

Sex Symbols Of The 60s And 70s

The Watchers Guide Buffy The Vampire Slayer - Christopher Golden 1998-10-01

The ultimate fan guide to "this season's most distinctive and sharply written new show" ("Entertainment Weekly"), this official companion book includes exclusive interviews, never-before-seen photos, a day on the set journal, and more. of color photos.

Bulawan -

Would You Rather...? Overstuffed - Justin Heimberg 2008-10

The comic phenomenon known as the 'Would You Rather...' series finds its ultimate expression in this enormous compilation of deranged dilemmas - more than 1,500 in nearly 500 pages! -- accompanied by zany illustrations, games, and comedic riffs. Authors Justin Heimberg and David Gomberg draw on everything from movies and music to food and drink in this collection that's perfect for groups, parties, or the lone reader who wants a good laugh.

Anger in the Air - Joyce A. Hunter 2016-04-15

The new realities of airline travel came into full focus after the September 11 terrorist attacks. These horrific events escalated air rage incidents by 400%, but more importantly they put the entire airline industry under the spotlight. In subsequent years, the general public began to voice frustrations with the industry in very dramatic ways, a marked shift in consumer behavior from that of before 9/11. The International Transport Workers Federation responded with a call to action to bring about major changes to raise the airline industry to a level of service quality sufficient to meet the needs of 21st Century passengers. The quality of services that airline customers expect and the propensity toward air rage needs to be understood. Undoubtedly, some passengers are prone to air rage by factors in no way related to customer service. However, a better understanding of the customer's perception of service and airlines' offerings is one way of addressing the air rage crisis, combating the contributing factors long before they conspire to provoke a damaging incidence. **Anger in the Air: Combating the Air Rage Phenomenon** provides airlines with valuable input to help them better meet the service expectations of their customers and avoid instances of air rage on their flights. What do today's customers need and expect? What do airline customers perceive as the quality of services and how can the gap be closed between expectations and perceptions? The book addresses these key issues in five stages: 1.

Yankee Go Home (& Take Me With U) - George McKay 2016-10-06

We can do little to escape the experience of the United States of America through many media: TV, pop music, youth culture, Hollywood, fast food. How do these traces and images affect us? Do we internalize them, want to be American? Do we (can we?) resist them? Is our desire for them a symptom of European pop culture's crisis? From black face minstrelsy, rap music and fiction to McDonald's, rock festivals and Star Trek, the cultural conception of America is critically unpacked by contributors from Europe, Israel and the USA. McKay rounds off the picture by offering a comprehensive introduction that explains theoretical approaches to Americanization from the thesis of Yankee cultural imperialism to America as site of liberation or fantasy.

Selves, Symbols, and Sexualities - Thomas S. Weinberg 2014-03-06

Offering an anthology of original articles on sexuality from a sociological perspective, **Selves, Symbols, and Sexualities: An Interactionist Anthology** focuses on the diverse and multi-layered meanings of sexuality, sexual behaviors and sexual identities. Thomas S. Weinberg and Staci Newmahr bring you essays that explore sexuality as a social process. As a whole, the book takes the perspective that what each of us understands to be sexual is constructed through everyday social processes and interaction, situated in particular spaces and moments, identified through our social-sexual presentations, and symbolized through language, objects and practices. The book is organized around these four distinct but interrelated processes, and augmented by personal narratives around relevant issues. The authors' goals for the book are to engage students in the sociological enterprise by providing interesting and insightful entries that emphasize the importance of meaning-making in human sexuality, and to provide them with conceptual tools to understand human sexuality in a complex and quickly changing sexual landscape.

Women's Sexual Experience - Martha Kirkpatrick 2012-12-06

This book, like its companion volume, *Women's Sexual Development*, is a potpourri of ideas, not campaign literature to promote a particular point of view. The editor agrees with some of her authors and strongly disagrees with others. The "facts" are few, the questions many. The intent of both books is to evoke questions, delay convictions, invite controversy, and plead for opening minds. The examination and explanation of women's sexual experience has long been the province of men. The "is" and the "oughts" have been hopelessly confused by the investigators' (or exhorters') biases and limited experience, as well as by the use of the male sexual experience as the model for all human sexual experience. Women, at long last, are talking not only to each other, in personal journals and letters, but also in the more formal worlds of academic and scientific publications. The papers in this book come from many sources. Some are academic; some are experiential, journalistic, or personal. Several emphasize the lack of adequate research and data but address an issue that is just appearing on the surface of contemporary controversy and concern. Many topics and sources of information are missing.

Debating Gender, Debating Sexuality - Nikki R. Keddie 1996-04

Debating Gender, Debating Sexuality incorporates many different and fruitful approaches to understanding gender and sexuality. In this collection, Nikki R. Keddie presents essays, chosen from the journal *Contention*, written by outstanding scholars and theorists, along with responses to them. Topics discussed include procreation and female oppression, trends in feminist theory, gender and U.S. social policy, Marxism and women's history, the male search for identity today and the works of Foucault and Freud. Contributors include Nicky Hart, Juliet Mitchell, Elizabeth Fox-Genovese, Barbara Laslett, Sandra Harding, Linda Gordon, Theda Skocpol, Deborah Valenze, Iris Berger, Philippa Levine, Susan Rubin Suleiman, Theodore C. Kent, Roy Porter, Mark Poster, Jeffrey Masson, Frederick Crews, and Jeffrey Prager.

It's Not Nostalgia - Michael Lally 1999

In compulsively honest poems and prose vignettes, Michael Lally unreels "glimpses of the private movie I have always starred in and now have flashes of wanting only to direct." This book is Lally's rough cut, the rawest scenes intact.

Over the Top and Back - Tom Jones 2015-10-08

Discover the remarkably honest and captivating story of one of the world's greatest ever singing talents, Sir Tom Jones 'Brilliantly told' SUNDAY TIMES 'A terrific, star-studded journey' DAILY EXPRESS _____ 'For a lot of years, I've answered a lot of questions, but have never told my story before . . .' In a business where dreams are often short-lived, Sir Tom Jones has maintained his sensational career across six decades. But how did a boy from a Welsh coal-mining family attain success across the globe over the course of decades? In this, his first ever autobiography, Tom revisits his past and tells the tale of his journey from wartime Pontypridd to LA and beyond. He reveals the stories behind the ups and downs of his fascinating and remarkable life, from the early heydays to the subsequent fallow years to his later period of artistic renaissance. It's the story nobody else knows or understands, told by the man who lived it, and written the only way he knows how: simply and from the heart. Raw, honest, funny and powerful, this is a memoir like no other from one of the world's greatest ever singing talents. _____ 'Packed with the kind of showbiz tales you don't get any more' Daily Express 'Hugely enjoyable' Daily Mail 'A book that gets to Jones's core' Daily Mirror 'This lively, thoughtful and entertaining account does justice to a remarkable life and career' Sunday Express 'A brilliant read full of charm' Woman & Home **SPIN** - 1993-07

From the concert stage to the dressing room, from the recording studio to the digital realm, **SPIN** surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of **SPIN** pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, **SPIN** is your monthly VIP pass to all that rocks.

Diary of an Angry Targeted Individual - Renee Pittman 2014-03-31

The key to the success of weaponized beamed technology derived from the Electromagnetic Spectrum depends on several factors. One of the

most successful is the strategic effort to discredit victims by applying the mental illness tag and hoping it will stick. For success, the use of anyone around victims, especially family members become crucial. Renee Pittman continues her mission of exposing the hidden evil today by pulling back the shroud of secrecy. This is not only done through the testimony of professionals and compiled open literature evidence but through her personal experiences and the testimony of victims both men, women, and even children, confirming legalized, ongoing human experimentation on steroids. In a diary-like setting, the author gives explicit details of her continued, day-to-day battle, to combat covert technological terrorism. She details the continued hope of many for justice system intervention and coping with the roadblocks faced as an inability to effectively litigate against a Goliath, in these cases, high-powered government agencies of the United States of America. Sadly, many attorneys will not touch these difficult to prove cases, due to the invisible beamed weapons being used. As a result, thousands of lives are being destroyed without recourse. However, to the dismay of those seeking to keep the widespread use of advanced psychotronic technology under wraps and its capabilities, Pittman details, not only its machination but also provides excellent examples of precise, heinous, manipulative techniques, for example, the creation of sexual deviance as well, as a means of controlling targets and even blackmailing into submission. With the focus on women, many report covert efforts to turn women into sex slaves by the men of depraved minds who are some of the more perverse at the helm of these advancements. The battle to bring the truth before the public continues with the assurance that the truth will ultimately prevail and inevitably always has!

Special Agent Scully - Malcolm Butt 1997

Since it premiered three years ago, "The X-Files" has achieved astronomical success, with more than 15 million viewers tuning in to each episode. This highly illustrated biography of Gillian Anderson tells the real-life story of the woman behind FBI Special Agent Dana Scully. in color.

On the Trail of Americana Music - Ralph Brookfield 2021-12-15

Based on numerous interviews with leading musicians and music industry professionals, this book explores the illusive genre and movement that is Americana. From its historical roots in Country, Folk and other rebel music, the story of Americana music is told by those who are taking it in new directions today. With so many music venues closed and incomes reduced, musicians speak of their hopes and fears for the future of the industry in challenging times. Interviews with: Emily Barker, Yola, Troy Cassar-Daley, Kasey Chambers, Dave Cobb, Paul Kelly, John Murry, Lindi Ortega, Wildwood Kin and many more. ABOUT THE AUTHOR Ralph Brookfield trained as a molecular physicist, worked as a freelance writer and software engineer, ran his own software business then became a director of technology in the digital television industry until 2012. Since then, he has pursued his passions of writing and music which he combines in his songwriting, playing regularly with his band in the Ealing area, the crucible of RnB music in the UK, where he also manages and promotes grassroots music. He is married, has two grown-up children, and is a founder member of the infamous Hanwell Ukulele Group. REVIEWS: "This book is the story of the richest tapestry of music ever found in one country... So join in with the author on this journey of discovery, from coast to coast, from around the world, this wonderful music... this is Americana!" - Pete Clack, Blues in Britain Magazine. "This is a great and informative read for any fan of the world's coolest music genre, Americana." - Nash Chambers, award-winning Music Producer "A deep, inquisitive dive into the Americana story so far. In the best possible way, Ralph Brookfield's roots are showing." -Paul Sexton, Music writer and broadcaster "... it is a volume of varied parts and something of a curate's egg. The chapters on the history and strands of Americana in America make good reading as do the chapters on Ireland, and the role of women. Perhaps not surprisingly the interest in the other chapters diminishes in proportion to the nature and size of the Americana 'scene' found in each country. I did admire his reasoned thoughts on Keith Urban (seemingly someone subject to a degree of derision) and where he sits in the musical cosmos... One real bonus is a huge list of what are called endnotes... Brookfield finishes the book with some brief words on the future, which he sees might take us eventually to the land of Cosmic American Music as described by Gram Parsons. Presently he identifies a retro movement as exemplified by Pokey le Farge. He also recognises Kasey Chambers's work with native Australians, Psychedelic influences, and the work of Gangstagrass and the Alabama 3. Americana remains a very rich stew!" - Gordon Sharpe - Americana-UK.

Computer Supported Qualitative Research - António Pedro Costa 2021-04-03

This book includes selecting the articles accepted for presentation and discussion at WCQR2021, held on January 20th to 22nd, 2021 (Virtual Conference). The World Conference on Qualitative Research (WCQR) is an annual event that aims to bring together researchers, academics and professionals, promoting the sharing and discussion of knowledge, new perspectives, experiences and innovations on Qualitative Research. WCQR2021 featured four main application fields (Education, Health, Social Sciences, and Engineering/Technology) and seven main subjects: Rationale and Paradigms of Qualitative Research; Systematization of Approaches with Qualitative Studies; Qualitative and Mixed Methods Research; Data Analysis Types; Innovative Processes of Qualitative Data Analysis; Qualitative Research in Web Context; Qualitative Analysis with Software Support. The book is a valuable resource for everyone interested in qualitative research, emphasizing Computer-Assisted Qualitative Data Analysis Software (CAQDAS).

North Korea at a Crossroads - Suk Hi Kim 2010-06-28

Some fifty years after war, the Korean peninsula remains divided at the 38th parallel. The end of the Cold War in 1989 brought changes to many communist states, but North Korea remains embroiled in international crises. Looking forward, North Korea seemingly faces four choices: collapse, further war, peaceful reunification with the south, or status quo. This historical and political analysis covers the period from the division of the peninsula in 1948 to the future of North Korea beyond 2003. Topics include the Korean War, Kim Il Sung, famine, the economic collapse of the 1990s, Kim Jong Il, South Korea's sunshine policy, nuclear ambitions, "rogue state" status, George W. Bush's "axis of evil" remark made during his 2002 State of the Union address, and the current state of diplomatic relations. The final chapter considers the case for reconciliation. Appendix A is a chronology of the Korean Peninsula from 2333 BCE to 2003 CE. Appendix B is a directory of Korean Studies institutes and think tanks. Tables and statistics are integrated throughout the text. Reader aids accompany each chapter, including lists of further reading, key terms and questions.

Conversations with Contemporary Chicana and Chicano Writers - Hector Avalos Torres 2007

Interviews with major Chicana/o authors are the basis for this examination of the commonality of issues in the work of each of them.

Cosmetic Dermatology for Men, An Issue of Dermatologic Clinics, E-Book - Neil S. Sadick 2017-11-13

How to Find America and Germany in the Bible: Proof That France - Netherlands - Belgium - Switzerland - Norway - Iceland - Sweden - Finland - Denmark - State of Israel - United Kingdom and Ireland Are Modern Israelites Nations - Hugh Stewart 2021-06-15

The United States of America and Germany have "a rendezvous with destiny," to quote President Franklin D. Roosevelt. It is a rendezvous that will be devastating for America, yet neither will it bode well for Germany or the rest of the world. The lumbering European Project of 27 nations known as the European Union (EU) eventually will dwindle to ten willing nations (or ten regional groups of nations) federally united under the leadership of Germany. At last, the long-cherished dream of many Europeans for a resurgent and dominant Europe on the world stage will become a reality. With shades of Christendom from the Middle Ages, and free of Anglo-Saxon trappings and the moderating influence of the UK, the new EU will be an economic and military powerhouse that will serve as a counter balance to the once mighty U.S.A. and the growing China threat from the East. The Anglo-Saxon dream of a reinvigorated Anglosphere as an alternative to the EU will prove to be an illusion. Europe will enjoy a few years of unprecedented prosperity before the Project comes to a crashing halt. How to Find America and Germany In the Bible explains why these events will take place. It also tells us that the Israelite nations of Bible fame are alive and well under their modern names and that their day of awakening is near.

Ebony - 2005-11

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945

by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.
