### **Second Chance** - Lainey Kaye 2013-09-30

I found myself standing at the entrance to my Sunset Beach mansion. The only thing odd about this scenario is that I, Kathy Wexler, wealthy heiress, was legally pronounced dead three months ago. Second Chance begins as Kathy, seeking justice for her demise, is suddenly transported back to earth as a cook for her evil husband, Brad, who got away with her murder and is living in luxury with his new girlfriend, Tiffany. Now, in a frumpy, overweight, older body, known as Mildred Benson, the former socialite confronts the outrage of her situation and becomes involved with cooking, murder and the handsome caretaker of the mansion next door. What will be the outcome of her paranormal experience and can she dodge danger long enough to keep her second chance from becoming her last chance.

### When an Alpha Purrs - Eve Langlais 2015-06-04

A lion's pride isn't defined only by those he commands but also resides with his hair, so when a human dares to butcher Arik's mane, he gets his revenge-and claims her as his mate. A billionaire CEO and leader of the largest East Coast pride, Arik is a ladies man and a lion. Used to commanding others, and obedience, he can't believe it when a hairdresser with tempting curves chops off a hunk of his precious mane. But her biggest mistake is in running from him. Run as fast as you can, little mouse, because this cat loves to chase-and pounce. Oh, and he also likes to nibble on tender bits. What he doesn't expect is to fall for a human woman, a woman who can make the impossible happen because everyone knows lions can't purr...until now.

### **A Halloween to Remember** - Trinity Blacio 2017-10-05

In *A Halloween to Remember*, Book Nine in #1 best-selling Amazon Romance writer Trinity Blacio's futuristic *Running in Fear* series, Halloween was supposed to be about monsters, treats and fun, but Shelly Glassgo has had enough of monsters to last her a lifetime. You would think that the threat of war around the corner would bring people together, but that was not the case. How could a big cat love a small wolf? Bo was tired, with the move, settling his people—and the new ones that were joining their den—it had all kept him too busy. He didn't see his Little Wolf's need and for that he would never forgive himself. But Bo was bound and determined to make sure her Halloween was filled with treats—three big ones—Argo, Buck and White Eagle. All Hallows' Eve came early for them: their marriage and mating would be one to remember, but it would seem the monsters have been awakened and were getting ready for the attack.

### **My Mate Shofiq** - Jan Needle 1978

Bernard didn't understand a lot of what he learned from Shofiq over the next while, but that didn't matter much. What did matter, what made him feel great, better than he had done for ages, was that they became mates, buddyroos, real muckers. It was even more amazing, because it came at just the right time.

Can this sexy lion shifter keep a fox like me safe? Wildcat Hi! I'm Molly. So far, my time as a Real Werewife has been a total disaster. I planned to write a book based on my time with the Alaska Bloodhounds, but I've been too shy to make a play for any of them. And my deadline is looming. When I find out wide receiver Graham Chase has been reading my super sexy romances, I'm intrigued. I might be in over my head with this dirty talking player, but this lynx shifter is ready to show me what romance is all about. Playing to Win Hi! I'm Shauna. Okay, that's not my real name. I'm on the run from some goons in Vegas over a gambling debt. My plan as a Real Werewife? Play the long game and never make it on screen. But when my past troubles catch up with me, Troy, Corey, and Steele prove they'll do whatever it takes to keep me safe and win my heart. Intercepting Christmas Hi! I'm Tessa. I'm the executive producer of The Real Werewives of Alaska and my husband managed to surprise me with taping our own episode of the show. But when a rival resurfaces from Cole's old wolf pack and threatens our family, it rivals any drama we've ever had on the show.
