**Get Over Yourself!** - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • *Getting Over What?* Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • *Almost Over It* Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • *Over It* Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

**Stein House** - Myra Hargrave McIlvain 2015-11-04

Max reappeared in the doorway of the inn, and the crowd on deck shouted in delight as he stopped, bowed to his audience, and took a huge gulp from the open bottle. Gretchen shuddered against Helga's shoulder, and Hermie's fist pounded the rail as he muttered between clenched teeth, "Come on, Papa." "It's all right. The captain will wait." Paul breathed into his cupped hands. The ship began its laboring surge as the black, swirling water of the Weser River churned up waves that grew from undulating ripples to frothy caps. Still Max whirled and danced and tipped his bottle as he headed almost casually toward the departing ship. The laughter died, and in a body the crowd began coaxing him to jump, make one mad leap, to entertain them one more time. Helga pulled the children tighter against her, holding them, willing them not to watch. And then Max jumped, tossing the empty bottle into the water as his body floated, suspended, arms extended, fingers spread, wildly grasping for the slowly arching rail. His face suddenly twisted to disbelieving shock as his fingers missed their grip, and he dropped like a slender arrow straight down into the roiling, icy water without causing the slightest splash. After three long months at sea, Helga Heinrich and her four children sail into the thriving Indianola seaport on the Texas coast in 1853 to begin a new chapter.

**How to Get Your Ex Girlfriend Back** - C. Powell 2012-01-24

The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart. More than likely by the time you've gotten to this point you've let her down more than once. Please don't think that all that past hurt and all those mistakes will go away and she'll forget about them just because you say 'I'm sorry' or you tell her that 'I've changed'. She'll probably need to see some proof that that is true. It's important for you to concentrate on yourself instead of just trying to convince her you've changed. It will take you time to truly change the person that you are and you don't want to make the mistake of thinking you can somehow 'trick' her into believing you are a different man.

The Friend - 1885**Women Are Spiritual Bridges** - Bren Gandy-Wilson 2009-06

This is not 52nd Street. The rich, white academics will no longer be given their structured, easy-to-listen-to jazz. This is Milton's Playhouse. This is the heart of music. Structure time form and proper scales are dead here. This is the place that jazz progresses. 52nd Street is stale and lifeless. The bridge to 52nd Street has been burned down. This is Improvisational Writing. It lives through every typo misspelling misuse and grammatical mistake. It is music without sound. Without measures. Without Scales.

Without time. Without prisons. It is a hope to give life to something that has become so confined it can no longer breathe. It may be one continuous mistake. But it is honest true uncompromising and unconfined. In a world that has a million bookshelves lined with street maps to 52nd Street, this is a fresh note. It may be a flat note, nonetheless, it is a note.

But that doesn't work and he soon finds himself in even more trouble with seemingly no way to avoid the threat of capture and being tried for the murder he didn't commit.

**Kindred, Gift Edition** - Octavia Butler 2022-09-20

The New York Times best-selling author's time-travel classic that makes us feel the horrors of American slavery and indicts our country's lack of progress on racial reconciliation The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (Watchmen), executive producers also include Joe Weisberg and Joel Fields (The Americans, The Patient), and Darren Aronofsky (The Whale). Janicza Bravo (Zola) is director and an executive producer of the pilot. Kindred stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's The Underground Railroad and Ta-Nehisi Coates's The Water Dancer, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly

learns to accept it as a condition of her own existence in the present.  
“Where stories about American slavery are often gratuitous, reducing its

horror to explicit violence and brutality, Kindred is controlled and  
precise” (New York Times).
