The Prophet - Kahlil Gibran 2019-04-16

ALMUSTAFA, the chosen and the beloved, who was a dawn unto his own day, had waited twelve years in the city of Orphalese for his ship that was to return and bear him back to the isle of his birth. And in the twelfth year, on the seventh day of Ielool, the month of reaping, he climbed the hill without the city walls and looked seaward; and he beheld his ship coming with the mist. Then the gates of his heart were flung open, and his joy flew far over the sea. And he closed his eyes and prayed in the silences of his soul. BUT as he descended the hill, a sadness came upon him, and he thought in his heart: How shall I go in peace and without sorrow? Nay, not without a wound in the spirit shall I leave this city. Long were the days of pain I have spent within its walls, and long were the nights of aloneness; and who can depart from his pain and his aloneness without regret? Too many fragments of the spirit have I scattered in these streets, and too many are the children of my longing that walk naked among these hills, and I cannot withdraw from them without a burden and an ache.

Letters to Vera - Vladimir Nabokov 2014-09-25
GUARDIAN BOOKS OF THE YEAR 2014 No marriage of a major twentieth-century writer lasted longer than Vladimir Nabokov's. Vera Slonim shared his delight at the enchantment of life's trifles and literature's treasures, and he rated her as having the best and quickest sense of humour of any woman he had met. From their meeting in 1921, Vladimir's letters to his beloved Vera form a narrative arc that tells a forty-six year-long love story, and they are memorable in their entirety. Almost always playful, romantic, and pithy, the letters tell us much about the man and the writer; we see that Vladimir observed everything, from animals, faces, speech, and

landscapes with genuine fascination.

Heraclitus - Heraclitus 1962

A text and study of Heraclitus' philosophical utterances whose subject is the world as a whole rather than man and his part in it.

Belzhar - Meg Wolitzer 2014-10-09

I was sent here because of a boy. His name was Reeve Maxfield, and I loved him and then he died, and almost a year passed and no one knew what to do with me. A group of emotionally fragile, highly intelligent teenagers gather at a therapeutic boarding school where they are mysteriously picked for 'Special Topics in English'. Here, they are tasked with studying Sylvia Plath's *The Bell Jar* and keeping a journal. Each time the teens write in their diaries they are transported to a miraculous other world called Belzhar, a world where they are no longer haunted by their trauma and grief - and each begins to tell their own story. From internationally bestselling author Meg Wolitzer, and published by John Green's editor, Belzhar is a breathtaking and surprising story about first love, deep sorrow, and the power of acceptance. Entertainment Weekly's YA book of 2014 TIME Magazine's Top Ten YA of 2014 Kobo's best of 2014 Amazon's best books of 2014 'A story about what it means to lose someone, or something, you love. Twice.' The Dear Queen Journey - Sylvester McNutt, III 2015-01-19

After being ejected as collateral via my parent's breakup; After being lied to, cheated on and subtracted from all equations of love; I determined that things were not adding up any more. I knew that I deserved to be loved everyday, not only with words but with actions. I found a great deal of power in learning about love. I had been confused this whole time as I believed what we were all taught to believe as children - that love was something you find inside of another person. This journey allowed me to heal, forgive and accelerate my life towards love. Our journeys have different titles but we are all out here walking together toward the same goal. People with different skin tones, speech variations and socie-economic status all deserve love. This is The Dear Queen Journey: A Path To Self Love.

Happily Ever After & Everything In Between - Debbie Tung 2020-06-02

From the bestselling author of Quiet Girl in a Noisy World and Book Love comes a funny and adorable collection of comics about married life. From choosing a movie and sharing (or not sharing) dessert to snoring (naturally) and knowing when someone needs a cup of tea and a cozy blanket, Happily Ever After is the perfect gift for anyone in a relationship. The comics in Happily Ever After & Everything In Between may be inspired by Debbie Tung's marriage to her extrovert husband, but any couple can relate to increasingly relaxed anniversaries and slowly seeing more of each other's weird sides. Happily Ever After humorously captures what everyday love looks like—both the sweet moments and the

mundane—making it a fitting gift for weddings, anniversaries, and Valentine's Day.

Loud World, Quiet Thoughts - David Jones 2019-10-10

From the author of the best selling poetry collection Love And Space Dust and the writer behind the internationally famous poetry account @storydj comes a book about love, heartbreak, life - and how to survive all three amongst the noise of our modern world. Loud World, Quiet Thoughts is divided into two parts. The first consists of short prose, aphorisms and quotes focused on the deafening noise of the modern world; of social media, of television, and pressure. It embodies the endless anxiety of contrasting voices and white noise so loud that it drowns out our own thoughts. The second consists of beautiful poetry drawn from our quietest thoughts and the depths of our souls, thoughts about love and heartbreak and, most of all, hope. Above all else, Loud World, Quiet Thoughts is a book about reconciling the secret spaces of your heart with the white noise of the world outside.

Daring to Take Up Space - Daniell Koepke 2020-02-19

This is for anyone who needs a reminder that you deserve to take up space in the world and that you are enough. Daniell Koepke is the author behind the Internal Acceptance Movement (I. A.M.). In her first poetry collection, Daniell gives voice to the fear and anxiety, as well as the perseverance and strength, that has been fundamental to her own personal growth journey and the path to deeper and more meaningful self-love and acceptance. In her own words, this book is for "the 17-year-old Daniell who was convinced she was worthless; who was convinced she would never survive or amount to anything. This is for the friends and family who never stopped believing in and supporting her. This is for all the people who feel that they have to shrink and hide who they are in order to be loved and accepted and worth something.

The Books of Albion - Peter Doherty 2010-03
 "Poet, young and busy, seeks cheap spacious rooms somewhere. Excellent references available . . ." so reads a self-penned ad, a very early entry from Pete Doherty's journals. From the early books a fascinating and very entertaining picture emerges of the young poet, broke in London, serving popcorn at the Prince Charles Cinema, ruminating on Britpop, listening to Scott Walker, but dreaming of creating a band infused with 'the spirit of Albion'. The later books reflect Pete's rise to fame, his changing world, and are full of artwork, photographs, notes and thoughts. It is

intimate, honest stuff, very readable and very funny in places; pretty dark in others. All in all it's the work of a serious artist, a complete antidote to most things written about Doherty. These twenty-odd books - edited and condensed into one volume - are filled with poems, drawings, personal reflections, lyrics and collages, and is a powerfully compelling collection.

The kind that helps you appreciate the night sky again.

Chasers of the Light - Tyler Knott Gregson 2015-10-01

I would love to say that you make me weak at the knees, but to be quite upfront and completely truthful, you make my body forget it has knees at all. One day, while browsing an antique store in Helena, Montana, photographer Tyler Knott Gregson stumbled upon a vintage Remington typewriter for sale. Standing up and using a page from a broken book he was buying for \$2, he typed a poem without thinking,

without planning, and without the ability to revise anything. He fell in love. Three years and almost one thousand poems later, Tyler is now known as the creator of the Typewriter Series: a striking collection of poems typed onto found scraps of paper or created via blackout method. Chasers of the Light features some of his most insightful and beautifully worded pieces of work-poems that illuminate grand gestures and small glimpses, poems that celebrate the beauty of a life spent chasing the light.

Changing with the Tides - Shelby Leigh 2022-07-12

TikTok poet Shelby Leigh presents a moving and inspirational collection of poetry about growing up and embracing all the beauty life has to offer. The perfect gift for fans of Rupi Kaur, Connor Franta, and Cleo Wade. Shelby Leigh breaks up her poignant and reflective poetry collection into two themes: the anchor and the sail.
