Dash And Lily's Book Of Dares (Dash & Lily, Book 1) - Rachel Cohn 2012-10-01

A whirlwind romance from the New York Times bestselling authors of Nick & Norah's Infinite Playlist, now a Netflix original series! I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please.

The Far Right Today - Cas Mudde 2019-10-25

The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies - Brazil, India, and the United States - now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.

The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

The Innocent Man - John Grisham 2010-10-28

"John Grisham's first work of non-fiction, an exploration of small town justice gone terribly awry, is his most extraordinary legal thriller yet. In the major league draft of 1971, the first player chosen from the State of Oklahoma was Ron Williamson. When he signed with the Oakland A's, he said goodbye to his hometown of Ada and left to pursue his dreams of big league glory. Six years later he was back, his dreams broken by a bad arm and bad habits - drinking, drugs and women. He began to show signs of mental illness. Unable to keep a job, he moved in with his mother and slept 20 hours a day on her sofa. In 1982, a 21 year-old cocktail waitress in Ada named Debra Sue Carter was raped and murdered, and for five years the police could not solve the crime. For reasons that were never clear, they suspected Ron Williamson and his friend Dennis Fritz. The two were finally arrested in 1987 and charged with capital murder. With no physical evidence, the prosecution's case was built on junk science and the testimo"

Altered Carbon: Download Blues - Richard K. Morgan 2019-07-09

In the distant future, the human body is atemporary and interchangeable

commodity - if you can pay. For the interstellar elite, bodies are

swappedout and reused without a second thought. You never grow old;

you neverdie. However, some bodies are more temporary thanothers ...

Takeshi Kovacs was once a member of the EnvoyCorps, stormtroopers

for the Interstellar Earth Protectorate, ultra-lethaladepts in switching

bodies across the stars. While he served, he was known by avariety of

names--Mamba Lev, One Hand Rending, the Icepick--all testament to

hiscapacity for rapid response and extreme violence in whatever flesh he

wore. Nowhe's out of the service and trying to live a different life. But

theProtectorate hasn't changed its spots, no matter what world Kovacs

drifts to,and with that old combat rage still burning deep inside him, will

he ever reallybe able to walk away? Created by Richard K. Morgan,

Altered Carbonwas previously adapted as a Netflix television series. This

original graphicnovel, written by Rik Hoskin (Brandon Sanderson's White

Sand/Pierce Brown's RedRising, expands upon the Altered Carbon

universe.

It - Stephen King 2017-09-05

Includes a selection from Sleeping beauties by Stephen and Owen King

after page 1157 (to be published in Sept. 2017).

High in the Clouds - Paul McCartney 2006

Imagine a land where all the animals are free . . . To the creatures of the

woodland, the land of Animalia sounds like a dream - a tropical island

where all the animals live in harmony. They are over-shadowed by a

much more evil community; the polluted Megatropolis, whose dirty

skyscrapers block the horizon. And then one day, Wirral the Squirrel's

woodland is destroyed by developers and he is thrown into the nightmare

world of Megatropolis. But Wirral believes in Animalia and he joins with

Froggo, a world-class amphibian balloonist, and Wilhamina, a girl

squirrel, to lead the enslaved animals of the city to a new life. So begins

an exciting adventure through the mean streets of Megatropolis, over the

sea and through the sky. Developed out of an exceptional fusion of

creative talents, this story explodes onto every page. The plot is fast,

furious and funny; the illustrations are full of rich depth and colour; and

the characters live on long after you have turned the final page. It will

delight children of all ages and is sure to become an enduring classic.

'Young audiences will delight in the clever wordplay and smartly-drawn

comic characters.' Independent

Friends - Simone Knox 2019-09-16

This book offers a long overdue, extensive study of one of the most

beloved television shows: Friends. Why has this sitcom become the

seminal success that it is? And how does it continue to engage viewers

around the world a quarter century after its first broadcast? Featuring

original interviews with key creative personnel (including co-creator

Marta Kauffman and executive producer Kevin S. Bright), the book

provides answers by identifying a strategy of intimacy that informs

Friends' use of humour, performance, style and set design. The authors

provide fascinating analyses of some of the most well-remembered

scenes—the one where Ross can't get his leather pants back on, and Ross

and Rachel's break-up, to name just a couple—and reflect on how and

why A-list guest performances sometimes fell short of the standards set

by the ensemble cast. Also considered are the iconic look of Monica's

apartment as well as the programme's much discussed politics of

representation and the critical backlash it has received in recent years.

An exploration of Joey, the infamous spin-off, and several attempts to

adapt Friends' successful formula across the globe, round out the

discussion, with insights into mistranslated jokes and much more. For

students, scholars, creative industry practitioners and fans alike, this is a

compelling read that lets us glimpse behind the scenes of what has

become a cultural phenomenon and semi-permanent fixture in many of our homes.

Love Letters of Great Men - Ursula Doyle 2008-08-05

From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these *Love Letters of Great Men* show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

The Days of Anna Madrigal - Armistead Maupin 2014-01-21

Inspiration for the Netflix Limited Series, *Tales of the City* The ninth novel in the beloved *Tales of the City* series, Armistead Maupin's best-selling San Francisco saga. *The Days of Anna Madrigal*, the suspenseful, comic, and touching novel, follows one of modern literature's most unforgettable and enduring characters—Anna Madrigal, the legendary transgender landlady of 28 Barbary Lane—as she embarks on a road trip that will take her deep into her past. Now ninety-two, and committed to the notion of "leaving like a lady," Mrs. Madrigal has seemingly found peace with her "logical family" in San Francisco: her devoted young caretaker Jake Greenleaf; her former tenant Brian Hawkins and his daughter Shawna; and Michael Tolliver and Mary Ann Singleton, who have known and loved Anna for nearly four decades. Some members of Anna's family are bound for the otherworldly landscape of Burning Man, the art community in Nevada's Black Rock Desert where 60,000 revelers gather to construct a city designed to last only one week. Anna herself has another destination in mind: a lonely stretch of road outside of Winnemucca where the 16-year-old boy she once was ran away from the whorehouse he called home. With Brian and his beat-up RV, she journeys into the dusty troubled heart of her Depression childhood to unearth a lifetime of secrets and dreams and attend to unfinished business she has long avoided.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Controversy Mapping - TOMMASO. MUNK VENTURINI (ANDERS KRISTIAN.) 2021-09-30

Adapting Television Drama - Christopher Hogg 2022-01-01

This book explores adaptation in its various forms in contemporary television drama. It considers the mechanics of adaptation as an ever-more prevalent form of production, most notably in the reworking of literary sources for television. It also explores the broader process through which the television industry as a whole is currently making necessary adaptations in how it tells stories, especially in relation to important concerns of equality, diversity and inclusion. Offering and analysing 16 original interviews with leading British television producers, writers, directors, production designers, casting directors and actors, and with a particular focus on female and/or minority-ethnic industry perspectives, the book examines some of the key professional and creative approaches behind television adaptations today. The book connects these industry insights to the existing conceptual and critical frameworks of television studies and adaptation studies, illuminating the unique characteristics of television adaptation as a material mode of production, and revealing television itself as an inherently adaptive artform.

The Innocent - Harlan Coben 2023-11-07

NOW THE NETFLIX ORIGINAL SERIES EL INOCENTE! The bestselling

author and creator of the hit Netflix drama *The Stranger* takes readers on an electrifying ride in this thriller that peeks behind the white picket fences of suburbia—where one mistake can change your life forever. One night, Matt Hunter innocently tried to break up a fight—and ended up a killer. Now, nine years later, he's an ex-con who takes nothing for granted. His wife, Olivia, is pregnant, and the two of them are closing on their dream house. But all it will take is one shocking, inexplicable call from Olivia's cell phone to shatter Matt's life a second time...

One Day - David Nicholls 2011-08-24

'ONE DAY is destined to be a modern classic' - Daily Mirror Twenty years, two people, ONE DAY. The multi-million copy bestseller that captures the experiences of a generation. 'I can imagine you at forty,' she said, a hint of malice in her voice. 'I can picture it right now.' He smiled without opening his eyes. 'Go on then.' 15th July 1988. Emma and Dexter meet for the first time on the night of their graduation. Tomorrow they must go their separate ways. So where will they be on this one day next year? And the year after that? And every year that follows? Now a major motion picture starring Anne Hathaway and directed by Lone Scherfig.

Fashion and Film - Peter Bug 2019-09-17

This book aims to explore various aspects of the use of moving images in fashion retail and fashion apparel companies in-store or online. The use of moving images is growing in numbers and in relevance for consumers. Films can be used in various forms by fashion businesses in traditional media like cinema or TV and in modern forms like in social media or moving images in high street stores. The book provides a data-oriented analysis of the state-of-the-art with certain future outlooks. Additional areas of covering fashion in moving images, such as 'fashion company identity films' or 'fashion and music videos' are covered in order to get a more complete analysis from a consumer influenced perspective.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.
