

Relationship Fundraising A Donor Based Approach To The Business Of Raising Money

Donor Retention - Roger M. Craver 2014-08

There are eight main reasons why donors stop supporting organizations. Do you know them? You will after reading *Retention Fundraising: The New Art and Science of Keeping Your Donors for Life*. For three years, pioneering fundraiser Roger Craver immersed himself in a study of nonprofits in the U.S. and the U.K. His singular aim was to uncover why donors quit an organization and what can be done to make them stay. Some quick figures show why Craver's book on donor retention is timely: -If yours is a typical organization, you have a 60 to 70 percent chance of obtaining an additional gift from an existing donor. -You have a 20 to 40 percent chance of obtaining an additional gift from a recently lapsed donor. -But you have less than a 2 percent chance of obtaining a gift from a prospect. That bears repeating: The average organization has less than a 2 percent chance of securing a gift from a prospect. So one thing is glaringly obvious. The bulk of an organization's fundraising expenditures should be aimed at strengthening relationships with existing donors, not in acquiring new givers (though there's still a role for that, of course). Through painstaking research, Craver has singled out the exact ways an organization can deepen donor commitment. There are, he learned, seven key "drivers" that matter most to donors. These "drivers" - ranging from meaningful appreciation to opportunities for authentic involvement - have a direct cause-and-effect relationship. Move your donors from low to high commitment, and their giving will increase dramatically. Best of all, responding to what your donors want isn't costly, as Craver shows in real-life examples. There's gold in your current donors waiting to be mined. And in *Retention Fundraising*, Roger

Craver has drawn a detailed map to those riches.

Relationship Fundraising - Ken Burnett 1992

A donor-based approach to the business of raising money.

The Routledge Companion to Marketing and Society - Krzysztof Kubacki 2022-08-25

The *Routledge Companion to Marketing and Society* focuses on marketing for social impact as the use of marketing strategies, tools and techniques to improve the well-being of society. As such it does not exclude the use of marketing to increase profit and shareholder value but rather prioritises the social impact of marketing, both positive and negative (even if largely unintended). This companion is a scholarly reference providing an overview of marketing for social impact in terms of its current and emergent themes, debates and developments, as well as reflections on the future of the field. Using marketing tools and techniques for social impact is commonly accepted as an effective commercial strategy (e.g. corporate social responsibility, cause-related marketing) and increasingly accepted as an approach to planned social transformation that can be used to influence positive social change in behaviours such as recycling, healthy eating, domestic violence and human trafficking. This reference volume serves as an authoritative and comprehensive statement on the state of contemporary scholarship focusing on the diverse subject of the social impact of marketing. It features 25 chapters written by international subject specialists within six themed sections, including consumer issues, marketing tools, commercial marketing and non-profit marketing. It will find a global audience of scholars and researchers within marketing and cognate

fields, interested in using marketing tools and techniques to create social impact in areas such as public health, social and behaviour change communication, sociology and cultural studies.

Winning Gifts - Thomas C. Wilson 2008-04-04

The secret to getting gifts and making donors feel like winners. Know the best approaches to people-centered fundraising. Understand the role of executive director, fundraisers, program managers, and volunteers in the win-win framework, the importance of listening, the case for a donor-centered approach, and the direct ways these concepts can be applied in a variety of fundraising settings. Includes numerous real-world examples taken from the author's own experience as chief philanthropy officer in nonprofits and as a leader in a well-known national nonprofit consulting company. Thomas D. Wilson is the vice president and western regional manager for Campbell & Company. His career in fundraising spans more than 25 years and includes building successful campaigns from inception, reinvigorating stalled initiatives, and board/staff training.

Building Donor Loyalty - Adrian Sargeant 2004-09-13

Publisher Description

Donor-centered Fundraising - Penelope Burk 2003

"Working from research conducted over six years with hundreds of charities and donors, 'Donor-Centered Fundraising' paints a candid picture of why donors stop giving to charities they once supported, and what it will take to preserve their loyalty in the future. In clear language and backed by statistical evidence, Penelope Burk explores the pitfalls of our traditional approaches to donor communication and recognition and articulates what donors want but seldom get from the charities they support. The book features straightforward and accessible calculations that show how much money charities are failing to raise, and offers a step-by-step procedure for testing a donor-centered alternative and gaining its acceptance in any organization."--From publisher description.

Relationships Raise Money - A Guide to Corporate Sponsorship -

Roberto C. Candelaria 2011-10-01

"[Relationships Raise Money]... is a step-by-step guidebook to unravel the mystery of how Sponsorships work - AND - a manual that will give you

the confidence to approach any sponsor with integrity and a Win-Win attitude." Barry Spilchuck, Founder, You're My Hero Books You've waited long enough to learn the secrets to securing corporate sponsorship. Relationships Raise Money: A Guide to Corporate Sponsorship will reveal what you need to know. This book will help you: Create effective campaigns Understand what can be sponsored Create sponsorship campaigns that get results Measure the effectiveness of your sponsorships Persuade your sponsors to renew Roberto C. Candelaria, a long-time non-profit veteran, has learned the sponsorship world from the ground up. After seeing firsthand the impact a well-run organization can have on the community, Roberto dedicated his life to teaching non-profit organizations profitability, growth, and long-term sustainability. An inspiring leader and in-demand, speaker, trainer and coach, Roberto has helped hundreds of leaders and organizations more effectively raise funds and execute their mission. As one client recently said, "If you follow his plan, success is inevitable." Roberto's products and presentations on board development and governance, online fundraising, corporate sponsorship and event planning and management, have made him an in-demand, innovative expert in the non-profit world.

The Zen of Fundraising - Ken Burnett 2011-01-13

If all that has ever been said and written about the art and science of fundraising could be distilled down to just what really matters—what fundraisers everywhere need to know—there would be only a small number of true gems deserving of the description, “nuggets of information.” Leading international fundraiser Ken Burnett, author of the classic Relationship Fundraising, has identified and defined 89 such nuggets which he presents here as The Zen of Fundraising, a fun read, one-of-a-kind look into what makes donors tick and—more importantly—what makes them give.

Relationship Fundraising - Ken Burnett 2002-10-31

Internationally acclaimed fundraising consultant Ken Burnett has completely revised and updated his classic book Relationship Fundraising to offer fundraising professionals an invaluable resource for learning the techniques of effective communication with donors in the

twenty-first century. Filled with illustrative case histories, donor profiles, and more than two hundred action points, this groundbreaking book shows fundraisers how to Implement creative approaches to relationship-building fundraising Avoid common fundraising errors and pitfalls Apply the vital ingredients for fundraising success Build good relationships through marketing Achieve a greater understanding of their donors Communicate effectively with donors--using direct mail, the press, television, the telephone, face-to-face contact, and more. Prepare for the challenges of twenty-first century fundraising

Achieving Excellence in Fundraising - Eugene R. Tempel 2016-01-19
Achieving Excellence in Fundraising is the go-to reference for fundraising principles, concepts, and techniques. With comprehensive guidance toward the fundraising role, this book reflects the latest advances in fundraising knowledge. Coverage includes evolving technologies, the importance of high net worth donors, global fundraising perspectives, results analysis and performance evaluation, accountability, and credentialing, with contributions from noted experts in the field. You'll gain essential insight into the practice of fundraising and the fundraising cycle, reinforced by ancillary discussion questions, case studies, and additional readings. With contributions from members of The Fund Raising School and the faculty of Indiana University's Lilly Family School of Philanthropy, this new edition includes detailed guidance on nonprofit accounting practices as defined by the Financial Accounting Standards Board and the American Institute of Certified Public Accountants, rounding out the complete, thorough coverage of the fundraising profession. Designed to provide both theory and practical knowledge, this book is an all-in-one resource for anyone who performs fundraising duties. Understand donor dynamics and craft an institutional development plan Explore essential marketing and solicitation techniques Learn effective volunteer recruitment, retention, and management strategies Fundraising merges a variety of fields including psychology, business management, accounting, and marketing, making it a unique role that requires a uniquely well rounded yet focused skillset. Amidst economic uncertainty and a widening wealth gap the world over,

it's more important than ever for fundraisers to have a firm grasp on the tools at their disposal. Achieving Excellence in Fundraising is the ultimate guide to succeeding in this critical role.

The Field by the River - Ken Burnett 2013-02-21

'Surprises, entertains and enchants ... the modern successor to Gilbert White and Henry David Thoreau.' Indra Sinha, author of *Animal's People*, short-listed for the 2007 Man Booker prize 'A simple walk in the woods becomes a year-long adventure packed with mysteries, insights and wonder, often all on the same page. Ken's 'Field' will make you happy and, possibly, consider investing in rugged new footwear.' Emma Thompson, Oscar-winning actress and screenwriter Following a chance encounter with a kingfisher whilst walking his dogs in the overgrown field adjoining his Breton home, Ken Burnett is struck by the realisation that despite having lived in a quaint French hamlet for the past thirteen years, encircled by farmland, he knows next to nothing about his surroundings. He resolves to examine nature's little wonders rather more closely, with surprising and delightfully funny results. Accompanied by his three trusty dogs, and aided by wife Marie and a full complement of endearingly eccentric neighbours, Ken conducts a twelve-month observation of his field, which is, upon further inspection, rich with wonder. From foxes to wild flowers, magical mushrooms to mothering moorhens, Ken discovers that his unassuming patch of land is as bursting with life as any major city. *The Field By The River* is a thought-provoking and enchanting work; a joyous, charming celebration of the fragile, interconnected ecosystem that can be found if we only take the time to part the leaves, look under the mosses or overturn a stone.

Friends for Life - Ken Burnett 1996

Keep Your Donors - Tom Ahern 2011-01-04

Written by fundraising experts Tom Ahern and Simone Joyaux, *Keep Your Donors* is a new, winning guide to making disappointing donor retention rates a thing of the past. This practical and provocative book will show you how to master the strategies and tactics that make fundraising communications profitable. Filled with case studies and based in part on

the CFRE and AFP job analyses, Keep Your Donors is your definitive guide to getting new donors and keeping them for many years to come.

Leadership in Nonprofit Organizations - Kathryn A. Agard 2011
Leadership in Non-Profit Organizations tackles issues and leadership topics for those seeking to understand more about this dynamic sector of society. A major focus of this two-volume reference work is on the specific roles and skills required of the non-profit leader in voluntary organizations. Key features include: contributions from a wide range of authors who reflect the variety, vibrancy and creativity of the sector itself an overview of the history of non-profit organizations in the United States description of a robust and diverse assortment of organizations and opportunities for leadership an exploration of the nature of leadership and its complexity as exemplified in the non-profit sector availability both in print and online - this title will form part of the 2010 Encyclopedia Collection on SAGE Reference Online. The Handbook includes topics such as: personalities of non-profit leaders vision and starting a nonprofit organization nonprofit law, statutes, taxation and regulations strategic management financial management collaboration public relations for promoting a non-profit organization human resource policies and procedures.

The Digital Fundraising Book - Matt Howarth 2016-03-31

This is the guide for charities and nonprofits to help you learn all you need to know about digital fundraising. It covers everything from the very basics, right up to the tricky stuff, like maximising conversion rates. A must-read for anyone wanting to develop their digital fundraising strategy.

Asking Properly - George Smith 1996

Tiny Essentials of Fundraising - Neil Sloggie 2002-11

A guide to essential information about fundraising as seen through the eyes of a new recruit to the fundraising profession.

Effective Fundraising - F. Warren McFarlan 2021-03-30

Create a sustainable revenue model that can propel your mission-driven organization into the future Effective Fund Raising: The Trustee's Role

and Beyond is the result of author F. Warren McFarlan's two decades of research at Harvard Business School, along with over forty years of active social enterprise board service. This book offers a depth of knowledge and insight that will prove invaluable for trustees, donors, and others related to and responsible for the success of social enterprise. Social enterprise organizations have played a vibrant and important role in the USA for the past century. And yet, the business of fundraising has not become any easier or more elegant. In this book, you will discover how to help raise the financial resources that your organization needs to perform its good deeds. This book focuses on the steps and strategies you need to know to secure funding to fulfill your mission. Development is the lifeblood of most social enterprises, be they large or small. You'll also discover how to harness the energies of the right people to ensure the long-term success of your development efforts. Learn why an effective, sustainable revenue model is critical to the success of even the most exciting mission-driven organization Understand the core elements of the revenue model, including governance, fees, the annual fund, capital fundraising campaigns, planned gifts, and more Develop a strong plan for sustaining your organization's revenue, regardless of organization size Build the skill of asking for money and lead your organization to a revenue and philanthropy orientation Many social enterprise CEOs spend over half of their time on fundraising. Why? Simply put: without a sustainable revenue model, even the most exciting mission-driven organization will collapse. The dirty truth is that, with no fund raising, there is no social enterprise or enduring mission. This book will help you shoulder the burden of fundraising and ensure the long-term success of your venture.

Leading the Fundraising Charge - Karla A. Williams 2013-01-29

Practical guidance to deal with the challenges executives face when leading a philanthropically supported nonprofit organization In today's donor-focused environment, the executive director has a greater responsibility to play an active, informed, and influential role in creating an environment that is conducive to optimal philanthropy. Leading the Fundraising Charge addresses the challenges and issues that executives

face when leading a nonprofit organization that is dependent on philanthropic support.. Offers nonprofit directors and executives the tools they need to help their organizations survive and thrive in any economic scenario Provides a perspective that is unique to the nonprofit executive's position Helps every executive director to evaluate and prioritize the best fund development strategies At no other time in the history of organized philanthropy has fundraising been more critical, complex, and challenging. Thorough and focused, Leading the

Fundraising Charge equips you with the guidance you need to lead your nonprofit effectively.

Asking Styles - Andrea Kihlstedt 2013-01-01

Kihlstedt identifies four Asking Styles that she calls Rainmakers, Go-Getters, Mission Controllers, and Kindred Spirits, then matches the person's Asking Style to the optimal approach for asking for a philanthropic gift.
