When she accidentally gets trapped in a room with him, Julia must face her most secret desires. Will the bad boy steal her pride once again? Or will he do much more damage - and steal her heart? This story is intended for an adult audience only! Excerpt: Taking in the whole room, I saw a variety of objects I couldn't quite identify. A harness of some sort that suspended from the ceiling by chains was directly to my right. I stood casually looking around when the realization of what I was seeing slowly started to sink in. A few whips and riding crops hung on the walls. The wooden apparatus was some type of restraint. And the harness hanging from chains was some

type of sex swing. My eyes widened in shock. I was locked in some kind of sex room with Derek! I tried to remove my hand from his warm grasp, but he held tightly. "Oh my God! Is this what I think it is?" He grinned boyishly. "Yes it is. And I'm glad to see you're so excited about it. The night is still young..." "What!" I practically squeaked. "I can't believe this! You mean you have a - uh, sex playroom down here? And you've locked me in here..." Derek interrupted my hysterical rant, "Hold on a minute. You are the one who locked us in here. And this is not my house. This is Jackson's sex playroom. stand up to an arrogant billionaire! Excerpt: 'Let's have a drink.' He goes over to one of the cupboards and opens it, and there is a fully stocked bar. 'I'm having scotch. What would you like?' 'Vodka. And juice.' If I'm drinking, I might as well do it properly. I hear the chink of ice, and the pour of the spirits. He comes over with the glasses and hands me mine. I take a sip. He's made it strong, but the ice takes away the sting. Before I can lower my glass, he lunges, finding my chin with his hand, and pulling it up to his waiting mouth. His kiss is soft and warm, and tastes of the scotch he has just consumed, making my lips tingle with warmth. Our mouths sink against one another as though they were made for each other. The kiss stretches on and on, neither of us wanting to end it. I open my mouth a little, and his tongue darts in, exploring. He moves closer, until his chest presses against mine. I can feel the strength of his body beneath his suit. I run a hand up his front. His abs are like steel,

and his chest is hard and defined. His hands slide down my body too, cupping my ass in firm hands. He pulls back suddenly. 'I don't know your name.' 'Alicia,' I say. 'Alicia,' he whispers. I am about to ask him his name when his mouth reclaims mine, and the kiss is so passionate it drives all rational thought from my head. The alcohol fills my being, making the world soft and fuzzy, letting me give in to the base need my body so desires. 'I want you,' I whisper. 'I want you now.' 'I want you too,' he replies. He smells like the sea. His mouth continues to explore mine, as he reaches down and begins to gather up the fabric of my dress, lifting it up and over my hips. He slides his hands along the insides of my thighs, touching the silky material of my panties with a light pressure. His fingers brush my --- and I groan against his mouth. Sex Scandal - Roxy Jordan
2019-11-02

An urgent flashing of the house lights beckoned the audience back to their seats for the Second Act. Vicki had spent the intermission backstage, chatting with two of her favorite singers who would soon grace the stage once more as the booming baritone Magnifico and his daughter Angelina, a dazzling soprano whose career had reached new heights during these ten, high-profile New York performances. Vicki couldn't conceal her delight at the absolutely full house. "I guess the new marketing firm really hit one out of the park," she commented quietly to Martin as the lights dimmed. "All ten

performances are sold out!" Her lawyer friend smiled. "It's the inspired leadership they've been getting," he replied. "New blood, new ideas. It's just magnificent." The maestro appeared at the edge of the orchestra pit and received enthusiastic applause. "Although even I would admit that Rossini's genius might have something to do with it," Martin said, raising his voice over the audience's appreciation. "Still, you've broken the glass ceiling yet again, I would say. Bravo, Miss Vydra." "You're too kind," she said, patting his hand as the strings stirred in a quiet but ominous tremolo, quickly ushering in a sudden and violent orchestral tutti, brassy and loud, which filled the huge auditorium with the dark ferocity of the storm it depicted. Vicki let the eruption pass through her, finding herself carried by its torrential force, allowing the moment to fill her with an awed respect for nature's power. She knew that it could not last, and the audience was soon deposited

kindly into the peaceful meadow of the storm's passing. Horn calls signaled the all-clear and, as one can always expect from Rossini, the good humor and delicate, social fun-poking resumed. **WARNING:** This is a female billionaire romance short story which contains some very steamy love scenes. Dominance and confidence are two things that ladies love, and who has more than a self made billionaire? In this collection, you'll read scintillating and tantalizing stories of women who find love in some of the world's most powerful men. 1) Love in the Office 2) On This Road With Him Love in the Office: The rumors in the office from hateful females are enough to drive any woman wild. They say that Rachel is sleeping her way to the top, because she's a secretary, but has no problem getting their billionaire boss' attention. Though she's not going out of her way to do this, it's clear that there's some underlying tension and attraction between them. When Rachel comes up

huge on a project and helps her boss land the big deal, end up talking and texting throughout the weekend. Before they know it, they're in the midst of a full fledged office romance, which is as exhilarating as it is raunchy, as the boss and secretary dynamic plays out in the bedroom as well as the office. Rachel learns all about what it's like to be in the presence of a real alpha male, and she's on a course to have a relationship that makes the guys in her past seem like little boys... On This Road With Him: Angelica is a go-getter, who never needed a man to get ahead, and prided herself on that. She's at a crossroads, because this situation with handsome young billionaire Jeff started out as a raunchy fling, but appeared to be taking on a life of its own. Before she knew it, Angelica was getting girlfriend tendencies, and shedding her tough girl shell. Likewise, Jeff was spending nearly every moment at home with his nagging wife texting Angelica and keeping the flame going. She never fancied

herself the type to fall for a man that was with somebody else, but was having a serious inner battle about how much longer she could be content as the chick on the side... Will they make the situation right, or will it blow up in both of their faces? billionaire, billionaire erotica, billionaire erotic romance, interracial, interracial erotica, interracial erotic romance, interracial romance, interracial sex, billionaire sex, ebony, ebony erotica, ebony erotic romance, ebony romance, ebony sex, black, black erotica, black erotic romance, black romance, black sex, bw wm, bwwm, bw wm erotica, bwwm erotica, bwwm romance, bw wm romance, bwwm erotic romance, bw wm erotic romance, domination and submission, dominant man, alpha male, BDSM, BDSM erotica, spanking, erotic romance, bwwm, bwwm erotica, bwwm erotic romance, bwwm romance, bw wm erotica, bw wm, bw wm romance, bw/wm, bw/wm erotica, bw/wm erotic romance,

on your wedding day will change all that. He doesn't have time to hand-pick his dates. Luckily, his secretary gets the job done—thank you, grandma—ahem, Regina. All women want is money and sex anyway, so getting paired up with the next flavor du jour isn't ever a problem. Not with his looks. Not with the size of his back account. Not with the size of his...yeah. No complaints in that department. It has never been a problem, until it is. When grandma doesn't come through, he needs to find a date. One night. For the Valentine's Day Gala his company sponsors. Having no other choice, Michael puts his matchmaking company to the ultimate test. He creates his own dating profile to find himself a match. What he finds is so much more than he bargained for. She's smart, naive and beautiful. She's the opposite of any other women he's been with and he has to remind himself that their date is only for one night. He wasn't expecting to walk away with a fake fiancé. Let alone one with

"It's all about you," he said to the little one beside him. "All I need is to take care of you...and to make lots of

money for the both of us.” Brodie Rogan’s baby-mama only wanted one thing from Brodie: his money. Since she wanted nothing to do with his son, billionaire player Brodie must prepare to face a new role in life, single fatherhood, with a strong emphasis on single. Feeling disgruntled and abandoned by the mother of his child, the former playboy has no plans to get involved with any new bunnies anytime soon, if ever. After all, what’s the point of being rich if he has to worry all the time about being taken advantage of? When his tiny Thomas arrives, it is that new life rather than dead presidents that now dictates the terms of Brodie’s life, at least until he meets Cara Rodriguez, a walking, talking breath of fresh air, with a scorching hot body. Brodie only lets his guard down enough for a one-night stand, but little does he know that Cara will turn out to be good for him and his precious son. As hard as he tries, he cannot fight the heat and passion he feels when he’s around her. Just when things

appear to be perfect, will Brodie’s player ways ruin the best thing he and his little Thomas could have ever hoped for, or will Cara overlook his imperfections and love the billionaire and his baby? Getting rid of your virginity shouldn't be so hard. After all, Maya has everything laid out perfectly for the weekend. That is until her parents leave her in the care of her stepbrother Nicholas. And he takes the protector role a bit too serious for Maya's taste. Scaring away all her suitors and forcing her to spend the night in his bed. Which sounds... perfect, doesn't it? —————

Guardian, Orphan, Relationship coach NOTE: Parts of this story was originally published on Literotica with the title 'More Than Words' for the Author challenge 'A Song from My Story, a Story for My Song'. The story has been extensively lengthened and rewritten.

————— Excerpt: A young, blond man came up to Nicholas and started talking to him. He seemed nice, Maya thought. He smiled while he spoke, waving his arms to emphasise his words. Nicholas nodded sagely as he pretended to listen. Not showing any sign of returning the man's brilliant smile. Maya moved closer. Feeling curious. "Aren't you going to introduce me, Nicholas?" she asked. Maya smiled at the young man. He seemed to be only a few years older than her. He had a healthy complexion that showed he enjoyed spending time outside. The young man returned her smile. "I'm Alfie, and I'm so pleased to meet such a lovely woman," he said and beamed at her. He held out his hand to greet her. "This is my sister, Maya. Touch her and

die," Nicholas said coldly. The young man froze, his hand hanging in midair. "Ignore him, Alfie," Maya said. "He's not my brother. He's just afraid I'll lose my V-card on his watch." Both gawked at her. "Hi, I'm Maya. I'm so pleased to meet you," she said and shook his hand. "I'm 23 by the way, so I make my own decisions." "Dammit, Maya," Nicholas seethed beside her. "Why don't you find a girlfriend to harass, Nicholas. I'm sure Alfie and I

can find something interesting to talk about." "Piss off, Alfie!" Nicholas said and grabbed Maya's arm. He pulled her away from the shocked young man. With Nicholas holding her arm, he manoeuvred her into the hallway nearby. It was quiet. No one was near enough to hear. Maya sighed and prepared herself for another reprimand. Great. "Wow. That was subtle," Maya said. "I liked him. Why did you have to ruin it?" —————
