Homecoming - Thema Bryant, Ph.D. 2022-03-15

A road map for dismantling the fear and shame that keep you from living a free and authentic life. In the aftermath of stress, disappointment, and trauma, people often fall into survival mode, even while a part of them longs for more.

Juggling multiple demands and responsibilities keeps them busy, but not healed. As a survivor of sexual assault, racism, and evacuation from a civil war in Liberia, Dr. Thema Bryant knows intimately the work involved in healing. Having made the journey herself, in addition to guiding others as a clinical psychologist and ordained minister, Dr. Thema shows you how to reconnect with your authentic self and reclaim your time,

your voice, your life. Signs of disconnection from self can take many forms, including people-pleasing, depression, anxiety, and resentment. Healing starts with recognizing and expressing emotions in an honest way and reconnecting with the neglected parts of yourself, but it can't be done in a vacuum. Dr. Thema gives you the tools to meaningfully connect with your larger community, even if you face racism and sexism, heartbreak, grief, and trauma. Rather than shrinking in the face of life's difficulties, you will discover in Homecoming the therapeutic approaches and spiritual practices to live a more expansive life characterized by empowerment, healthier relationships, gratitude, and a deeper sense of purpose.

Ritual As Resource - Michael Picucci 2005

"Demonstrates that ritual can be a potent therapeutic tool for healing difficult emotional/energetic blocks and traumas as well as for finding solutions to stressful everyday problems"--Provided by publisher.

The Sexual Abuse Survivor's Sacred Space -

Journey Toward Complete Recovery Reclaiming Our Emotional Spiritual And Sexual Wholeness

Jan Porter 2014-07-18

The Sexual Abuse Survivor's Sacred Space An Inspiring Body Mind Soul Guide for Healing of Sexual Abuse. This book is dedicated to all of those who seek healing, wholeness and inner peace from sexual abuse and for those who support and care for them. The author draws sensitivity the healing of sexual abuse journey. Her book includes soul freeing insights, perspective, tips and resources for overcoming sexual abuse, case samples. The philosophical spiritual insights are integrated with the healing path with some reference to modern science.>>> Gain some comfort and peace of mind The journey out of the pain of sexual abuse to wholeness is in boldly allowing insights and inspiration to bring forth authentic empowerment, fulfillment and inner peace. "The Sexual Abuse Survivor's Sacred Space" offers insights and resources from those who have been there and bounced back better than before. The power of your ancestors and the magic of the cosmos is in your DNA!>>> Finding sacred space after sexual abuse is a journey process For survivors, finding sacred space after sexual abuse is a journey process of discovering, reclaiming, sifting and sorting of boundaries, likes, dislikes, preferences, talents, competencies and letting go of all painful thoughts, beliefs, habits and emotions that no longer serve their higher good. It often takes courage to risk being disliked, criticized, judged and disapproved of, yet more importantly, it is being able to look in the mirror and being proud of who you already are. Anyone can awaken the power within, by following these Steps: • How can Your Happiness be Sacred • Understanding Sexual Abuse/Assault • The Healing Process: Stress Management, Journaling and much more • Working through Key Issues and Transformation • How to Let Go and Uplift • Learn Daily Living Skills • Self-Awareness Exercises and Soul Boosters • Basking with your Ancestors, Guides and Angels • Alternative Resources, and much much more>>> Awakening the power within This guide encourages awakening the spiritual power within, the strength and wisdom that's already inside you. The empowerment work involves learning to become aware of and manage the internal, somatic environment and overcome

mindbody states such as fear, anger, dissociation, body numbness, and so on. Learn to deal effectively with external dangers and challenges. Most Helpful Reader Reviews • "I can't imagine anyone reading this book and not taking something away from it that they will treasure forever." - BarbBookWorm • "Full of great tools one can use to help face their fears head-on, it gently guides you to a stronger, healthier place within that has been there all along." - Vania M. • "I would highly recommend you not only read this book, but that you live by the book" - Johanna Ryan • "This is a book about feeling empowered and taking your life back." - Tiffany Prock • "This is such an amazing book to share with those who have encountered sexual abuse" - Stephanie • "Sacred Space' is definitely a must-read-everyone who has undergone abuse or those who know a friend or a loved one who has suffered from it should read this book. This can change their lives, and yours, too." - Meghan • "I love all of Jan's teachings on the road to recovery, healing and wholeness. " - Khaleda About the Author Jan Porter is a published author with over thirty years experience in human services who specializes in empowerment and inspiration. Founder of Soul Works Gifting Foundation with six published books, two audios with numerous other projects in various stages of completion, a workshop facilitator and freelance contributor to a handful of magazines. Scroll up and grab a copy TODAY. Read "The Sexual Abuse Survivor's Sacred Space" on your PC, Mac, smart phone, tablet or Kindle device. Tags: sexual abuse survivor, sexual abuse, healing of sexual abuse, sexual trauma, empowerment, sacred space, woman abuse, *The Journey Toward Complete Recovery* - Michael Picucci 1998-09-25 Founder of the Institute for Staged Recovery in New York City and creator of "Authentic Process Therapy," Picucci is an addictions counselor who bases his methods primarily on personal experience. In this updated edition of his self-published Complete Recovery, Picucci describes a "Stage Two" recovery program for evolving beyond freedom from addictions to "holism," which encompasses joy, bliss, love, empowerment, creativity, respect for all life, and peace. Picucci makes an interesting distinction

Journey Toward Complete Recovery Reclaiming Our Emotional Spiritual And Sexual Wholeness

between recovery from addictions and childhood traumas" and "recovery of fulfillment, wisdom, serenity, and emotional, spiritual and sexual wholeness. Using a structure of 12 stations, which can be visited and revisited in any order as often as needed, he guides readers through six fundamental and six emergent modules of this process for healing the "spiritual-sexual split" and the "cultural pain... of oppressed minorities," and ultimately achieving the "shame-free presentation of self." Picucci says he offers "nothing less than a re-birthing process" through a combination of one-on-one psychotherapy, support groups and spirituality. His own life experiences as a gay man, once married, now HIV positive, surviving AIDS, cancer, a heart attack, triple-bypass surgery and drug and alcohol addictions give him a uniquely credible perspective on healing and wholeness. In his cogent, well-organized handbook, Picucci functions a bit like the gay shamans who had a special place in North American Indian tribes. His compassionate acceptance of diversity will inspire many readers to care to take the next step and seek the help they need.

The Publishers Weekly - 1998

Shadows of the Cross - Craig Cashwell

2015-02-25

This book is a Christian companion to Facing the Shadow. It provides an early spiritual focus to recovery for those who are beginning to use the Patrick Carnes 30 task model of recovery from sex addiction. Addresses issues of sexuality in a non-shaming way using Biblical scripture to encourage long-term recovery. Shadows of the Cross: -Includes interactive exercises and tasks that complement Facing the Shadow. -Applies world renowned Dr. Patrick Carnes' research-based thirty task model with a Christian twist - Has a Christian approach that tackles the shame that often accompanies sex addiction -Provides readers with suggested Biblical verses to assist in their long-term recovery -Provides a much needed spiritual focus to early recovery

The Deepest Wound - Linda Crockett 2001-10-04

"Accompaniment means to walk with those who suffer. I learned how to accompany refugees in war zones in El Salvador, offering protection against military attack with my physical presence. I learned how to be accompanied

when my work in Central America became the catalyst for my own healing from years of emotional, sexual and physical abuse, primarily at the hands of my mother." Linda Crockett Combining the personal narrative of a survivor of incest with stories from El Salvador's bloody civil war in the 1980s, *The Deepest Wound* demonstrates that victims of sadistic childhood abuse share common ground with survivors of political torture. It explores the social conditions that foster private and public war zones, and the cultural dynamics that impede healing from individual and collective trauma. Offering the concept of "accompaniment" as a new paradigm for healing, Crockett challenges readers to consider complex issues such as touch within the therapeutic alliance, the delicate and dangerous dance of relationship between survivors and supporters, and the difficulty inherent in accepting even basic medical treatment. Teaching those who accompany her lessons absorbed from Salvadoran peasants about healing from trauma, Crockett offers new hope for survivors and for those who walk with them.

A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals - U.S. Department of Health and Human Services 2019-11-23

This publication was developed through a systematic and innovative process in which clinicians, researchers, program and administrative managers, policymakers, and other Federal, State, and independent experts were brought together for a series of intensive sessions. These individuals reviewed and discussed current administrative and clinical practices for treating substance-abusing lesbian, gay, bisexual, and transgender (LGBT) individuals and then wrote and edited the resulting document. The goal of this process was to improve and advance substance abuse treatment for a community of individuals whose

Journey Toward Complete Recovery Reclaiming Our Emotional Spiritual And Sexual Wholeness

health care needs are often ignored, denigrated, or denied.

A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals - 2001

The Path to Wholeness - Carol Tuttle 1993

BLOOM - Lyra Adams 2020-07-24

Do you ever feel you are walking against the wind? Are you ready to experience expansive relief from mental and emotional suffering? Coming to a higher level of wholeness and healing is entirely possible. You can still live your best life ever! Why is it important that sexual abuse survivors heal? There are a myriad of mental and physical health challenges that can present for those hurt in this way. Additionally, emotional patterns need to be examined and remedied so they can live a fulfilling life. Sadly, the suicide rate is high among survivors who do not heal. For some, addictions become a way of coping with feelings they do not want to experience in everyday life. Another set of compelling reasons to heal is victims of sexual abuse tend to either become self destructive or turn aggressive toward others. Many survivors heal to a degree, yet never fully reach a whole state where they can experience a full and beautiful life. With over twenty chapters, this book covers every aspect of emotional healing from sexual abuse. Real life methods are given for not only coping, but thriving. Holistic helpers are revealed that can speed the recovery of emotional wounds as you transform with nature. Lyra Adams, host of the podcast *Breaking Free - Healing the Emotional Effects of Sexual Abuse*, has put forth this beautiful guidebook for those trying to see light at the end of the tunnel. Recovery is possible

and probable when you take the hand of someone who has walked some of the same roads you have in life. "My hope is that my sisters and brothers affected by sexual abuse will find these holistic methods of healing so beneficial they cannot help but bloom." ~ Lyra Adams Release Date: July 26, 2020 More Author Info at lyraadams.com

The Highlights of William James Towards Spiritual Recovery from Addictions Taken from the "Varieties of Religious Experience" - Jim G. 2011-04-29

The "Varieties of Religious Experience" is the most profound series of lectures to inspire the founding fathers of what is commonly know as the 12 program towards spiritual recovery from alcohol and drugs; to include eating disorders and gambling. The highlights of the James Lectures are the key references extracted and compiled by Jim G. to assist the recovering addict towards identifying a higher power that is personal to his or her own understanding. Added to the highlights, Jim G. gives a more contemporary narration with updated references and a comparison to the steps of recovery and other religious and philosophical schools of reality. It also points out the personal nature of mysticism to include prayer and meditation. Included is Jims' personal theory of how our life needs to be changed from a narcissistic self-arrogance to the altruistic sacrifice in helping others achieve eternal happiness. In so doing, God's personal grace changes our fear and anxiety into the peace of serenity; whereby the tear drops leave our eyes and we can live the remainder of our journey with acceptance towards heaven on earth.
