**Getting Ready for Marriage** - Jim Burns

2014-09-01

Jim Burns and Doug Fields wish you the very best for your wedding, but sadly, they won't be able to make it. What they are here for is your marriage. Jim and Doug have seen it all. They have worked with many couples and have studied extensively to uncover the essential elements for making marriages thrive. This book is their early wedding gift to you: a comprehensive, easy-to-navigate road map for beginning your union. Filled with premium fuel for the journey—including meaningful exercises, hard truths, and conversations starters—this book will nourish and guide your relationship for

the long haul.

*SOS: Sick of Sex* - Robyn Mckelvy 2012-01-10

The book for every married woman that wants the abundant sex life with her husband that God desires for her. SOS is a book that exposes lies about our sexual intimacy. It helps the reader address their unique issues with intimacy because it allows them to address their personal story from their introduction to sex. We have all forged an opinion about sexual intimacy based on our private experience. Our sexual journey is just as unique as each woman. No two women will ever have the same life experience so this book offers each reader clarity of their unique path through their own "jourvotional ". This is a journal and devotional at the end of every chapter with questions to draw out the reader as she writes down her own path of how her views

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-08-03  
by guest*

on intimacy have formed. Filled with humor and reality, SOS gives the reader the opportunity to laugh, cry, pray and declare with dogged determination not to settle for mediocrity in her intimacy. Filled with a fresh perspective with other women's stories, how we view our bodies and all the things that attack our intimacy, SOS will keep the reader intrigued. This book will be used for personal encouragement in the area of sexual intimacy but it will also soon become a sought after Bible study for women in small groups. SOS will get women in the Christian community talking about sex with such expectation and hope that God's design of intimacy will become the new hot topic.

**Premarital Sex in America** - Mark Regnerus  
2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? Premarital Sex in America combines illuminating

personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts:

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-08-03  
by guest*

sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, Premarital Sex in America will serve as a touchstone for years to come.

**Reclaiming Intimacy** - Heather Jamison

The author speaks to couples and counselors dealing with the complicated emotional and spiritual problems generated by physical relationships that precede long-term commitment.

**Saving Your Second Marriage Before It Starts Workbook for Women Updated** - Les

and Leslie Parrott 2015-11-24

Build your second marriage on more than a hope

and a prayer. Sixty percent of second marriages fail, but yours can be among the ones that succeed. Relationship experts Les and Leslie Parrott show how you can beat the odds and make remarriage the best thing that's ever happened to you. More than a million couples have used the award-winning Saving Your Marriage Before It Starts to prepare for life-long love. And now, with Saving Your Second Marriage Before It Starts, Les and Leslie have added material for couples where one or both individuals are entering marriage for the second time. Uncover and understand the unique shaping factors you bring into your marriage as a woman. Prepare for some surprising and helpful insights, for honest, intimate, and enjoyable relationship-strengthening conversations with you and your fiancé, and for engaging discussions with a small group. Over the course of twenty-eight exercises, this workbook will help couples identify and meld your love styles. You'll shed amazing new light

*Sex Before the Sexual Revolution* - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

Love, Sex, & Marriage - Barrington O. Burrell  
2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear,

understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of new-born babies and their subsequent growth over the years to puberty and adolescence. 'Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood.'

**Picture Imperfect** - Alyssa Roat 2021-10-22  
Can a struggling career woman and a procrastinating artist save a beloved nonprofit? Aspiring novelist Caroline Penn expected a promotion, not a picture book assignment. But when her employer, the non-profit Helping

Hope, runs into financial trouble, this book might be the solution. With the company struggling to stay afloat, she and the illustrator will need to collaborate on a strict deadline-no problem for a workaholic like Caroline, right? Andy Jackson, a "starving" artist, pays the bills by taking on graphic design gigs, but his perfectionism gets in the way. If only he could focus on a project for once, perhaps he could achieve his dream to make art for children for a living. When the two are thrust together to create a book, Caroline can't seem to write for children, and Andy can't meet a deadline to save his life. As time ticks down to release day, the two must face their pasts and insecurities. If they can avoid strangling one another for long enough, they may just bring to the table what the other is missing. If not, the fate of their careers-and a beloved nonprofit-hangs in the balance.

**The Lipstick Gospel** - Stephanie Wilson  
2014-12-05

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-08-03  
by guest

Inspired by a broken heart and a wicked hangover, sorority girl Stephanie May Wilson throws in the towel on the life she's been living and packs her bags for a pilgrimage across three continents. Like so many great travelers before her, she finds herself and something completely unexpected along the way. Exploding

preconceived notions that Christianity is for grandmas and girls with ugly shoes, The Lipstick Gospel is the story of how one girl found God in heartbreak, the Sistine Chapel, and the perfect cappuccino.
