Curvy Girl and the Alpha Male - J.L. Ryan 2021-10-13

Gorgeous billionaire Braden Davenport has everything he wants in life...except a fat girl named Chloe. My name is Braden Davenport, and my life is about to change because of a fat girl. I'm a professional bike racer and an accidental billionaire. I'm hiding a huge secret, and if it gets out into the tight-knit bicycle community, I'm doomed. The guys in my bike club want power, beautiful women, and money. As a wealthy businessman and athlete, I consider myself one of the luckiest people in the world. To protect my empire and personal life, I have to hide my secret...I can only get turned on by plus-size girls.

When I meet a beautiful "average-sized" woman, I have to pretend that I'm attracted to her, especially when I'm around my friends. I hate it. I'm obsessed with Chloe. When he meets Chloe, his world is turned upside down, and he doesn't understand why he's so drawn to her. She's not gorgeous or sexy like the other women he dates, and to make matters worse, she has no interest in him. Broke and unemployed, Emily Bradford is excited when she hears about a job opening as a caregiver for a billionaire's elderly family member. The family member is the eccentric grandmother of well-known billionaire, Andrew Westfield. During the job interview, Andrew pisses Emily off when he asks her inappropriate questions about her personal life. He's a rude asshole, but he's sexy as hell, and from the moment she saw him, she's been fantasizing about his naked body. If she wasn't in dire need of a job, she would tell him to take a flying f**k. She can't see herself working for this cocky and controlling jerk, but since she doesn't want to join the ranks of the homeless population, she accepts. After only a couple of weeks on the job, he offers her an unusual "business deal" which would give her financial security for the rest of her life. She's feeling great about the prospect of becoming financially independent and is eager to learn more about what he's proposing. He's hot and sexy and she can't wait to work with him on this new business deal. HOWEVER, when she finds out what it is and reads the contract, she knows that if she signs it, one thing is for sure. This is the complete series. Seduced by my Billionaire Boss - Part 1 Seduced by my Billionaire Boss - Part 2 Seduced by my Billionaire Boss - Part 3 Jenna Harks left Goldman Sachs. Left the two hundred thousand starting salary on the table. She left to make her name with something bigger, better. Even if it did mean starting out as a low-level assistant without recognition or the chance of dental. But when mistaken identity gives Jenna the job of her dreams, she isn't sure what to make of it. She knows she has the skills and determination, that's for sure. So she rises to the challenge. There is Michael Larchwood, younger son of the legendary Abe Larchwood. Second heir to the keys of the castle. He was also a notorious playboy who flirts with Jenna. The thing is, not only does the company have a zero tolerance policy toward inter-office fraternization, but Michael was well known for flouting those rules. At least four women in the last two years were fired after being seen leaving his apartment, and Jenna was in no way interested in making that list. And then there's the serious brother, Thomas Larchwood, who is a brilliant financial tactician and the youngest person ever to be named on Forbes most influential people's list. All that and he was only a few years older than Jenna. The more Michael flirts with Jenna, the more Thomas takes notice. Both brothers are off limits. Billionaire: A Steamy Alpha Billionaire CEO New Adult Romance Series - J.L. Ryan 2021-10-10

From Bestselling Author, JL Ryan Reluctant billionaire Alexander Jacobs was not prepared for the events that would forever change his life. His parents were recently killed by a drunk driver, and now, he's forced to run the family's corporation. There's only one problem. He has zero business experience. He's dreading the upcoming funeral for his parents, but when he learns that his longtime friend Brienne Warhol is coming, it makes him feel just a little better. She's attending Columbia Law School, but when she hears about his parents, she knows she has to be with him. He went to college locally and missed Brienne's friendship when she left for New York. She fantasizes about him constantly, but he thinks of her only as "one of the guys." When she finally graduates from law school, they meet up for a celebratory glass of champagne. She has too much to drink, and before she can stop herself, she kisses him. Her head is

spinning, and after he looks at her like she crossed the line, she feels sick. She wishes she could take back that damn kiss. Did Brienne ruin her chances of a romantic relationship with Alexander, the only man she's ever wanted in her life, or did her "move" spark something inside him that he's never felt before?
