Living in Love and Faith - The Church of England 2020-11-09

Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England - and of the worldwide Anglican Communion - are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two?

Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of Living in Love and Faith. The Living in Love and Faith book is accompanied by a range of free digital resources including films, podcasts and an online library, together with Living in Love and Faith: The Course, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

The Naked Truth - Osceola Thomas 2015-02-06

Have you ever wondered why society praises men for their sexual conquests but frowns upon promiscuous women? Have you ever asked yourself, "how did we arrive at this inequality of the genders?" With this book, the author give readers an in-depth look into the following, in an attempt to answer the above questions and more in a detailed and provocative manner: 1. Why the Bible is the most sexually provocative book on the planet 2. Why men and women are designed to be promiscuous 3. Why the only structure designed solely for sexual pleasure belongs to women 4. Why marriage is not a ceremony or exchanging of rings and vows 5. Why menstrual cycles, circumcision, and oral sex are the central themes of scripture 6. Why pornography grosses more than ABC, CBS, and NBC revenues combined This intriguing book on

male and female sexuality should be a part of every couple's library as it is guaranteed to challenge relationship paradigms and answer the hard questions that many relationship books avoid. The author invites the reader to imagine, himself/herself walking through paradise, innocent and free, without assumptions, essentially a clean slate not written upon with institutional ink. Imagine being free from society's gender roles and religions with truth engraved upon your heart. Imagine walking in the cool of the day, naked and unashamed, basking in the ambiance of an invisible source that fills all time and space. Now imagine in this place of bliss you are free to enjoy every experience nature affords. Embrace that thought for a moment. It is here in this place of paradise that biblical writers present us with an idea of marriage that is different from what we've grown accustomed to in the West. What marriage represented in its organic state will amaze you. Therefore, he communicates through this work, why men hide behind their genitals and how their sexual behavior speaks to the need to harmonize with the original intent of marriage. The book invites the reader to remove his/her institutional lenses and walk through Eden observing the natural order of relationships as they were in paradise.

Living in Love and Faith: The Course - 2020-11-09

Living in Love and Faith: The Course aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on Living in Love and Faith, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question: • What does it mean to learn together as followers of Jesus Christ? • How does our identity in Christ relate to sex and gender? • What kinds of relationships does God call us to? • Where do our bodies and sex fit in to all of this? • How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing

notes for those leading groups, the course also signposts the relevant sections of the Living in Love and Faith book as well as recommending films, podcasts and other digital resources available.

Marriage, for Equals - Shauna Howarth Springer 2012-02

Marriage, for Equals: The Successful Joint (Ad)Ventures of Well-Educated Couples pulls back the curtain on a number of dangerously misleading messages promoted in the media and popular press that encourage us to commit to ticking-time-bomb relationships. In addition to revealing the telltale signs of doomed relationships, this book also describes a form of marriage that is highly successful and deeply rewarding to many of the smartest women in this generation. To profile these relationships, Marriage for Equals draws from a poll of more than 1200 women, mostly Harvard graduates and their equally capable friends, who are working to create truly equal partnerships. The end result is a guidebook to a marriage of equals that offers a blunt, bold, and refreshingly truthful approach about what it takes to create and sustain an exceptional partnership. "With a combination of research, clinical insight, and plain good sense, author Shauna Springer sorts out the state of romantic love today, bursting more than a few myths in the process. For anyone confused about intimate relationships, this book offers a clear, highly readable, and entertaining road map." -- Dr. Benjamin Karney, Professor of Psychology, UCLA "A fresh look at love and marriage, stripping away the fantasies and revealing the realities, this book should be read by every person who is (or hopes to be) in love and/or married. While grounded in research, the concepts are presented in common sense terms and are presented in a way that is both entertaining and enlightening. I wholeheartedly recommend it." -- Peggy Vaughan, Author and Host of DearPeggy.com "The best predictor of well-being is a healthy and happy relationship. By drawing on clinical

experience and solid research, this wonderful book can help you realize your potential for well-being--and love." --Dr. Tal Ben-Shahar, Author of Being Happy Shauna Springer, Ph.D., earned her undergraduate degree in English Literature from Harvard University and her doctoral degree in Counseling Psychology from the University of Florida. She has particular expertise in marital counseling, stressor effects on marriage, trauma recovery, and women's issues.

Make Love Whenever Possible When

Married with Children - Leslie Kaplan 2009-09

"Make Love Whenever Possible When Married With Children" is playful and poignant with spirited vignettes like "Seduce your spouse with humor," "Be a flasher," and "Experience the post-vasectomy sexual renaissance." Leslie Mancillas and Peg Melnik teamed up to write the book based on the following prescription program for staying sane within the madness of family life: 1. Be an opportunist. Make love whenever possible. 2. Date your spouse. Don't put off dating for two decades until your kids are conveniently in college. 3. Tend to your spouse. Even adults need to be nurtured. 4. Plan for chaos. 5. Become a top-flight negotiator. Marriage is one long, unwieldy negotiation. Keep closing the deal. 6. Keep close to your spirit. Find ways to nurture yourself. The co-authors firmly believe couples are living their most challenging years when they have children under their roof. Parents inhabit a different world than do those without children, one ruled by the needs of small people. The sheer responsibility that comes with parenthood can, over time, complicate even the healthiest marriage. While the divorce rate in America is at an astonishing 62 percent, staying happily married with children is not an insurmountable challenge as long as you realize it requires a kind of vigilance. It requires perspective, insight and, most importantly, the energy to keep a strong connection with your spouse. The authors use wisdom and wit to detail valuable tips drawn from their own experiences both positive and negative. The book is broken into six chapters, with a series of vignettes approximately one to three pages in length. Some of the more visual scenes from the book include playing hooky with your spouse, renewing marriage vows at Notre

Dame and absent-mindedly driving to work with a plateful of cookies flying off the roof of the car, littering the road. Mancillas and Melnik's 100-page survival guide will no doubt be a compelling read, the best-selling bible for the married-with-kids crowd.

What's Character Got to Do with It? - Susanne M. Alexander 2004

Marriage Covenant Management: A Metamorphic Experience - James W. Dansby Sr. 2019-01-18

Relationships require people to connect on many compatibility levels. The erroneous belief that "opposites attract" holds true for forming enduring relationships is, in reality, little more than wishful thinking. Attracting opposites, incompatible in a number of areas, often fail to endure the reality of everyday life and commitment. Relationships based solely on the "opposites attract" phenomenon will, predictably, experience painful consequences. Since maintaining a successful relationship is dependent upon compatibility in areas of

personality, belief system, friends and family, communication, finance, education, health and nutrition, and need system, attraction toward someone can be more of a burden than a bonus.

Marriage, Bible, Violence - Saima Afzal 2023-10-01

Drawing on both biblical studies scholarship and practitioner experience, this book explores the disjuncture between complementarian accounts

of biblical marriage and intersections of marriage and violence in texts from Jewish and Christian Scriptures. This volume challenges authoritative complementarian claims to the Bible's allegedly clear and unequivocal directions on marriage. It refutes these claims with analysis of the muddled and often violent depictions of marriage in the Bible itself. Regular reminders show why such an exploration matters: that is, because recourse to the authority and 'plain meaning' of the Bible has had and continues to have impact on real people's lives. Sometimes, this impact is violent and traumatic, notably when the Bible is weaponised to justify intimate partner violence. This book explores a wide range of biblical texts and interpretations. Particular focus is placed on the influential pronouncements on 'biblical marriage' by the US Family Research Council and Council for Biblical Manhood and Womanhood. Textual analysis includes close focus on Genesis 1-3, Malachi 2, and Ephesians 5. This book will appeal to students of biblical studies and theology, as well as anyone interested in research-based activism and in how sacred texts are directed towards modern day-to-day life. It investigates 'marriage', 'the Bible' and 'violence', all of which play significant roles in public discourses and popular culture.

A Relationship Is a Living Thing - Russell Crescimanno 2009-04

Many marital relationships that dissolve could survive, and even thrive, if the couple realized that there is an art and science to love and intimacy, and were willing to learn and practice it. This involves learning how to experience the difference between our ego and our Self. Quieting the mind through meditation, using methods both traditional and "home made," is the key to this experience. It is the felt sense of the deep Self within that moves us to choose to be kind or considerate when our egos would have us behave otherwise. When we extend ourselves in friendship, a genuine fondness for one another begins to grow which then nurtures the soul of our relationship. Cultivating these qualities promotes deep, spiritual partnership and long term intimacy. This book offers both principles and practices for those who feel they may be ready to engage this kind of soul-centered learning. Russell Crescimanno, Ph.D.,

is Professor Emeritus at Piedmont Virginia Community College. He has been teaching courses in sociology for forty years. One in particular, called Marriage and Family Relations, became his passion as both his personal life and the climate of the culture regarding marriage and divorce changed over time. He has also been a student and practitioner of the science of meditation and Self realization for twenty years. This work has complemented his specialization in the sociology of knowledge and his desire to understand how society shapes human consciousness, and therefore our relationships. Motivated by the growing divorce rate in the country, the painful stories of so many students who come from "broken" homes, and the dissolution of his first two marriages he has been increasingly invested in learning what it takes to keep love alive - and what we now know is sure to deaden it.

Relationship Sanity - Mark B. Borg, Jr., PhD
2018-11-20

A vital guide to overcome the barriers to achieving intimacy and meaningful connection. People in resilient relationships are co-owners, experience reciprocity, and are better prepared to meet challenges authentically and effectively. In this sequel to the best-selling *Irrelationship*, the authors use examples from their clinical practice to review the concept of irrelationship and expand the DREAM Sequence, a tool used by affected couples to address perennial relationship issues. By mutually and mindfully viewing the relationship as a third entity, separate from each individual, couples will learn how to live in and with the ambiguity of empathy, intimacy, vulnerability, and emotional investment and view relationship sanity as a deliberate and joyful undertaking to maintain and deepen connection.

Intimacy: Missing "Peace" in the Puzzle of True Love & Close Relationships - Terrence Richburg
2013-06

So what do you do when this thing called life breaks down and falls apart at the seams? What happens when all your efforts to cope only bring temporary peace and contentment in the face of certain failure? How do you attempt to solve "the puzzle" and put all the pieces back together again? Explore the true power of intimacy as experienced in contemporary life situations. Examine its depth and dynamic application within human relationships and investigate why God's view of intimacy is so essential, both for today and for all eternity. Enter the world of "intimacy" at your own risk; you may just find exactly what you're looking for, or you might just find precisely what you weren't expecting. --- Regrettably, this weekend represented what had become somewhat of a perpetual routine for Chris and Amanda. It began sometime ago an appointment of intrinsic fate, habitual yet not apparent to them. Even so, with an air of understatement emerging, on this particular weekend things would prove to be just a little

different somehow, for they were destined to live in the impossible. Amanda and Christopher were about to encounter a miracle of incomparable proportions, both independently and together. This day of all days would prove to be the turning point the one day that would change their lives forever. Like a rope tightly woven of thin silk strands of time and suspended reaction, it all appears fragile at a glance and a stare. But its strength may only be recognized through a blind touch in the dark.

Sexual and Intimacy in Marriage - Kelvin D Ray
2022-09-08

Being intimate, emotionally attached, and supported is what intimacy in a relationship entails. It entails being able to communicate a wide range of ideas, emotions, and human experiences. It entails being honest and open about your feelings and ideas, letting down your guard (being vulnerable), and expressing to another person how you are feeling and what your hopes and dreams are. It takes time and work from both couples to establish and maintain intimacy, which is something that is built up over time. One of the most fulfilling experiences in a relationship might be learning to be intimate with someone you love. Intimacy can also be expressed through intellectual, recreational, economic, spiritual, artistic, crisis-related, and creative activities in addition to emotional and sexual intimacy (working as a team during tough times). We experience intimacy when we grow close to another person and feel comfortable that we are loved and accepted for who we are. Typically, children grow up close to their parents and to their peers. As adults, we desire intimacy in personal friendships, familial interactions, romantic partnerships, and other adult relationships. Click the button to grab this valuable book

A Biblical View On Relationships - Angelo Shamoon
2020-07-08

We live in a world today amongst brothers and sisters who are hurting. The result of depression in singleness, broken relationships, unhappy marriages, and lacking intimacy with children. Why does it have to be this way? The keyword here is relationships; lack of Christ-centered relationships to be exact! As a people, we have failed to live by the practical steps provided in Scripture and have opted for something else. We

have opted to do things our way and not God's way. It's no news now that we have failed with our flawed system, therefore, the sensible thing to do now embraces what the Bible offers. How to build true, supportive, personal, faith-building, and selfless relationships between men and women. This is what I desire to do for you through this book using God's Word as our ultimate authority - the Bible. The Bible is ultimately about relationships because that is who God is and so it is what we are made for. Relationships are the living breath of life by the Holy Spirit. We are not just to show love but have relationships of love in our marriages, in our single lives, and in every other relationship we have. God is calling us to possess a special

kind of Gospel empowered relationship with those around us that we cannot accomplish apart from His Holy Spirit. These kinds of relationships can be learned from and through the relationships we witness throughout Scripture and the advice we are taught around the good and the bad. This book provides a gentle walk-through the richness of Scripture in light of singleness, courtship and marriage. I pray that this book will help you unlock godly principals in your life so you can begin building on them to enjoy Gospel empowered relationships in all forms of relationship God provides for you. May God give us the desire and the ability to minister the types of relationships that adorn the Gospel and bring Glory to Him.
