**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Better Than the Movies** - Lynn Painter 2022-07-26

A USA TODAY and New York Times bestseller Perfect for fans of Kasie West and Jenn Bennett, this “sweet and funny” (Kerry Winfrey, author of Waiting for Tom Hanks) teen rom-com follows a hopelessly romantic teen girl and her cute yet obnoxious neighbor as they scheme to get her noticed by her untouchable crush. Perpetual daydreamer Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he’s back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbor might seem like a prime candidate for romantic comedy fantasies, but Wes

has only been a pain in Liz’s butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz’s in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she’s shocked to discover that she likes being around Wes. And as they continue to grow closer, she must reexamine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like.

**Almost Like Being in Love** - Beth K. Vogt 2016-06-28

From the author of Somebody Like You, a RITA finalist, and one of Publishers Weekly’s top ten books of 2014, comes the story of a woman who has everything for a perfect wedding—except the groom! Winning an all-expenses paid Colorado destination wedding might seem like a dream come true for some people—but Caron Hollister and her boyfriend Alex Madison aren’t even engaged. How is she supposed to tell him she’s won their wedding and honeymoon when he hasn’t asked her to marry him? Being “perfect for one another” seems like the absolute best reason to get married. But what if their supposedly faultless relationship is merely a safe place to protect his secrets and a way to keep their families happy? After quitting her job, Caron accepts her best friend’s offer to visit Colorado. She needs to catch her breath. Who knows, maybe visiting the destination wedding site will make a future with Alex seem like a reality. Kade Webster just landed the biggest deal of his life with his company, Webster Select Realty, participating in the Colorado Springs Tour of Homes. He never imagined he would run into the woman who broke his heart—Caron Hollister—right when his career is taking off. Seeing her again, Kade can’t help but wonder why Caron walked away from him years ago, leaving him with no explanation. When Kade learns his home stager won’t be able to help with the Tour of Homes, he vaults past all the reasons he should stay away from Caron, and offers her a temporary job helping him on the project. This time, their relationship is purely business. Spending time with Kade has Caron questioning everything. The man intrigues her—at times infuriates her—and reminds her of what she lost. Has she been settling for what everyone expects of her? Just because others believe she and Alex are an ideal couple, does that mean they should get married? And how can Caron say “I do” to one man when she’s wondering “what if?” about another?

The last thing Addy Davidson wants is to be on a reality TV show where the prize is a prom date with the President's son. She's focused on her schoolwork so she can get a scholarship to an Ivy League college, uncomfortable in the spotlight, never been on a date, and didn't even audition for it. But she got selected anyway. So she does her best to get eliminated on the very first show. Right before she realizes that the President's son is possibly the most attractive guy she has ever seen in person, surprisingly nice, and seemingly unimpressed by the 99 other girls who are throwing themselves at him. Addy's totally out of her comfort zone but that may be right where God can show her all that she was meant to be.

Brown and Gay in LA - Anthony Christian Ocampo 2023-09-05

The stories of second-generation immigrant gay men coming of age in Los Angeles Growing up in the shadow of Hollywood, the gay sons of immigrants featured in Brown and Gay in LA could not have felt further removed from a world where queerness was accepted and celebrated. Instead, the men profiled here maneuver through family and friendship circles where masculinity dominates, gay sexuality is unspoken, and heterosexuality is strictly enforced. For these men, the path to sexual freedom often involves chasing the dreams while resisting the expectations of their immigrant parents—and finding community in each other. Ocampo also details his own story of reconciling his queer Filipino American identity and those of men like him. He shows what it was like for these young men to grow up gay in an immigrant family, to be the one gay person in their school and ethnic community, and to be a person of color in predominantly White gay spaces. Brown and Gay in LA is an homage to second-generation gay men and their radical redefinition of what it means to be gay, to be a man, to be a person of color, and, ultimately, what it means to be an American.

**How to Not Die Alone** - Logan Ury 2021-02-02

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the

culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life

stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.
