Off Broadway Musicals,

1910-2007 - Dan Dietz

2010-03-10

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway

theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative

*Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest*

team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

Emmy - 2004

Hiroshima - John Hersey

2019-06-05

Pulitzer Prize-winning journalist and bestselling author John Hersey's seminal work of narrative nonfiction which has defined the way we think about nuclear warfare. "One of the great classics of the war" (The New Republic) that tells what happened in Hiroshima during World War II through the memories of the survivors of the first atomic bomb ever dropped on a city. "The perspective [Hiroshima] offers from the bomb's actual victims is the mandatory counterpart to any Oppenheimer viewing." —GQ

Magazine "Nothing can be said about this book that can equal what the book has to say. It speaks for itself, and in an unforgettable way, for humanity." —The New York Times Hiroshima is the story of six human beings who lived through the greatest single manmade disaster in history. John Hersey tells what these six -- a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest -- were doing at 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city. Then he follows the course of their lives hour by hour, day by day. The New Yorker of August 31, 1946, devoted all its space to this story. The immediate repercussions were vast: newspapers here and abroad reprinted it; during evening half-hours it was read over the network of the American Broadcasting Company; leading editorials were devoted to it in uncounted newspapers. Almost four decades after the

*Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest*

original publication of this celebrated book John Hersey went back to Hiroshima in search of the people whose stories he had told. His account of what he discovered about them -- the variety of ways in which they responded to the past and went on with their lives -- is now the eloquent and moving final chapter of Hiroshima.

TV Guide - 2005

Rent - Jonathan Larson 2008 (Applause Libretto Library). Finally, an authorized libretto to this modern day classic! Rent won the 1996 Pulitzer Prize for Drama, as well as four Tony Awards, including Best Musical, Best Book, and Best Score for Jonathan Larson. The story of Mark, Roger, Maureen, Tom Collins, Angel, Mimi, JoAnne, and their friends on the Lower East Side of New York City will live on, along with the affirmation that there is "no day but today." Includes 16 color photographs of productions of Rent from around the world, plus an introduction ("Rent Is Real") by

Victoria Leacock Hoffman.
Accent in North American Film and Television - Charles Boberg 2021-12-16

A phonetic analysis of accents in North American film and television: how they vary and how they have changed.

Encyclopedia of Television Shows, 1925 through 2010, 2d ed. - Vincent Terrace 2014-01-10

This fully updated and expanded edition covers over 10,200 programs, making it the most comprehensive documentation of television programs ever published. In addition to covering the standard network and cable entertainment genres, the book also covers programs generally not covered elsewhere in print (or even online), including Internet series, aired and unaired pilot films, erotic series, gay and lesbian series, risqué cartoons and experimental programs from 1925 through 1945.

You've Come A Long Way, Baby - Lilly J. Goren 2009-05-22

Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest

The landmark 2008 presidential and vice presidential campaigns of Hillary Clinton and Sarah Palin brought the role of women in American leadership into sharper focus than ever before. These women and others such as Nancy Pelosi and Katie Couric who are successful in traditionally male-dominated fields, demonstrate how women's roles have changed in the last thirty years. In the past, the nightly news was anchored by male journalists, presidential cabinets were composed solely of male advisors, and a female presidential candidate was an idea for the distant future, but the efforts of dedicated reformers have changed the social landscape. The empowerment of women is not limited to the political sphere, but is also echoed by the portrayal of women in film, television, magazines, and literature. *You've Come a Long Way, Baby: Women, Politics, and Popular Culture* investigates the role of popular culture in women's lives.

Framed by discussions of contemporary feminism, the volume examines gender in relation to sexuality, the workplace, consumerism, fashion, politics, and the beauty industry. In analyzing societal depictions of women, editor Lilly J. Goren and an impressive list of contributors illustrate how media reflects and shapes the feminine sense of power, identity, and the daily challenges of the twenty-first century. Along with a discussion of women in politics, various contributors examine a range of gender-related issues from modern motherhood and its implications for female independence to the roles of women and feminism in pop music. In addition, Natalie Fuehrer Taylor outlines the evolution of women's magazines from *Ladies' Home Journal* to *Cosmopolitan*. The impact of television and literature on body image issues is also explored by Linda Beail, who draws on trendy chick lit phenomena such as *Gossip Girl* and *Sex and the City*, and Emily Askew, who analyzes the

Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest

effects of image transformation in programs such as *The Swan* and *Extreme Makeover*. As comprehensive as it is accessible, *You've Come a Long Way, Baby* is a practical guide to understanding modern gender roles. In tracing the different ways in which femininity is constructed and viewed, the book demonstrates how women have reclaimed traditionally domestic activities that include knitting, gardening, and cooking, as well as feminine symbols such as Barbie dolls, high heels, and lipstick. Though the demand for and pursuit of gender equality opened many doors, the contributors reveal that fictional women's roles are often at odds with the daily experiences of most women. By employing an open approach rather than adhering to a single, narrow theory, *You've Come a Long Way, Baby* appeals not only to scholars and students of gender studies but to anyone interested in confronting the struggles and celebrating the achievements of women in modern society.

Policing Public Sex - Ephen Glenn Colter 1996

As some activists have turned to regulation rather than education in the effort to curb the AIDS epidemic, the public culture at the foundation of queer culture has come under attack.

Strange Neighbors - Ashlyn Chase 2010-06-01

"Dynamic, steamy, and hilarious."—Fresh Fiction First in a feisty paranormal romance trilogy, shapeshifter-landlord Jason Falco's brownstone is occupied by the oddest of tenants: a gregarious werewolf, a vigilante vampire, two witches moonlighting as phone sex operators, and the beautiful all-too-human nurse he would desperately love to sweep off her feet. There's never a dull moment when hunky all-star pitcher and shapeshifter Jason Falco invests in an old Boston brownstone apartment building full of supernatural creatures. But when Merry MacKenzie moves into the ground floor apartment, the playboy pitcher decides he might just be done

playing the field... Sexy Jason seems like the perfect fling, but newly independent nurse Merry's not sure she's ready to trust him with her heart...especially when the tabloids start trumpeting his playboy lifestyle. Then pandemonium breaks loose and Merry and Jason will never get it together without a little help from the vampire who lives in the basement and the werewolf from upstairs. Strange Neighbors Series Strange Neighbors (Book 1) The Werewolf Upstairs (Book 2) The Vampire Next Door (Book 3) Praise for The Werewolf Upstairs: "Witty and wonderful...the entertaining plot, humor, sizzling sensual scenes, and romance make this story unforgettable."—Romance Junkies "Original and full of laughs, steamy sex, and madcap mayhem."—Night Owl Romance "An entertaining, funny read." —RT Book Reviews "Delicious romance...The Werewolf Upstairs seduced me!"—Sparkling Reviews

sex-and-the-city-cast-neighbor

Gene Tierney - Michelle Vogel
2010-03-22

Called the most beautiful woman in movie history, Gene Tierney starred in such 1940s classics as *Laura*, *Leave Her to Heaven* and *The Ghost and Mrs. Muir*. Her on-screen presence and ability to transform into a variety of characters made her a film legend. Her personal life was a whirlwind of romance (she married a count, was engaged to a prince, and was courted by a future president) and tragedy (her first daughter was born with severe retardation and Tierney herself struggled with mental illness). After years of treatment, including electroshock therapy that erased portions of her life from her memory, she triumphantly returned in one of the biggest comebacks in Hollywood history. This first complete biography since the actress's death includes a foreword by her daughter, Christina Cassini, an extensive filmography, and many rare photographs.

Introduction to Probability -

Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest

Joseph K. Blitzstein 2014-07-24
Developed from celebrated Harvard statistics lectures, Introduction to Probability provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section

showing how to perform relevant simulations and calculations in R, a free statistical software environment.

Intimate Violence - David Greven 2017-02-13

Intimate Violence explores the consistent cold war in Hitchcock's films between his heterosexual heroines and his queer characters, usually though not always male. Decentering the authority of the male hero, Hitchcock's films allow his female and queer characters to vie for narrative power, often in conflict with one another. These conflicts eerily echo the tense standoff between feminism and queer theory. From a reparative psychoanalytic perspective, David Greven merges queer and feminist approaches to Hitchcock. Using the theories of Melanie Klein, Greven argues that Hitchcock's work thematizes a constant battle between desires to injure and to repair the loved object. Greven develops a theory of sexual hegemony. The feminine

*Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest*

versus the queer conflict, as he calls it, in Hitchcock films illuminates the shared but rivalrous struggles for autonomy and visibility on the part of female and queer subjects. The heroine is vulnerable to misogyny, but she often gains an access to agency that the queer subject longs for, mistaking her partial autonomy for social power. Hitchcock's queer personae, however, wield a seductive power over his heterosexual subjects, having access to illusion and masquerade that the knowledge-seeking heroine must destroy. Freud's theory of paranoia, understood as a tool for the dissection of cultural homophobia, illuminates the feminine versus the queer conflict, the female subject position, and the consistent forms of homoerotic antagonism in the Hitchcock film. Through close readings of such key Hitchcock works as *North by Northwest*, *Psycho*, *Strangers on a Train*, *Spellbound*, *Rope*, *Marnie*, and *The Birds*, Greven explores the ongoing conflicts between the

heroine and queer subjects and the simultaneous allure and horror of same-sex relationships in the director's films.

The Michigan Journal - 2007

Love in the Time of Serial Killers - Alicia Thompson
2023-03-30

'Unique, sexy, hilarious, charming... The true crime is NOT reading this novel!' Ali Hazelwood, author of *The Love Hypothesis* 'A criminally addictive romance... this book is sheer perfection from beginning to end' Rachel Lynn Solomon, author of *The Ex Talk* -- Turns out that reading nothing but true crime isn't exactly conducive to modern dating - and one woman is going to have to learn how to give love a chance when she's used to suspecting the worst. PhD candidate Phoebe Walsh has always been obsessed with true crime. She's even analysing the genre in her dissertation - if she can manage to finish writing it. It's hard to find the time while she spends the summer in Florida,

Downloaded from
legacy.opendemocracy.net
on 2022-05-15 by guest

cleaning out her childhood home, dealing with her obnoxiously good-natured younger brother, and grappling with the complicated feelings of mourning a father she hadn't had a relationship with for years. It doesn't help that she's low-key convinced that her new neighbour, Sam Dennings, is a serial killer (he may dress business casual by day, but at night he's clearly up to something). But it's not long before Phoebe realises that Sam might be something much scarier - a genuinely nice guy who can pierce her armour to reach her vulnerable heart. What readers are saying about Love in the Time of Serial Killers: 'Do you know when you disappear into a book? You, your surroundings, everything, ceases to exist? This book was that for me' 'The cover is gorgeous, and the inside is fun, witty, relatable and so entirely sweet' 'This was such an enjoyable read. I really loved the depths given to Phoebe, the way she created walls around herself, the themes were developed

organically and believably' 'Phoebe is one of the best female protagonists I've read in a long time' 'The whole thing made me laugh out loud and smile like an idiot sooo often' 'The book was witty and fun, but also thought out and honest'

Summer and the City (The Carrie Diaries, Book 2) -

Candace Bushnell 2013-04-25 Meet teenage Carrie Bradshaw as she hits the bright lights, big city of New York for the very first time! Find out how Carrie transforms from country girl to super-cool fashionista in the second explosive CARRIE DIARIES novel from the globally bestselling author of SEX AND THE CITY.

Encyclopedia of Television Shows - Vincent Terrace 2018-01-14

This is a supplement to the author's Encyclopedia of Television Shows, 1925-2010. It covers 1,612 series broadcast between January 1, 2011, and December 31, 2016. Major networks--ABC, CBS, the CW, Fox and NBC--are covered

along with many cable channels, such as AMC, Disney, Nickelodeon, Bravo, Lifetime, Discovery, TNT, Comedy Central and History Channel. Alphabetical entries provide storylines, casts, networks and running dates. A performer index is included.

Documentary History of Jamestown Island - Martha W. McCartney 2000

Peaceful Neighbor - Michael Long 2015-03-13

Fred Rogers was one of the most radical pacifists of contemporary history. We do not usually think of him as radical, partly because he wore colorful, soft sweaters made by his mother. Nor do we usually imagine him as a pacifist; that adjective seems way too political to describe the host of a children's program known for its focus on feelings. We have restricted Fred Rogers to the realm of entertainment, children, and feelings, and we've ripped him out of his political and religious context.

Rogers was an ordained Presbyterian minister, and although he rarely shared his religious convictions on his program, he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness. With this progressive spirituality as his inspiration, Rogers used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another, animals, and the earth. To critics who dared call him "namby-pamby," Rogers said, "Only people who take the time to see our work can begin to understand the depth of it." This is the invitation of *Peaceful Neighbor*, to see and understand Rogers's convictions and their expression through his program. Mister Rogers' Neighborhood, it turns out, is far from sappy, sentimental, and shallow; it's a sharp political response to a civil and political society poised to kill.
