*Sit Down and Shut Up* - Brad Warner 2010-10-05

In 2003, Brad Warner blew the top off the Buddhist book world with his irreverent autobiography/manifesto, *Hardcore Zen: Punk Rock, Monster Movies, and the Truth about Reality*. Now in his second book, *Sit Down and Shut Up*, Brad tackles one of the great works of Zen literature, the *Shobogenzo*, by thirteenth-century Zen master Dogen. Illuminating Dogen's enigmatic teachings in plain language, Brad intertwines musings on sex, meditation, death, God, sin, and happiness with an exploration of the punk rock ethos. In chapters such as "Evil Is Stupid," "Kill Your Anger," and "Enlightenment Is for Sissies," Brad melds the

antiauthoritarianism of punk with that of Zen, mixing in a travelogue of his triumphant return to Ohio to play in a reunion concert of Akron punk bands. For those drawn to Buddhist teachings but scared off by their stiff austerity, Brad writes with a sharp smack of truth, in teachings and stories that cut to the heart of reality.

*The Magic of Memoir* - Linda Joy Myers 2016-11-15

*The Magic of Memoir* is a memoirist's companion for when the going gets tough. Editors Linda Joy Myers and Brooke Warner have taught and coached hundreds of memoirists to the completion of their memoirs, and they know that the journey is fraught with belittling messages from both the inner critic and naysayers, voices that make it hard to stay on course with the writing and completion of a book. In *The Magic of Memoir*, 38 writers share their hard-won wisdom, stories, and writing tips. Included are Myers's and Warner's interviews with best-selling and widely renown memoirists Mary Karr,

**The Boy He Left Behind -**

Mark Matousek 2023-07-11

“A sensitive meditation on death, family and masculinity that asks hard questions about a culture without fathers”

—Out “I was four years old when my father came back to kidnap me,” begins this gripping memoir about Matousek’s search for James Matousek, the drifter father he never knew. Matousek chronicles his compelling search for his own father by hiring a detective and reveals his own life as he follows the hard-bitten investigator from one dead-end to the next.

Described by the New York Times as “ part reminiscence, part detective story, part spiritual musing,” this memoir is more than the story of one man’s search for his father; it is also a look at the meaning of life and how fathers contribute to that meaning.

*The Last Duel* - Eric Jager  
2010-05-25

THE NEW YORK TIMES  
BESTSELLER Now a major motion picture directed by Ridley Scott starring Matt

Damon, Adam Driver and Jodie Comer. In 1386, a few days after Christmas, a massive crowd gathered at a Paris monastery to watch two men fight a duel to the death. A trial by combat to prove which man's cause was right in God's sight. The dramatic story of the knight, the squire and the lady unfolds during the tumultuous fourteenth century. A time of war, plague and anarchy, as well as of honour, chivalry, and courtly love. The notorious quarrel appears in many histories of France, but no writer has recounted it in full, until now.

high school graduates and their parents, and during this transitional time, parents' emotions include everything from anxiety to hope, guilt to pride, fear to relief. In *She's Leaving Home*, author Connie Jones chronicles two years in her own life, from the days when her daughter, Cary, fielded bids from more than a hundred colleges to her first year as a student at Smith College in Massachusetts. A story of spiritual journey and growth, the intimate, journal-like essays perfectly capture one mother's love and letting go of a daughter as she transforms into an adult. *She's Leaving Home* is a personal memoir that parents will relate to in the same way readers responded to Anne Lamott's *Operating Instructions: A Journal of My Son's First Year*.

**A Death on Diamond Mountain** - Scott Carney  
2015-03-17

An investigative reporter explores an infamous case where an obsessive and unorthodox search for enlightenment went terribly

wrong. When thirty-eight-year-old Ian Thorson died from dehydration and dysentery on a remote Arizona mountaintop in 2012, *The New York Times* reported the story under the headline: "Mysterious Buddhist Retreat in the Desert Ends in a Grisly Death." Scott Carney, a journalist and anthropologist who lived in India for six years, was struck by how Thorson's death echoed other incidents that reflected the little-talked-about connection between intensive meditation and mental instability. Using these tragedies as a springboard, Carney explores how those who go to extremes to achieve divine revelations—and undertake it in illusory ways—can tangle with madness. He also delves into the unorthodox interpretation of Tibetan Buddhism that attracted Thorson and the bizarre teachings of its chief evangelists: Thorson's wife, Lama Christie McNally, and her previous husband, Geshe Michael Roach, the supreme spiritual leader of Diamond Mountain University, where

Thorson died. Carney unravels how the cultlike practices of McNally and Roach and the questionable circumstances surrounding Thorson's death illuminate a uniquely American tendency to mix and match eastern religious traditions like LEGO pieces in a quest to reach an enlightened, perfected state, no matter the cost. Aided by Thorson's private papers, along with cutting-edge neurological research that reveals the profound impact of intensive meditation on the brain and stories of miracles and black magic, sexualized rituals, and tantric rites from former Diamond Mountain acolytes, *A Death on Diamond Mountain* is a gripping work of investigative journalism that reveals how the path to enlightenment can be riddled with danger.

*When You're Falling, Dive* -

Mark Matousek 2011-01-15

Do survivors-of trauma, loss, abuse-gain a "secret knowledge" about life from their experience? Mark Matousek, a survivor fascinated with the enigma of

survival, draws on interviews with an enslaved Sudanese boy, a Tibetan nun tortured for her belief, an Auschwitz prisoner, a Vietnam P.O.W., as well as noted thinkers and spiritual teachers Ram Daas, Stanley Kunitz, Eckhart Tolle, and Mother Meera. In distilling the many experiences, Matousek shows how enduring hardship can transform a person, refine his character, and alchemize catastrophe into living wisdom.

*Sex Death Enlightenment* -

Mark Matousek 2020-09-15

"It's hard to know when you're having a breakdown in New York City. The symptoms of living here, succeeding here, and losing your mind here are almost identical." So begins Matousek's 1996 breakout memoir about leaving a fast-track publishing life (working for pop artist Andy Warhol at Interview Magazine) and hitting the dharma trail in search of a meaningful life and spiritual wisdom. Hailed by Publisher's Weekly as "brave, beautiful, and brilliantly observed," *Sex Death*

Enlightenment became an international best seller (published in 10 countries). Like Elizabeth Gilbert in *Eat Pray Love* and Paul Monette in *Borrowed Time*, Matousek takes the reader on an insightful, rollicking search for answers to life's deepest questions in this landmark memoir. "Mark Matousek takes you everywhere his title promises - and then some. *Sex Death Enlightenment* is the most gripping and elegantly written memoir I've read in ages. It tugged me onward like the best suspense novel, though I couldn't help lingering time and again to savor its wisdom." —Armistead Maupin, author of *Tales of the City* "An extraordinarily articulate chronicle of how the sickness of our time can spawn spiritual awakening and compassion." —Ram Dass, author of *Be Here Now* and *Grist For the Mill* "Brave, beautiful and brilliantly observed." —Publishers Weekly (starred review)

*Lessons from an American Stoic* - Mark Matousek  
2023-06-13

A lifelong Emerson lover, teacher, and spiritual seeker reveals how American philosopher Ralph Waldo Emerson's twelve essential teachings hold the answer to living an authentic and fulfilling life, one that is in harmony with our souls. Ralph Waldo Emerson was a spiritual revolutionary whose profound vision of human potential came to define the American character. Known as America's original Stoic, he offered a radical message of optimism, authenticity, and self-realization that is more necessary today than ever. In this timely, remarkable book, noted memoirist and teacher Mark Matousek reveals the depths of Emerson's extraordinary wisdom, demonstrating how his timeless philosophy can help us navigate the challenges of contemporary life. Using personal stories, psychological research, and life lessons from Emerson and his contemporaries—including Thoreau and Whitman—he offers practical lessons in the

art of living. In the following pages, you will discover: Why Emerson should be considered America's original stoic How to dispel the illusion of our own powerlessness and turn toward boundless human potential Practical tools for cultivating happiness in a fragile, unpredictable, dangerous world The gifts of self-reliance and spiritual renewal necessary for thriving A roadmap to discovering essential wisdom on living an authentic and meaningful life Emerson's far-reaching vision of excellence and spiritual flourishing is the medicine we need to heal ourselves. "Trust yourself," he teaches. "Once you make a decision, the universe conspires to make it happen." This philosophy of hope, known as transcendentalism, is the vein of gold in the American psyche. Lessons from an American Stoic helps us to reclaim our national treasure.

### Mother of the Unseen World -

Mark Matousek 2024-03-26

Mark Matousek was a nonbeliever when he met

Mother Meera in 1985. Yet, in her presence, he experienced inexplicable occurrences that forced him to challenge his worldview. Mother Meera, born Kamala Reddy is believed by her thousands of devotees to be an embodiment of the Divine Mother. But who is Mother Meera, really? Now, in this deeply moving and wise book, Matousek takes us as close as possible to this extraordinary woman. Is divine incarnation truly possible, he asks, as most of the world's religions insist? Speaking to members of her inner circle, working at her school for the poor in India, and interviewing the elusive master herself, Matousek takes the reader on a mysterious quest into the 'unseen world' where the divine and human intersect.

**Writing to Awaken** - Mark Matousek 2017-07-01

Writing to Awaken is an inspirational investigation of the self through expressive writing, guiding you along the path of awakening through radical truth-telling and self-inquiry. With targeted and

revelatory questions, you'll be prompted to explore your own personal narrative—to write honestly about your deepest wounds, greatest challenges, hidden gifts, yearnings, and opportunities for growth—in order to discover a deeply authentic understanding of yourself and move toward a more liberated, truthful life. We each have our own story, a personal myth constructed from the content life presents us: we connect dots to shape the narrative, devise plotlines from circumstance, change characters, fashion conflicts, and adjust structure, settings, and themes as our lives unfold. But so often, over time, we come to believe that we are our story, identifying so strongly with the tales we've told ourselves and others that we cling to them for our very existence—even when they don't quite fit. The realization that there's a discrepancy between the narrative you've crafted and your authentic self can be disconcerting at first, but the exploration of that gap is a doorway to personal

freedom, and this book will lead you through it. The writing exercises in this guide, one for nearly every week of the year, ask you to tell the whole truth about your experience. In doing so, you'll come to realize that once you engage in this radical truth-telling, expressing yourself with complete honesty, your story changes; and when your story changes, your life is transformed. Rather than sticking with your illusive and tricky "Story of Me," you'll be prompted to go even deeper, piercing your personal myth and illuminating aspects of psyche and spirit that give way to profound moments of understanding and personal healing. This is not a how-to book for writers; it's an invitation on a journey of self-discovery—a guide to facing yourself without flinching, accepting yourself as you are, surrendering to what is, and daring to question and transform what isn't true. With *Writing to Awaken*, you'll learn how to break free from the trance of mistaken identity and

discover your essential, authentic self.

**Ethical Wisdom** - Mark Matousek 2012-06-04

Since the days of the first primitive tribes, we have tried to determine why one man is good and another evil. Mark Matousek arrives at the answer in *Ethical Wisdom*. Contrary to what we've been taught in our reason-obsessed culture, emotions are the bedrock of ethical life; without them, human beings cannot be empathic, moral or good. But how do we make the judgement call between self-interest and caring for others? What does being good really mean? Which parts of morality are biological, which ethical? When should instinct be trusted and when does it lead us into trouble? How can we know ourselves to be good amidst the hypocrisy, fears and sabotaging appetites that pervade our two-sided natures? Drawing on the latest scientific research and interviews with social scientists, spiritual leaders, ex-cons, altruists and philosophers, Matousek

examines morality from a scientific, sociological, and anthropological standpoint. Each chapter features a series of questions, readings, interviews, parables and anecdotes that zoom in on a particular niche of moral enquiry, making this book both utilitarian and fun. *Ethical Wisdom* is an insightful and important book for readers crisscrossing their own murky moral terrain.

**Great Demon Kings** - John Giorno 2020-08-04

A rollicking, sexy memoir of a young poet making his way in 1960s New York City. When he graduated from Columbia in 1958, John Giorno was handsome, charismatic, ambitious, and eager to soak up as much of Manhattan's art and culture as possible. Poetry didn't pay the bills, so he worked on Wall Street, spending his nights at the happenings, underground movie premiers, art shows, and poetry readings that brought the city to life. An intense romantic relationship with Andy Warhol—not yet the

global superstar he would soon become—exposed Giorno to even more of the downtown scene, but after starring in Warhol's first movie, *Sleep*, they drifted apart. Giorno soon found himself involved with Robert Rauschenberg and later Jasper Johns, both relationships fueling his creativity. He quickly became a renowned poet in his own right, working at the intersection of literature and technology, freely crossing genres and mediums alongside the likes of William Burroughs and Brion Gysin. Twenty-five years in the making, and completed shortly before Giorno's death in 2019, *Great Demon Kings* is the memoir of a singular cultural pioneer: an openly gay man at a time when many artists remained closeted and shunned gay subject matter, and a devout Buddhist whose faith acted as a rudder during a life of tremendous animation, one full of fantastic highs and frightening lows. Studded with appearances by nearly every it-boy and girl of the downtown scene (including a moving portrait of a decades-

long friendship with Burroughs), this book offers a joyous, life-affirming, and sensational look at New York City during its creative peak, narrated in the unforgettable voice of one of its most singular characters.

**The Spiritual Gifts of Travel**

- James O'Reilly 2002

In this lively collection from an array of accomplished writers, readers meet an old woman who imparts an invaluable midnight message on a Greek island; brothers who heal old family wounds in Ireland; and travelers who awaken to the mystery of their souls in such disparate places as St. Peter's in Rome and a dusty road in India. Contributors include Phil Cousineau, Kim Chernin, David Yeadon, Don George, and Jan Morris. *The Spiritual Gifts of Travel* reveals the myriad ways that travel renews the spirit. "The tales ring clear and loud with the universal need to travel the road toward self." -- Francesca de Grandis, author of *Be a Goddess!*
