**The Handmaid's Tale** - Margaret Atwood 2016-08-04

NOW A SMASH-HIT CHANNEL 4 TV SERIES 'It isn't running away they're afraid of. We wouldn't get far. It's those other escapes, the ones you can open in yourself, given a cutting edge' Offred is a Handmaid. She has only one function: to breed. If she refuses to play her part she will, like all dissenters, be hanged at the wall or sent out to die slowly of radiation sickness. She may walk daily to the market and utter demure words to other Handmaid's, but her role is fixed, her freedom a forgotten concept. Offred remembers her old life - love, family, a job, access to the news. It has all been taken away. But even a repressive state cannot obliterate desire. Includes exclusive content: In The 'Backstory' you can read Margaret Atwood's account of how she came to write this landmark dystopian novel 'Compulsively readable' Daily Telegraph

**Normal People** - Sally Rooney 2019-04-16

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of Conversations with Friends, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search

for meaning elsewhere, each must confront how far they are willing to go to save the other. Normal People is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for Normal People “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to Conversations with Friends. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker [The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration](#) - Mary Scannell 2010-05-28

Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The Big Book of Conflict-Resolution Games offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling Big Books series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other specific problem areas—before they affect your organization's bottom line. Let The Big Book of Conflict-Resolution Games help you to: Build trust Foster morale Improve processes Overcome diversity issues And more Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in The Big Book of Conflict-Resolution Games delivers everything you need to make your workplace more efficient, effective, and engaged.

**Unnatural Death** - Michael M. Baden 2003

*American Independent Cinema* - Geoff King 2014-09-08

The independent sector has produced many of the most distinctive films to have appeared in the US in recent decades. From 'Sex, Lies and Videotape' in the 1980s to 'The Blair Witch Project' and New Queer Cinema in the 1990s and the ultra-low budget digital video features of the 2000s, indie films have thrived, creating a body of work that stands out from the dominant Hollywood mainstream. But what exactly is 'independent' cinema? This, the first book to examine the question in detail, argues that independence can be defined partly in industry terms but also according to formal and aesthetic strategies and by distinctive attitudes towards social and political issues, suggesting that independence is a dynamic rather than a fixed quality. Chapters focus on distribution and relationships with Hollywood studios; narrative ('Clerks' and 'Slacker' to 'Pulp Fiction', 'Magnolia' and 'Memento') and other formal dimensions (from 'Blair Witch's' 'authenticity' to expressive and stylized camerawork and editing in work from Harmony Korine to the Coen brothers); approaches to genre and alternative socio-political visions.

*The Business of Media Distribution* - Jeff Ulin 2012-12-06

This book focuses on market opportunity and segmentation, intellectual property assets enabling, financing production, theatrical distribution, the home video business, television distribution, internet distribution, ancillary revenues, marketing and making money & net profits, Hollywood accounting, and the relative simplicity of online revenue sharing.

*Maverick Movies* - Daniel Herbert 2023-11-21

A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. *Maverick Movies* tells the improbable story of New Line Cinema, a company that cut a remarkable path through the American film industry and movie culture. Founded in 1967 as an art film distributor, New Line made a small fortune running John Waters's *Pink Flamingos* at midnight screenings in the 1970s and found reliable returns with the *Nightmare on Elm Street* franchise in the

1980s. By 2001, the company competed with the major Hollywood studios and reached global box office success with the *Lord of the Rings* franchise. Blurring boundaries between high and low culture, between independent film and Hollywood, and between the margins and the mainstream, New Line Cinema epitomizes Hollywood's shift in focus from the mass audience fostered by the classic studios to the multitude of niche audiences sought today.

**Law Enforcement in Los Angeles** - Los Angeles (Calif.). Police Department 1974

*Morning Drive* - Michael A. Smerconish 2009

Smerconish--attorney-turned-political-pundit--offers his trademark straight talk on hot-button issues, from stem-cell research and balancing budgets, to immigration and what he calls the "non-hunt" for Osama bin Laden.

*The Great Sex Rescue* - Sheila Wray Gregoire 2021-03-02

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

**Indie TV** - James Lyons 2023-03-27

This edited collection is the first book to offer a wide-ranging

examination of the interface between American independent film and a converged television landscape that consists of terrestrial broadcasters, cable networks and streaming providers, in which independent film and television intersect in complex, multifaceted and creative ways. The book covers the long history of continuities and connections between the two sectors, as seen in the activities of PBS, HBO or Sundance. It considers the movement of filmmakers between indie film and TV such as Steven Soderbergh, Rian Johnson, the Duplass brothers, Joe Swanberg, Lynn Shelton and Gregg Araki; details the confluence of aesthetic and thematic elements seen in shows such as *Girls*, *Breaking Bad*, *Master of None*, or *Glow*; points to a shared interest in regional sensibilities evident in shows like *One Mississippi* or *Fargo*; and makes the case for documentaries and web series as significant entities in this domain. Collectively, the book builds a compelling picture of indie TV as a significant feature of US screen entertainment in the 21st Century. This interdisciplinary landmark volume will be a go-to reference for students and scholars of Television Studies, Film Studies and Media Studies.

**Riding the Bus with My Sister** - Rachel Simon 2013-03-05

A “heartwarming, life-affirming” memoir of a relationship with an intellectually disabled sibling: “Read this book. It might just change your life” (Boston Herald). Beth is a spirited woman with an intellectual disability who lives intensely and often joyfully, and spends most of her days riding the buses in Pennsylvania. The drivers, a lively group, are her mentors; her fellow passengers, her community—though some display less patience or kindness than others. Her sister, Rachel, a teacher and writer, camouflages her emotional isolation by leading a hyperbusy life. But one day, Beth asks Rachel to accompany her on public transportation for an entire year—and Rachel accepts. This wise, funny, deeply affecting book is the chronicle of that remarkable time, as Rachel learns how to live in the moment, how to pay attention to what really matters, how to change, how to love—and how to slow down and enjoy the ride. Weaving in anecdotes and memories of terrifying maternal abandonment, fierce sisterly loyalty, and astonishing forgiveness, Rachel Simon brings to light a world that is almost invisible to many people, finds unlikely heroes in

everyday life, and, without sentimentality, wrestles with her own limitations and portrays Beth as the endearing, feisty, independent person she is. “With tenderness and fury, heartbreak and acceptance . . . Simon comes to the inescapable conclusion that we are all riders on the bus, and on the bus we are all the same.” —Jacquelyn Mitchard, author of *The Deep End of the Ocean*

**Tell Me Lies** - Carola Lovering 2018-06-12

Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. “A twisted modern love story” (Parade), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn’t let go of. The one you’ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she’s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she’s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy’s heart. Lucy knows there’s something about Stephen that isn’t to be trusted. Stephen knows Lucy can’t tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy’s and Stephen’s voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. “Readers will be enraptured” (Booklist) by the “unforgettable beauties in this very sexy story” (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

*Nine Perfect Strangers* - Liane Moriarty 2021-08-10

"Could ten days at a health resort really change you forever? Nine people gather at a remote health resort, some to lose weight, some to reboot their lives, some are here for reasons they can't even admit to themselves. They know these ten days might involve some real work. But none of them could imagine just how challenging the next ten days will be."--

Introduction to Austin Butler - Gilad James, PhD

Austin Butler is a well-known American actor who has amassed a large following over the years. He was born on August 17, 1991, in Anaheim, California, and he was raised in a family that was involved in entertainment. Butler has had an interest in acting at a young age, and he began taking acting classes when he was just thirteen years old. He made his acting debut in 2005, when he appeared in an episode of the Nickelodeon series "Ned's Declassified School Survival Guide." Since that time, Butler has appeared in numerous television shows and films, including "Zoey 101," "Hannah Montana," and "Ruby and the Rockits." Some of his other notable roles include those in "Switched at Birth," "The Carrie Diaries," and "The Shannara Chronicles." Butler has received praise for his acting abilities and his ability to connect with audiences, and he has been nominated for several awards for his work. He continues to be active in the entertainment industry and is considered to be one of the most talented and promising young actors of his generation. Overall, Austin Butler is a talented and versatile actor who has made a name for himself in the entertainment industry. He has many fans who appreciate his talent and his ability to bring characters to life onscreen. With his passion for acting and his dedication to his craft, it seems likely that Butler will continue to be a major presence in the entertainment industry for many years to come.

Indie Cinema Online - Sarah E.S. Sinwell 2020-08-14

Indie Cinema Online investigates the changing nature of contemporary American independent cinema in an era of media convergence. Focusing on the ways in which modes of production, distribution, and exhibition are shifting with the advent of online streaming, simultaneous release

strategies, and web series, this book analyzes sites such as SundanceTV, YouTube, Netflix, Hulu, and other online spaces as a means of redefining independent cinema in a digital era. Analyzing the intersections among cinema studies, cultural studies, and new media studies within contemporary convergence culture, author Sarah E.S. Sinwell looks at sites of media convergence that are often ignored within most studies of digital media. Emphasizing the ways in which the forms and technologies of media culture have changed during the age of convergence, this book analyzes contemporary production, distribution, and exhibition practices as a means of examining the changing meanings of independent cinema within digital culture.

**A Companion to American Indie Film** - Geoff King 2016-12-19

A Companion to American Indie Film features a comprehensive collection of newly commissioned essays that represent a state-of-the-art resource for understanding key aspects of the field of indie films produced in the United States. Takes a comprehensive and fresh new look at the topic of American indie film Features newly commissioned essays from top film experts and emerging scholars that represent the state-of-the-art reference to the indie film field Topics covered include: indie film culture; key historical moments and movements in indie film history; relationships between indie film and other indie media; and issues including class, gender, regional identity and stardom in in the indie field Includes studies of many types of indie films and film genres, along with various filmmakers and performers that have come to define the field

**Forensic Files Now** - Rebecca Reisner 2022-10-15

Perhaps no other television show captures our innate fascination with crime and criminals better than the original Forensic Files. Including murders, insurance fraud, hit-and-runs, and kidnappings, all cases featured on the show are solved in large part with the help of forensic science like DNA evidence. In Forensic Files Now: Inside 40 Unforgettable Cases, author Rebecca Reisner shares her own gripping retellings — adapted from her popular blog, ForensicFilesNow.com — of 40 favorite cases profiled on the show along with fascinating updates and personal interviews with those directly involved. Featuring classic cases

like the Tennessee brothers who terrorized locals for years until the feds rode into town, the Texas lovebirds who robbed a grave in an insurance fraud plot that made international headlines, the Ivy League-educated physician who attempted a fresh start by burying his wife in the basement, and some cases so captivating that they have sparked spinoff miniseries or documentaries of their own, this book will enthrall readers with its vivid recaps and detailed updates. Also featuring an in-depth interview with Forensic Files creator Paul Dowling and a profile on the show's beloved narrator, Peter Thomas, *Forensic Files Now* is a must-read for diehard *Forensic Files* fans and a welcome find for true crime readers looking for more riveting and well-told stories.

**She Lies in Wait** - Gytha Lodge 2019-01-08

Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in “a scorching portrait of friendship and its betrayal.” (Nicci French). “This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence.”—The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora's body is unearthed in a hideaway that only the six friends knew about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he's determined to finally get to the truth of what happened that night. Sheens's investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief

Inspector Jonah Sheens. Praise for *She Lies in Wait* “A novel that literally makes you hold your breath then gasp out loud.”—Val McDermid “*She Lies in Wait* is an atmospheric, deeply satisfying, well-written mystery whose resolution rings true after lots of false leads and blind alleys. A remarkably adept first novel. One hopes there will be many more to come.”—Daily Herald “The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre.”—Kirkus Reviews (starred review) “What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted.”—A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

**Bad Blood** - John Carreyrou 2018-05-31

‘I couldn't put down this thriller’ - Bill Gates Winner of the Financial Times/McKinsey Business Book of the Year Award. The shocking true story of the breathtaking rise and collapse of Theranos, the multibillion-dollar biotech startup founded by Elizabeth Holmes, written by the prize-winning journalist who first broke the story and pursued it to the end. Seen as the female Steve Jobs, Theranos founder and CEO Elizabeth Holmes was a brilliant Stanford dropout whose startup ‘unicorn’ promised to revolutionize the medical industry with a machine that would make blood testing significantly faster and easier. Backed by wealthy investors, Theranos sold shares that valued the company at more than \$9 billion. There was just one problem: the technology didn't work . . . Despite threats of legal action, brave whistleblowers started to talk. They revealed a culture of intimidation and secrecy, technology that repeatedly failed, results sent to real patients that were incorrect but upon which life-changing medical decisions were being made, with devastating consequences. The riveting story behind *The Dropout*, in *Bad Blood*, John Carreyrou investigates the biggest corporate fraud since Enron, a tale of ambition and scandal set amid the bold promises of Silicon Valley. 'A tale of corporate fraud and legal browbeating that reads like a crime thriller' - The 10 Best Nonfiction Books, TIME
