Making Love Barry Long 1998 Is your love-life heaven or hell? Where is God in the act of love? Divine love is not an elusive dream. With this program of tantric teaching, you can practice freedom from sexual unhappiness and obtain mutual joy in sexual union. Barry Long's western tantra is a step-by-step revelation to woman of what she knows love to be -- but so rarely and fleetingly embodies. It is a reeducation of male sexuality to make man more worthy of woman's love. Dealing frankly with common sexual problems, the author offers a practical, down-to-earth guide to the transcendent mystery of sexual union.

The Four Loves C. S. Lewis 2023-11-20 *The Four Loves* is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God."

Our Bodies Tell God's Story Christopher West 2020-01-21 In response to a world awash in sexual chaos and gender confusion, this book offers a bold and thoroughly biblical look at the meaning of the body, sex, gender, and marriage. Bestselling author, cultural commentator, and popular theologian Christopher West is one of the world's most recognized teachers of John Paul II's Theology of the Body. He specializes in making this teaching accessible to all Christians, with particular attention to evangelicals. As West explains, from beginning to end the Bible tells a story of marriage. It begins with the marriage of man and woman in an earthly paradise and ends with the marriage of Christ and the church in an eternal paradise. In our post-sexual-revolution world, we need to remember that our bodies tell a divine story and proclaim the gospel itself. As male and female and in the call to become "one flesh," our bodies reveal a "great mystery" that mirrors Christ's love for the church (Eph. 5:31-32). This book provides a redemptive rather than repressive approach to sexual purity, explores the true meaning of sex and marriage, and offers a compelling vision of what it means to be created male and female. Foreword by Eric Metaxas.

Love Thy Body Nancy R. Pearcey 2018-01-02 Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are

irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate University; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute

Finding God Through Sex David Deida 2005-05-01 When it comes to sex, most of us want more. The question is: more of what? According to David Deida, when the depth of intimacy you've been experiencing is no longer fulfilling to your heart and body—when you sense that sexuality should go far beyond an embrace of brief satisfaction—the time has come to explore your unique sexual path to the divine. In *Finding God Through Sex*, this brilliant writer and internationally renowned expert on spiritual sexuality presents a revolutionary new way to love—one in which sex literally becomes an erotic act of devotional surrender, "making love, magnifying love, from the boundless depth of your heart through every inch of your body and in merger with your lover." Through provocative vignettes that illuminate the many moods that color lovemaking, and direct instruction that speaks honestly to the masculine and feminine desires within each of us, Deida brings wisdom gained from 30 years' work with thousands of couples to illustrate the distinct yet complementary avenues men and women can skillfully travel toward untamed passion and sacred unity. What unfolds is an unparalleled road map to the place where we "love as the cosmos loves: One loving itself as an other, yet remembering itself as One."

The Soul of Sex Thomas Moore 1998 This superb new volume is addressed to everyone interested in hope, regardless of their religious or philosophical beliefs. Glenn Tinder, one of our most astute and creative thinkers, probes the failure of modern, secular hope and shows, with great sensitivity and openness, why the tenets of Christian faith offer a true and meaningful source for hope amid the widespread distress, confusion, and despondency of contemporary life. From *The Critics* Jean Bethke Elshtain Glenn Tinder argues compellingly that modern despondency flows from a collapse of unreasonable optimism about our individual and collective prospects. By contrast to despondency and brittle optimism, Tinder calls for a renewal of hope. Framed by Christian belief, Tinder's elegant essay reaches out to appeal to all men and women troubled by our current condition. A

beautifully written and touching work. Michael Novak Tinder's weighty essay on the nature, spirituality, and politics of hope offers an illuminating perspective on a central pillar of civilization. Mary Ann Glendon "A pristine intellectual and spiritual achievement by one of the most penetrating thinkers. of our day" Richard John Neuhaus "With this essay Tinder once again vindicated his reputation as one of the most incisive thinkers and graceful writers working today. His is a most powerful argument that only a hope that has come to terms with all the reasons for despair can sustain us into a future that we do not and cannot control. Tinder's wisdom is in knowing that attention to first things requires facing up to last things."

Love Divine Jordan Wessling 2020-06 Love Divine provides a systematic account of the deep and rich love that God has for humans. While the associated theological territory is vast, the objective is to contend for a unified paradigm regarding fundamental issues pertaining to the God of love who deigns to share His life of love with any human willing to receive it. Realizing this objective includes clarifying and defending specific conclusions concerning how the doctrine of divine love should be approached, what God's love is, what role love plays in motivating God's creation and subsequent governance of humans, how God's love of humans factors into His emotional life, which humans it is that God loves in a saving manner, what the punitive wrath of God is and how it relates to God's love for humans, and how it might be possible for God to share the intra-trinitarian life of love with human beings. As the book unfolds, the chapters interlock and build upon one another in the effort to trace nodal issues related to God's love as it begins in Him and then spills out in the creation, redemption, and glorification of humanity--a kind of exitus-reditus structure that is driven by the unyielding love of God.

Love Goddesses of the Tantra Matthew Martin 2016-01-01 This book is about spiritual tantric love. It is not a tantric sex how-to-do-it manual, though it does show new ideas and ways to experience the love relationship and the love ritual. This book does not contain any sexual images, though it does contain tantric metaphor and figurative language. This book is more about unique kinds of experience - different perspectives, attitudes, and ways of being in the love ritual. It is about different ways of loving and different kinds of lovers. Moreover, it's about understanding oneself and the other. The emphasis is mostly on increasing one's understanding of the spiritual powers and energies potentially involved in the love-sex experience, and also having an attitude of spontaneity and exploration, so that we are always in wonder and discovery in the magic of love. Yet any real learning about this whole subject, as well as any increase of one's love powers, will have to come from personal experience - from exploration and discovery. So all that this teaching can provide are ideas and suggestions to explore. This book is primarily about the powers and qualities of Goddesses - in relation to sexual love and the love ritual. Our main focus here is on four love Goddesses, their unique powers and qualities, as well as their unique attitudes and approaches in the love-sex relationship, as manifested through a woman. These goddesses can also be understood as love archetypes; each with a distinctly unique power and quality, attitude and approach. Each woman will recognize at least one of these goddesses in her self-experience, perhaps even a few, or maybe all four goddesses in varying degrees. Part Two focuses on the spiritual sacredness of each other, in love and in love-making, and how to spiritually experience one another as manifestations and expressions of the Great Divine. In this are ideas and ways to greatly enhance and spiritualize the love experience for both lovers, woman and man. The man will begin to see his woman lover as the expression of one of the Love Goddesses, or even as the Goddess Herself. He will experience the woman as the Goddess loving him, and he will be worshiping and devoting himself to Her. Likewise, the woman will begin to see her man lover as the expression of the Divine Love God. She will be the Divine Attraction and he the Divine Force. He will be the Divine loving her, and she will be the Divine loving him. Then both will come back into Union as One. Part Three focuses on the Great Goddess Shakti and her spiritual love relationship with the Great God Shiva. Tantric love, at its heights of realization, is the love play and enjoyment between Shiva and Shakti, and their eventual re-union as being really One Being. Here we find juicy love metaphors at its erotic depths. The goddesses, Kali and Maya, also come into this love play.

Making Love to God Tina Louise Spalding 2013 Because you do not accept what you are, an immortal being having a creative experience with body, you cannot find that which you seek so desperately. Your misteachings about sexuality and God keep you from integrating sexual energies with God energies in any meaningful way, and so the path to heaven on earth through blissful sexual union eludes you to a great extent. The sexual energies of the ego are leading you to a dark and dangerous precipice, and we wish to call you back - back to love and the loving, kind, fulfilling, and glorifying expressions of spiritual love, your true salvation. We are here to teach the way to divine bliss, and we know you are scared - scared to lie naked caressing your lover with rapt attention and honor. We know you are scared to kiss and kiss and connect, to feel such deep connection and pleasure that the ego starts to get very nervous, sensing the threat to the wellguarded and limited access to your heart that it deems to be safe.

Concentrates Traumear 2017-11-14 A few short (minimalist) treatments of some everyday notions. The reader is invited to derive some satisfaction from having his visual field limited to a regular five or six lines at a time. The idea for this concentration of prose, similar to verse, rose out of thoughts on minimalism. For the writer it is a concentration-device.

The Chemistry Between Us Larry Young PhD 2012-09-13 How much control do we have over love? Much less than we like to think. All that mystery, all that poetry, all those complex behaviors surrounding human bonding leading to the most life-changing decisions we'll ever make, are unconsciously driven by a few molecules in our brains. How does love begin? How can two strangers come to the conclusion that it would not only be pleasant to share their lives, but that they must share them? How can a man say he loves his wife, yet still cheat on her? Why do others stay in relationships even after the romance fades? How is it possible to fall in love with the "wrong" person? How do people come to have a "type"? Physical attraction, jealousy, infidelity, mother-infant bonding—all the behaviors that so often leave us befuddled—are now being teased out of the fog of mystery thanks to today's social neuroscience. Larry Young, one of the world's leading experts in the field, and journalist Brian Alexander explain how those findings apply to you. Drawing on real human stories and research from labs around the world, *The Chemistry Between Us* is a bold attempt to create a "grand unified theory" of love. Some of the mind-blowing insights include: Love can get such a grip on us because it is, literally, an addiction. To a woman falling in love, a man is like her baby. Why it's false to say society makes gender, and how it's possible to have the body of one gender and the brain of another. Why some people are more likely to cheat than others. Why we sometimes truly can't resist temptation. Young and Alexander place their revelations into historical, political, and social contexts. In the process, they touch on everything from gay marriage to why single-mother households might not be good for society. *The Chemistry Between Us* offers powerful insights into love, sex, gender, sexual orientation, and family life that will prove to be enlightening, controversial, and thought provoking.

Tantric Sex Lauren RICHARDSON 2020-04-23 Areyou looking for a guide to start practicing tantric sex? Then keep reading... A typical fantasy sex scene is conjured up in the mind. The setting is perfect; soft lighting, light aromas. A man may be muscle-bound, physically strong, tall and handsome, incredibly romantic, and a woman may be aesthetically beautiful, slim with perky breasts, smooth skin, and soft hair, wet and waiting. The sex itself is spontaneous and powerful. He bursts through the door and she is waiting for him in nothing but one of his work shirts. He gingerly picks her up by the waist and she wraps her legs around him as he carries her to the bedroom to make love to her for hours, but they are so impassioned that they don't make it -- and wind up ripping into each other on the staircase on the way up. A typical run-of-the-mill sex scenario between a long-term married couple may be that one partner is stressed from a long day at work and wants to get some sexual release before heading to bed, while the other would rather just read their book in peace, go to sleep unbothered and worry about sex some other time when they are in the mood. In order to avoid conflict and disappointment, one partner gives in to the others desires and the same old sex takes place in the same old bed underneath the same old covers in the same old boring positions; eyes closed and lights off... boring! When sex becomes too boring and too routine, rather than being aroused and looking forward to pleasing and being pleased, people "give up". They wonder how much longer they have to engage in foreplay before it is okay to get to the orgasm. Sometimes people also take issues from outside the bedroom into it, maybe thinking "I'm still mad at him/her from earlier, why on Earth would I give sexual pleasure right now"? Sometimes other insecurities and issues can come into play as well. Maybe there is a problem with premature ejaculation so the other partner rarely reaches their peak, and the focus is just on "getting the job done" so they can move on to other more interesting and engaging activities (like sleep)! Either way, if the sex exists at all, it is brief, goal (orgasm) oriented and is over as quickly as possible. You will find some of the tips on Tantric Sex in the chapters of this book that include: Understanding what tantric philosophy is Meaning of love and sex for Tantra philosophy - intimacy Divine sex in Hinduism Advantages and differences with traditional sex How best to prepare your mind and body for tantric sex using techniques for foreplay, massage, and masturbation Tantra exercises and massages for sexual fulfillment of couples Emotional and cultural consent: what it is and why it matters Reaching ecstasy and the importance of orgasm Desires Positions And Techniques Improve Tantric Sex With These Tips Considerations and facts about tantric sex you should know about As there is no goal of orgasm, there is no pressure or pushing to reach the end of the session -- only the goal of creating intensity and pleasure together. All of the information regarding tantric sex is now waiting for you, now click the buy button now!

Making Love Barry Long 2006-11-15 This audio book (2 CDs) is the text of Barry Long's ground-breaking book with the same title, read by the author. Long maintained that his speaking voice transmitted more of the truth behind his words than the printed page alone - and this is more noticeable with such an intimate subject as sexual love. Beginning with an almost mythical account of what love was like when mankind was new to this planet, Long lays bare the dishonesty which infects sexual love today. He then gives us a lesson in right love-making, describes the difference between love and sex and offers advice about common sexual problems.

Transcendent Sex Jenny Wade 2004-04-06 IT'S NOT JUST SEX. IT'S NOT JUST LOVE. IT'S SOMETHING MORE.... But what could be better than sex? How about lovemaking that sweeps people into new realities, producing altered states of consciousness a thousand times more powerful than the most earth-shattering orgasm? Lovemaking so spectacular that it truly is a religious experience? Transcendent Sex is not about the "Tantric method." It is about the best-kept secret in human history: that ordinary people, with no special training, can find themselves in different spiritual realms when making love -- an experience so profound that nothing will ever be the same. It is about sex that triggers episodes identical to the highest spiritual states -- as described in the annals of shamanism, yoga, Buddhism, Christianity, Judaism, and Islam -- including visions, channeling, reliving past lives, transcending the laws of physics, and seeing the face of God. This revealing book tells of lovers who engaged in sex as usual and suddenly found the veil between the worlds torn open. Transcendent Sex, like any other spiritual awakening, changes lives. Atheists have become believers; long-standing psychological wounds have been healed; and the sexually abused have become whole. These are the inspiring, incredible true stories of people who experienced an ecstasy and fulfillment beyond the borders of this world.

Tantric Sex for Men Diana Richardson 2010-06-18 A revolutionary approach to male sexuality offers the keys to achieving sexual fulfillment • Teaches how to retain semen for increased vitality and longer lovemaking • Explains the relationship-strengthening benefits of deep, sustained penetration • Includes foreplay approaches and position sequences Fulfilling sex nourishes love, increases vitality, and boosts mental health. Unfortunately, prevailing attitudes about male sexuality and what is good sex work against these innate features by focusing on the excitement of ejaculation as the one and only goal. Using the tantric guidelines they have practiced for more than 25 years, Diana and Michael Richardson show men how to move beyond their preconceptions of sex as a goal-oriented--and often unintentionally stressful--event so they can relax into sex as a meditative union of complementary energies. They explain how retaining semen allows for increased vitality and extended lovemaking sessions and show the relationship-strengthening benefits of deep, sustained penetration. They also explain how to perform soft penetration and how to avoid premature ejaculation. Tantric Sex for Men includes tried-and-true foreplay approaches, diagrams of sexual position sequences, ways to increase sexual sensitivity through awareness, and how to have ecstatic experiences through reaching a woman's body on a sexually deeper level. The authors also demonstrate how the sexual organs can be used to heal both men and women physically, emotionally, and spiritually.

Making Sense of Sex Adrian Thatcher 2012-06-21 All living creatures are sexed. Human beings belong to societies where traditions about who can

have sex with whom, and how, and when, are centuries old. Making sense of sex assumes that there is a rational way of understanding our basic drives. But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex. The Christian tradition, especially in its conservative forms, is often thought to be unhelpful in making sense of sex. Christian sexual ethics may seem overly demanding: holistic in theory, yet sexist and pessimistic in practice. Adrian Thatcher argues, however, that instead of being pessimistic about sex, Christians can be grateful realists instead. *Making Sense of Sex* draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality. Exploring topics such as desire, bodies and the Body of Christ, sexual difference, homosexuality, marriage, and Paul's reflection on 'flesh' and 'spirit', it will help to guide readers towards a spiritual understanding of shared sexual love.

The Way In Barry Long 2000 *The Way In* is an anthology of statements about the spiritual life, each one challenging preconceptions and responding to the hunger for real answers. It gives sound advice about false trails on the spiritual path and practical teachings for the Ways of Truth, Love, Stillness and Prayer. The section on the 'Way of Stillness' contains the text of the Audio Book 'Start Meditating Now'. 'The Way of Love' supports the teachings in Barry Long's best-seller 'Making Love : Sexual Love the Divine Way'. It is the best survey in one volume of all the practical aspects of Barry Long's teachings and recommended as an inspiration to anyone, whatever their spiritual background.

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

The Heart of Tantric Sex Diana Richardson 2010-05-11 After many years of exploration, Diana Richardson found that the ancient practice of Tantra, with its unique, intelligent approach to sex, had the effect of enhancing intimacy and deepening love. Here she has adapted Tantra for modern Western lovers in a practical, sympathetic way. *Tantric Sex* can transform your experience into a more sensual, loving and fulfilling one.

Revelations of Divine Love Julian of Norwich 2014-03-11 *The Revelations of Divine Love* (which also bears the title *A Revelation of Love* — in Sixteen Shewings above the first chapter) is a book of Christian mystical devotions written by Julian of Norwich. It is believed to be the first published book in the English language to be written by a woman. At the age of thirty, May 13, 1373, Julian was struck with a serious illness. As she prayed and prepared for death, she received a series of sixteen visions on the Passion of Christ and the Virgin Mary. Saved from the brink of death,

Julian of Norwich dedicated her life to solitary prayer and the contemplation of the visions she had received. She wrote a short account of her visions probably soon after the event. About twenty or thirty years after her illness, near the end of the fourteenth century, she wrote down her visions and her understanding of them. Whereas Latin was the language of religion in her day, Julian of Norwich wrote in a straightforward Middle English, perhaps because she had no other medium in which to express herself (she describes herself as a simple creature unlettered, Rev. chap. 2).

Divine Sex Philo Thelos 2003 This modern re-examination of the Bible's references to sex strips away illegitimate religious tradition, to reveal that God views sexual pleasure as a blessing to humanity.

Divine Sex Jonathan Grant 2015-07-14 The digital revolution has ushered in a series of sexual revolutions, all contributing to a perfect storm for modern relationships. Online dating, social media, internet pornography, and the phenomenon of the smartphone generation have created an avalanche of change with far-reaching consequences for sexuality today. The church has struggled to address this new moral ecology because it has focused on clarity of belief rather than quality of formation. The real challenge for spiritual formation lies in addressing the underlying moral intuitions we carry subconsciously, which are shaped by the convictions of our age. In this book, a fresh new voice offers a persuasive Christian vision of sex and relationships, calling young adults to faithful discipleship in a hypersexualized world. Drawing from his pastoral experience with young people and from cutting-edge research across multiple disciplines, Jonathan Grant helps Christian leaders understand the cultural forces that make the church's teaching on sex and relationships ineffective in the lives of today's young adults. He also sets forth pastoral strategies for addressing the underlying fault lines in modern sexuality.

The Four Loves C. S. Lewis 2018-07-26 *The Four Loves* by C. S. Lewis We hear often that love is patient and kind, not envious or prideful. We hear that human love is a reflection of divine love. We hear that God is love. But how do we understand its work in our lives, its perils and rewards? Here, the incomparable C. S. Lewis examines human love in four forms: affection, the most basic, general, and emotive; friendship, the most rare, least jealous, and, in being freely chosen, perhaps the most profound; Eros, passionate love that can run counter to happiness and poses real danger; charity, the greatest, most spiritual, and least selfish. Proper love is a risk, but to bar oneself from it-to deny love-is a damning choice. Love is a need and a gift; love brings joy and laughter. We must seek to be awakened and so to find an Appreciative love through which "all things are possible." We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print

for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Finding God Through Sex David Deida 2011-01-26 Drawing on David Deida's own history of sexual spiritual practice, *Finding God Through Sex* presents a highly unconventional, liberating, demanding, blissful picture of what spiritual intimacy can be.

The Power of Divine Eros A. H. Almaas 2013-09-17 Two innovative spiritual teachers show how to use desire and passion—eros—as a gateway to realizing our fullest potential. What do desire and passion have to do with our spiritual journey? According to A. H. Almaas and Karen Johnson, they are an essential part of it. Conventional wisdom cautions that desire and passion are opposed to the spiritual path—that engaging in desire will take you more into the world, into egoic life. And for most people, that is exactly what happens. We naturally tend to experience wanting in a self-centered way. *The Power of Divine Eros* challenges the view that the divine and the erotic are separate. When we open to the energy, aliveness, spontaneity, and zest of erotic love, we will find it inseparable from the realm of the holy and sacred. When this is understood, desire and passion become a gateway to wholeness and to realizing our full potential. Through guided exercises, the authors reveal how our relationships become opportunities on the spiritual journey to express ourselves authentically, to relate with openness, and to discover dynamic inner realms with another person. Through embodying the energy of eros, each of us can learn to be fully real and alive in all of our interactions.

Living in Love and Faith: The Course 2020-11-09 *Living in Love and Faith: The Course* aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on *Living in Love and Faith*, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question: • What does it mean to learn together as followers of Jesus Christ? • How does our identity in Christ relate to sex and gender? • What kinds of relationships does God call us to? • Where do our bodies and sex fit in to all of this? • How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing notes for those leading groups, the course also signposts the relevant sections of the *Living in Love and Faith* book as well as recommending films, podcasts and other digital resources available.

The Road To The Great Cosmic Mother Avivah Moreland-El 2008-03 This book is about situations we all have had, or will go through literally in life that will either transform our minds or allow us the opportunity to have other situations that will. The need to know yourself and your purpose for being here is the key point of the journey. The book shares that in life we all have stories, adventures, even tragedies that we feel are real. We have them but we are not them. The chapters describe the high roads and the low roads of love, sex, relationships, talents, servitude and gratitude. Ultimately the book pronounces the importance of the male and female balance. It reintroduces the significance of The Woman, The Mother, The Female and her presence in the world. She is the focal point of this book. Due to the patriarchal dominance for so long, this book is written to cause thoughts of what the world would be like when the balance of both male and female energy is in total harmony without, dominance, control and power for the gratification of the false ego verses the higher sense of being.

Tantric Sex Lauren Richardson 2020-11-02 Are you looking for a guide to start practicing tantric sex? Then keep reading... A typical fantasy sex scene is conjured up in the mind. The setting is perfect; soft lighting, light aromas. A man may be muscle-bound, physically strong, tall and handsome, incredibly romantic, and a woman may be aesthetically beautiful, slim with perky breasts, smooth skin, and soft hair, wet and waiting. The sex itself is spontaneous and powerful. He bursts through the door and she is waiting for him in nothing but one of his work shirts. He gingerly picks her up by the waist and she wraps her legs around him as he carries her to the bedroom to make love to her for hours, but they are so impassioned that they don't make it -- and wind up ripping into each other on the staircase on the way up. A typical run-of-the-mill sex scenario between a long-term married couple may be that one partner is stressed from a long day at work and wants to get some sexual release before heading to bed, while the other would rather just read their book in peace, go to sleep unbothered and worry about sex some other time when they are in the mood. In order to avoid conflict and disappointment, one partner gives in to the other's desires and the same old sex takes place in the same old bed underneath the same old covers in the same old boring positions; eyes closed and lights off... boring! When sex becomes too boring and too routine, rather than being aroused and looking forward to pleasing and being pleased, people "give up". They wonder how much longer they have to engage in foreplay before it is okay to get to the orgasm. Sometimes people also take issues from outside the bedroom into it, maybe thinking "I'm still mad at him/her from earlier, why on Earth would I give sexual pleasure right now"? Sometimes other insecurities and issues can come into play as well. Maybe there is a problem with premature ejaculation so the other partner rarely reaches their peak, and the focus is just on "getting the job done" so they can move on to other more interesting and engaging activities (like sleep)! Either way, if the sex exists at all, it is brief, goal (orgasm) oriented and is over as quickly as possible. You will find some of the tips on *Tantric Sex* in the chapters of this book that include: Understanding what tantric philosophy is Meaning of love and sex for Tantra philosophy - intimacy Divine sex in Hinduism Advantages and differences with traditional sex How best to prepare your mind and body for tantric sex using techniques for foreplay, massage, and masturbation Tantra exercises and massages for sexual fulfillment of couples Emotional and cultural consent: what it is and why it matters Reaching ecstasy and the importance of orgasm Desires Positions And Techniques Improve Tantric Sex With These Tips Considerations and facts about tantric sex you should know about As there is no goal of orgasm,

there is no pressure or pushing to reach the end of the session -- only the goal of creating intensity and pleasure together. All of the information regarding tantric sex is now waiting for you, now click the buy button now!

Divine Sex Caroline Aldred 2000 Divine Sex shows the reader how to heighten sexual awareness, increase intensity, and bring a new dimension to sex and sexuality.
