[The Shy Guy's Guide to Talking to Girls \(and Having Girls Absolutely Love You for It\)](#) -

Dominic Mann 2017-06-23

Are you the kind of guy who seems to clam up and become painfully shy around pretty girls? You know how it is.

You're perfectly comfortable around your friends and...

\*ahem\*... ugly women... ... but as soon as a pretty girl walks by, you just seem to clam up and become painfully shy. It's like you're a whole different person! And it's frustrating as hell! If you wish you could stop being so damn shy around beautiful women and instead start being confident, sexy, and able to charm her socks (and other articles of clothing...) off, then this book will show you how. Learn step-by-step how to go from uncomfortably shy to confident, irresistible lady-

charmer In the last year I've been on 60 dates with 60 different girls. Even if you're not a professional mathematician, you can probably agree with me that that's a lot of dates. I'm definitely not the most prolific dater of all time, but I'm definitely not your average wallflower either. At least, not anymore. I used to be terribly shy. If you put me in the same room with a girl I'd clam up and have absolutely no idea what to do. I wouldn't open my mouth if you paid me a million dollars. And I might very well crap my pants on the spot. Which doesn't necessarily make a great first impression. I wrote this book for people like me. People that are great once you get to know them... but have a really hard time with first impressions and talking to

new girls for the first time. If you've got a great personality but have a hard time opening your mouth and breaking out of your shell... you're in the right place. This book will show you how to get it on with the ladies totally nail an interaction with any girl. My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come."

Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and

energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. At the end of this series, you'll solve all your relationship and bedroom problems: You'll make her fall madly in love with you with the secrets inside this series even if you think you are not handsome, tall, rich, or intelligent All the time you spent being lonely and masturbating all night will now be spent with a real beautiful woman You'll finally become confident around women and be the one to choose any lady you want to be your girlfriend

or wife You'll never go through heartbreak again. You know how heartbreak sucks, right? Your friends will wonder how you get beautiful women easily You'll soon teach your nice guys' friends how to do it and even charge them money for it because the knowledge is worth paying any amount to acquire "I can't believe it" was the exact line one of our students used after 2 days of applying the technique. Let me make it clear before you scroll up and click the BUY NOW button. What is inside this book will transform your life -

guaranteed! Would you rather have this handled now or keep wasting time for the rest of your life? This is the best relationship investment you'll ever make, so go ahead to get the success you've always wanted with beautiful women. "Never worry about action, but only inaction." - Winston Churchill
