Parks and Recreation - Holly Willson Holladay 2023-03-28
"Treat yo' self" to this captivating analysis of critically acclaimed, fan-favorite television series Parks and Recreation.
The Bite, the Breast and the Blood - Amy Williams Wilson 2018-09-25

Central to every vampire story is the undead's need for human blood, but equally compelling is the human ingestion of vampire blood, which often creates a bond. This blood connection suggests two primal, natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives,

arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.

Hedwig and the Angry Inch - Stephen Trask 2003

Tells the story of transsexual rocker Hedwig Schmidt, an East German immigrant whose sex change operation has been botched and who finds herself living in a trailer park in Kansas.

Sex-education - Maurice A. Bigelow 2022-09-04

DigiCat Publishing presents to you this special edition of "Sex-education" (A series of lectures concerning knowledge of sex in its relation to human life) by Maurice A. Bigelow. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Queer in the Choir Room - Michelle Parke 2014-10-21

These new essays examine the many ways that issues of gender and sexuality intersect with other identities and practices--including race, religion, disability, music and education--on the Fox hit program Glee. With gender and sexuality concerns at the crux, the authors tackle such specific aspects of the show as the coming out narrative, Glee fandom and fan fiction, representation of sex education, and the intersection of Broadway music and queerness. The aim of these essays is to open up a dialogue about Glee--which is often dismissed by critics and fans alike--and to reveal how scholars are critically engaging with the show around issues of gender and sexuality.

HONEST: Everything They Don't Tell You About Sex, Relationships and Bodies - Milly Evans 2022-06-09

Sex is EVERYWHERE. So why don't we talk about it properly? A bare-all, refreshingly honest guide for teens, written by someone who isn't thirty years older than you. Being a teen is tough enough without having to navigate the minefields of discovering sex, love and bodies. And let's be real: sex education at school doesn't always cut it. Sex educator and journalist Milly Evans is here to help - as a young adult who is still figuring life out, she knows exactly what teens are going through. And she's here with answers to all those questions that aren't in their school textbooks. From orgasms to anatomy, gender identity to masturbation, positive relationships to first times, it's all here, and in candid detail. With playful and informative black-and-white illustrations by Lucia Picerno throughout, HONEST is the searingly frank, inclusive and witty guide that every 21st century teenager needs. Enough foreplay! Let's do this.

Voices From the Wreckage: Young Adult Voices in the #MeToo Movement - Kimberly Karshner 2023-04-18

'Voices From the Wreckage: Young Adult Voices in the #MeToo Movement' is an edited collection by Kimberly Greenfield Karshner (Lorain County Community College). This collection focuses on situating young adult voices in the #MeToo movement, and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ+ voices, and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities, but also dealing with assaults on their identities. This collection will build on what writers like Laurie Halse Anderson have begun, first with her groundbreaking book on sexual assault, 'Speak', published in 1999, and more currently, her follow-up book, 'Shout' (2019). These authors continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ+ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels, and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. 'Voices From the Wreckage' will be a valuable tool for anyone who teaches Young Adult Literature, or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books, and for adult readers and teachers who are facilitating the emotions connected to these topics.

Ace Notes - Michele Kirichanskaya 2023-03-21

What is the ace lens? Is my relationship queerplatonic? Am I sex-favorable, sex-averse or sex-repulsed? As

an ace or questioning person in an oh-so-allo world, you're probably in desperate need of a cheat sheet. Allow us to introduce your new asexual best friend, an essential resource serving up the life hacks you need to fully embrace the ace. Expect interviews with remarkable aces across the spectrum, advice on navigating different communities, and low-key ways to flaunt your ace identity. Covering everything from coming out, explaining asexuality and understanding different types of attraction, to marriage, relationships, sex, consent, gatekeeping, religion, ace culture and more, this is the ultimate arsenal for whatever the allo world throws at you.

Empathic Entrepreneurial Engineering - David Fernandez Rivas 2022-08-22

How can empathy and persuasiveness help us become better professionals and address society's big issues? You can find the answers in this guide to solving problems based on stories from scientists and company founders.

An Introduction to Television Studies - Jonathan Bignell 2022-12-21

This comprehensive textbook, now substantially updated for its fourth edition, provides students with a framework for understanding the key concepts and main approaches to Television Studies, including audiences, representation, industry and global television, as well as the analytical study of individual programmes. This new edition reflects the significant changes the television industry is undergoing in the streaming era with an explosion of new content and providers, whilst also identifying how many existing practices have endured. The book includes a glossary of key terms, with each chapter suggesting further reading. New and updated material includes: Chapters on style and form, narrative, industry, and representation and identity Case studies on Bon Appétit's YouTube channel, Insecure, British youth television, ABC and Disney+, fixed-rig observational documentary, streaming platforms' use of data to shape audience experience, Chewing Gum, Korean drama and The Marvelous Mrs Maisel Sections on medical drama, YouTube creators, Skam and scripted format sales, the global spread of streaming platforms, prestige TV and period drama With individual chapters addressing television style and form, narrative, histories, industries, genres and formats, realities, production, audiences, representation and identity, and quality, this book is essential reading for both students and scholars of Television Studies.

Sex Education: A Guide To Life - The Official Netflix Show Companion - Sex Education 2021-10-14

The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to the show and practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x! This book has been checked by experts including doctors, sex therapists and more. Recommended age 14+

The Transformation of American Sex Education - Ellen S. More 2022-01-11

"This book examines Americans' attempts to come to terms with the vexed subject of sex education in the schools from the late 1940s to the early 21st century. Using Mary Calderone's life and career as a touchstone, it traces the origins of modern sex education in the United States from the work of a group of reformers who coalesced around Calderone to create SIECUS in 1964 through the development and use of the competing approaches known as 'abstinence-based' and 'comprehensive' sex education from the 1980s into the 21st century"--

Sex Education: a Guide to Life - Jordan Paramor 2022-01-25

The official, must-have modern fully fleshed out guide to relationships, sex, and much more from the original Netflix series, Sex Education. Questioning your body? Not sure about how you feel? Worried if that thing is normal? Unlikely educator Otis Milburn and his friends offer frank, feminist, and positive guidance in this life-changing book. Cover everything from knowing your anatomy, feeling confident about how you look, and understanding how you feel, along with the topics of consent, sexuality, and the minefield that is

modern love--this guide answers all the questions you are too scared to ask, in a language you will understand. With insight from your favorite Sex Education characters, quotes to live your life by, therapy notes, diagrams, tips, takeaways, and a whole lot of fun, this fully illustrated book is both a companion to the popular Netflix original series and a practical guide to navigating the real world.

Competing Masculinities in the British Netflix Series "Sex Education" - Lea-Christin Klaas 2023-11-13

Seminar paper from the year 2020 in the subject Gender Studies, grade: 2,0, University of Dortmund (Institut für Anglistik und Amerikanistik), course: British Proseminar, language: English, abstract: This paper deals with the competing masculinities in the British Netflix series "Sex Education". Especially the characters Otis Milburn, Adam Groff and Eric Effiong are taken into consideration. Otis is the typical lovable goof, whereas Adam is more likely to fulfill the stereotype of being a "real man", because of his tendency of being violent. It turns out that Adam's aggression is caused by him being insecure. Eric is also especially interesting to look at, since he serves several contrary stereotypes. He is a black, homosexual young male that is raised as a second generation immigrant in a traditionally catholic household and is often confronted with homophobia and racism. Eric turns out to be a modern gentleman. Each character's typical behavior patterns will be described and clarified by examples and interpreted in the context of masculinities.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Condom Nation - Alexandra M. Lord 2010-01-01

An award-winning history of the U.S. Public Health Service's haphazard efforts to educate Americans about sex for more than a century. Since launching its first sex ed program during World War I, the Public Health Service has dominated federal sex education efforts. Alexandra M. Lord draws on medical research, news reports, the expansive records of the Public Health Service, and interviews with former surgeons general to examine these efforts, from early initiatives through the administration of George W. Bush. Giving equal voice to many groups in America—middle class, working class, black, white, urban, rural, Christian and

non-Christian, scientist and theologian—Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns. She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations, public schools, foundations, corporations, and religious groups. With engaging and insightful analysis, Lord explains how tensions among these organizations exacerbated existing controversies about sexual behavior. She also discusses why the Public Health Service's promotional tactics sometimes fueled public fears about the federal government's goals in promoting, or not promoting, sex education. Award for the Public Understanding of Science, 2010, British Medical Association's Board of Science First Prize, Popular Medicine, British Medical Association 2010 Book Awards

Otis Redding - Jonathan Gould 2017-05-16

The long-awaited, definitive biography of The King of Soul, timed to coincide with the 50th anniversary of Redding's iconic performance at the 1967 Monterey Pop Festival. Otis Redding remains an immortal presence in the canon of American music on the strength of such classic hits as "(Sittin' on) The Dock of the Bay," "I've Been Loving You Too Long," "Try a Little Tenderness," and "Respect," a song he wrote and recorded before Aretha Franklin made it her own. As the architect of the distinctly southern, gospel-inflected style of rhythm & blues associated with Stax Records in Memphis, Redding made music that has long served as the gold standard of 1960s soul. Yet an aura of myth and mystery has always surrounded his life, which was tragically cut short at the height of his career by a plane crash in December 1967. In *Otis Redding: An Unfinished Life*, Jonathan Gould finally does justice to Redding's incomparable musical artistry, drawing on exhaustive research, the cooperation of the Redding family, and previously unavailable sources of information to present the first comprehensive portrait of the singer's background, his upbringing, and his professional career. In chronicling the story of Redding's life and music, Gould also presents a social history of the time and place from which they emerged. His book never lets us forget that the boundaries between black and white in popular music were becoming porous during the years when racial tensions were reaching a height throughout the United States. His indelible portrait of Redding and the mass acceptance of soul music in the 1960s is both a revealing look at a brilliant artist and a provocative exploration of the tangled history of race and music in America that resonates strongly with the present day.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official Sex Education novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.
