

Seduction And Snacks Chocolate Lovers 1

Chocoholics Bundle - Tara Sivec 2016-05-30

The entire Chocoholics series is now available in one, special edition book! *This series is a spinoff from the Chocolate Lovers books and should be read after that series.* Book 1 - Love and Lists: Twenty-five-year-old Gavin Ellis has always had the love and support of his family ever since he was a little boy and couldn't stop talking about his penis. He's also always had their unsolicited advice and uncanny knack of embarrassing him at all costs. Now that he's an adult and trying to convince the love of his life to love him back, things haven't changed very much from when he was younger. When Gavin's best friend Tyler suggests he make a to-do list of items that will ensure he wins the girl, Gavin is one-hundred-percent on board: after a few six packs. After puking in the shrubs, a bad experience with Viagra, a Sex-Ed course gone wrong, and a slew of other mishaps courtesy of his family and friends, Gavin is pretty sure this list will be the death of him. Sometimes, trying to make someone love you with a list isn't always the best idea. Book 2 - Passion and Ponies: Ava Gilmore has the perfect life. She's surrounded by people who love her, she's having sex on a regular basis and her Coach bag collection just grew by three. The problem? She's expected to follow in her family's footsteps at Seduction and Snacks, working with sex toys and baked goods. Ava loves vibrators and cupcakes as much as the next person, she'd just rather play with them than sell them. With her shopping addiction reaching an all time high and her credit card bills piling up, Ava decides to put her obsession to good use and start a fashion blog. But she has one other problem - the guy she's having sex with has a My Little Pony addiction. While dealing with her family's disappointment and confusion over her choices, she finds support in the unlikeliest of places - Tyler Branson. Tyler has slowly wormed his way into her bed and her heart and he refuses to leave. Tyler has his own family problems to deal with and for the first time ever, Ava finds herself feeling bad for the annoying, immature guy and chanting "Friendship is magic!" during the sex she'd swore to stop having with him. Ava needs to get her life in order once and for all before she finds herself doing something she never wanted to do - fall in love with a Brony. Book 2.5 - Tattoos and TaTas: Claire and Liz have always had a friendship that defied the test of time, but when one of them is diagnosed with a disease that every woman fears, their bond is put through the wringer. How do you cope knowing your soul mate could be taken from you? Filled with memories of their life long friendship, inappropriate behavior, bad tattoos and shaving cats, the two friends will realize that laughter really is the best medicine. Tattoos and TaTas is not your typical love story; it's a story of friendship and learning how to let go when something is beyond your control. Book 3 - Baking and Babies: "I'm pregnant." Molly Gilmore had a good life before she uttered those two stupid words. While preparing to graduate from culinary school and building up the courage to make a move on her hot, sugar-cookie-smelling pastry instructor Marco, she can't wait to finally have the GREAT life she's always dreamed about, instead of just the good one she's been living. Always known as the quiet ninja, she fully intends to stay hidden in the shadows with her nut-job family, so they have no chance to embarrass her around the man she's crushed on for two years. Unfortunately, her family has other plans. When they yank her straight out of her comfort zone, she finds herself starring in the craziest train wreck she's ever witnessed. Molly ultimately gets a more exciting life that doesn't revolve around school, but she's pretty sure the man of her dreams won't be sticking around long after her family gets ahold of him. There aren't too many guys who can handle smelling like pee, having the whole world know how he masturbates, and being forced to eat an entire bag of dicks. Join the Chocolate Lovers and Chocoholics gang for one final story about love, baked goods, making poor life choices, and remembering how important family is—even if they drive you insane. Mostly because it's illegal to kill them.

Futures and Frosting - Tara Sivec 2012-09-13

Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From bachelorette party hell,

porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them. Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong?

Heidi's Guide to Four Letter Words - Tara Sivec 2019-12-03

Cowritten by USA Today best-selling author Tara Sivec and award-winning narrator Andi Arndt, a hysterically funny, heartfelt romance about starting over and taking chances. Nothing good ever comes from drinking a box of wine alone. So when I decided to entertain my drunken self by setting up some hand-me-down podcasting equipment and reading the steamy parts from romance novels, I never thought anyone would actually listen. The fact that I admitted my huge crush on my sexy next door neighbor made the whole thing even more mortifying. But sometimes life surprises you, and that's how my podcast, Heidi's Discount Erotica, was born. Now I, Heidi Larsen, a sweet former kindergarten teacher in Waconia, Minnesota, lead a scandalous double life reading erotic novels to the listening world. And with each episode, I find myself embracing my new alter ego more and more. Now I'm starting to feel more comfortable in my own skin and do things I never would have dreamed of - like kissing my neighbor. Look out, Waconia, because Heidi's on the loose! She's in your ears, in your hearts, and down your pants...wait, that didn't sound as good as it did in my head. Well, you get the picture, don'tcha know!

Beautiful Boy - David Sheff 2018-01-11

THE NUMBER ONE NEW YORK TIMES BESTSELLER NOW A MAJOR FILM, STARRING STEVE CARELL AND BAFTA AND GOLDEN GLOBE NOMINATED TIMOTHEE CHALAMET 'What had happened to my beautiful boy? To our family? What did I do wrong?' Those are the wrenching questions that haunted every moment of David Sheff's journey through his son Nic's addiction to drugs and tentative steps toward recovery. Before Nic Sheff became addicted to crystal meth, he was a charming boy, joyous and funny, a varsity athlete and honor student adored by his two younger siblings. After meth, he was a trembling wraith who lied, stole, and lived on the streets. With haunting candour, David Sheff traces the first subtle warning signs: the denial, the 3am phone calls (is it Nic? the police? the hospital?), the attempts at rehab. His preoccupation with Nic became an addiction in itself, and the obsessive worry and stress took a tremendous toll. But as a journalist, he instinctively researched every avenue of treatment that might save his son and refused to give up on Nic. This story is a first: a teenager's addiction from the parent's point of view - a real-time chronicle of the shocking descent into substance abuse and the gradual emergence into hope. Beautiful Boy is a fiercely candid memoir that brings immediacy to the emotional rollercoaster of loving a child who seems beyond help. Read the other side of Nic Sheff's bestselling memoir, Tweak. Praise for Beautiful Boy:- 'A brilliant, harrowing, heartbreaking, fascinating story, full of beautiful moments and hard-won wisdom. This book will save a lot of lives and heal a lot of hearts'. Anne Lamott 'An important book... moving, timely and startlingly beautiful.' Richard Branson

Sophie's World - Jostein Gaarder 2010-07-15

The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller,

SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

[The Real North Korea](#) - Andrei Lankov 2015

In *The Real North Korea*, Lankov substitutes cold, clear analysis for the overheated rhetoric surrounding this opaque police state. Based on vast expertise, this book reveals how average North Koreans live, how their leaders rule, and how both survive

Chocolate Lovers Bundle - Tara Sivec 2016

The Chocolate Lovers gang and their crazy stories come together in one, special edition book! Book 1 - *Seduction and Snacks*: 2012 Goodreads Choice Award Nominee - Best Romance 2013 Indie Romance Convention Award for Best Indie First Book Claire is a twenty-something, single mom that grudgingly helps her best friend sell sex toys while she attempts to make enough money to start her own business to give her foul-mouthed, but extremely lovable (when he's asleep) toddler a better life. When Carter, the one-night-stand from her past that changed her life forever, shows up in her hometown bar without any recollection of her besides her unique chocolate scent, Claire will make it a point that he remembers her this time. With Carter's undisguised shock at suddenly finding out he has a four-year-old son and Claire's panic that her stretch marks and slim to none bedroom experience will send the man of her dreams heading for the hills, the pair will do whatever they can to get their happily ever after. Book 2 - *Futures and Frosting*: Carter, Claire and Gavin have formed the perfect little family. Their friends are getting married and everyone is growing up, maturing and ready to face the future. Or are they? From bachelorette party hell, porn addictions, dinner roll baseball and botched wedding proposals to finding out everyone's extended family is chock full of crazy, Carter and Claire begin to question the strength of the ties that bind them.

Unfortunately, these ties have nothing to do with fuzzy handcuffs and everything to do with the mounting differences between them. Will their friends make a mess of things with their inappropriate comments and need to know everything, or will they convince the couple that happily-ever-after sometimes really can start with beer pong? Book 3 - *Troubles and Treats*: Drew and Jenny have spent years being the envy of their friends with their out of control sex lives - well, not really. Mostly it makes their friends want to throw up in their mouths a little. With two little kids and two busy lives, for the first time, Drew and Jenny aren't on the same page in the bedroom. Drew will stop at nothing to get his previously amorous wife back in the sack and Jenny will do anything for a full night of sleep. Carter and Claire, and Jim and Liz are their usual (un)helpful selves and are full of advice for the discontented duo, wanting nothing more than to help restore order to the usually happy couple's lives. In the third and final installment of the Chocolate Lovers Series, will Drew and Jenny find the spark that's been missing in their marriage, or will the trouble they're having cause a stickier situation than the time Jenny poured honey all over Drew and he fused himself to a tree? Short Story - *Hearts and Llamas* Join the Chocolate Lovers gang as they celebrate Valentine's Day in their usual fashion - with hair pulling, cage fighting and farm animals!

A Dark History of Chocolate - Emma Kay 2021-11-01

A Dark History of Chocolate looks at our long relationship with this ancient 'food of the Gods'. The book examines the impact of the cocoa bean trade on the economies of Britain and the rest of Europe, as well as its influence on health, cultural and social trends over the centuries. Renowned food historian Emma Kay takes a look behind the façade of chocolate - first as a hot drink and then as a sweet - delving into the murky and mysterious aspects of its phenomenal global growth, from a much-prized hot beverage in pre-Colombian Central America to becoming an integral part of the cultural fabric of modern life. From the seductive corridors of Versailles, serial killers, witchcraft, medicine and war to its manufacturers, the street sellers, criminal gangs, explorers and the arts, chocolate has played a significant role in some of the world's deadliest and gruesome histories. If you thought chocolate was all Easter bunnies, romance and gratuity, then you only know half the story. This most ancient of foods has a heritage rooted in exploitation, temptation and mystery. With the power to be both life-giving and ruinous.

Kiss the Girl - Tara Sivec 2018-09-04

A struggling antiques collector finds herself falling in love with a millionaire playboy; but can she ever be a part of his world? Meet the Naughty Princess Club, a series from USA Today bestselling author Tara Sivec that brings readers to Fairytale Lane and the hilarity—and romance—that three women fall into once they decide to strut their stuff and bring on their own happily ever after. While her friends have broken free of their insecurities, Ariel Waters is struggling to come out of her shell. Her ex-husband took away her voice and her self-confidence, and Ariel is drowning under a sea of debt to afford the alimony she has to pay him. She refuses to ever fall for a man's charms again, and is determined to make her own way. When her house and her beloved antiques are taken by the bank after too many missed payments, Ariel finds herself adrift until the infuriatingly charming Eric Sailor comes to her rescue. Although she can't stand the millionaire playboy, Eric's kindness and unconditional support reveal hidden depths and a love that Ariel never imagined she could find. But there are outside influences who will stop at nothing to keep them apart; can Ariel and Eric weather the storm and find a way to be together in *Kiss the Girl*?

Seduction and Snacks - Tara Sivec 2012

Warning #1: This book is not to be taken seriously. Do not read this if you don't have the sense of humor of a 15 year old boy. Do not read this if you ARE a fifteen year old boy. This book is totally crude and inappropriate and uses the word "vagina" a lot. No, I mean A LOT. If you don't think people who are drunk are hilarious, you shouldn't read this book. You probably shouldn't read this book if you aren't drunk yourself. You should probably just put this book down and get drunk. You may think that no one in the world talks like the people in this book, but they do. They are called "people who are funny and inappropriate". This book is completely unrealistic; the author is aware of that fact and did it on purpose.

[THE WAVES](#) - Virginia Woolf 2017-12-06

The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self, and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness. Bernard is a story-teller, always seeking some elusive and apt phrase Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 – 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

Wish You Were Mine - Tara Sivec 2017-11-14

From the USA Today bestselling author of *The Story of Us* and *Fisher's Light* comes a new, standalone novel - a heartwrenching story about second chances that will make you fall in love all over again. Five years. I would've stayed away longer if I hadn't received the letter. Not a day has gone by that I haven't thought about her, haven't missed her smile, haven't wished that things were different. The last time I saw my two best friends, I vowed to not stand in the way of their happiness, even if that meant I couldn't be a part of their lives. Cameron James and her emerald-green eyes were too much of a temptation and I couldn't stay and watch them together. Cameron deserved better than me. She deserved him. But now that I am back, things are different. I'm not going to stand by and watch the woman I've always loved slip away again. I'm done living my life with regrets and I'm ready to tell her the truth. And I'll do whatever it takes to show her that I always wished she was mine.

Tell Me I'm Yours - J S Scott 2021-06-14

Is there more to the spoiled, entitled, British billionaire man-whore than what I see on the surface? I really want to hate Dylan Lancaster. He hurt my best friend, and nearly destroyed her relationship with his identical twin brother. So, I decide that someone needs to rein him in so he doesn't try to demolish the

couple completely before their wedding takes place. Unfortunately, the only woman who would try to take on that impossible task is...me. It's only six weeks, right? Surely I can tolerate the womanizing, obnoxious jerk and keep him out of trouble so that no more of his scandals hit the media before his brother's wedding. I'm a public relations crisis manager. Squashing bad press is what I do, and I do it extremely well for my high profile clients. What I don't count on is actually starting to like the glimpses of the real Dylan I begin to see underneath all of his cynicism. Nor did I ever imagine that I'd become so attracted to him that I could barely breathe every time he gets close to me. Dylan is a man who has suffered profound emotional pain. I can sense it. I can feel it. The question is: Can I possibly reach the real Dylan Lancaster before it's too late?
