhymes she was taught by her mother to the Mandarin songs of Chinese children. In Kuala Lumpur, she came into contact with Malay, whose idioms delighted her, and in Kingston, Jamaica, with Jamaican patois, where she was shocked by the racially charged atmosphere. In Jamaica, she was introduced to Spanish, which conditioned her next move - to study Linguistics at York University in the UK, specializing in Spanish. This, in turn, led to a year abroad in Seville, where the author played the role of Andalusian novia, and, after completing her undergraduate degree, to a year of research in Salamanca. During this year, she was offered a job at the university in Santiago de Compostela, where she went in 1974, just as the Franco years were coming to an end and Galicia was recovering its language and identity. But it was in a move to America, in 1985, that the author finally acquired her own identity and laid the ghosts of her past to rest. The account of these years is littered with anecdotes about local people, school friends, linguistic conundrums and political backdrops, and offers a sweeping view of the second half of the twentieth century lived out on three continents. Carys Evans-Corrales is Professor of Spanish at the University of Pittsburgh at Bradford. She has a PhD in Spanish Literature from Rutgers. She has translated work by numerous authors from Spanish and Galician into English, including Loreina Santos Silva's memoir *This Eye that Looks at Me*, verse plays by Pilar Enciso, Lauro Olmo and Alfonso Sastre, and the collection *A Leopard Am I* by the Galician poet Pilar Pallares, also published by Small Stations Press."

**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal

dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

*Women Don't Ask* - Linda Babcock 2021-01-05

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

**The Charisma Myth** - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. *The Charisma Myth* shows you how to become more influential, more persuasive, and more inspiring.

**The Guyde** - Howie Reith 2016-11-19

*The Guyde* is the most comprehensive men's dating and self-

improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face

that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

### **Top Girls** - Caryl Churchill 2018-02-22
