A Foodie Afloat Di Murrell 2020-07-28 A Foodie Afloat is the story of a cook's journey through France on a barge. Di Murrell takes us on a gentle journey across France; her main preoccupation being to make sure that tasty food arrives on the table each day. As she voyages across the country she shows, through her recipes, how the cuisine changes with the landscape. Whether bought in the market, dug from a lock-keeper's garden or even foraged along the towpath, the food she finds and cooks is always seasonal and local to the region. This book is more than just a collection of recipes though. It is the result of a life spent on the waterways of Europe. She talks to lock-keepers, skippers of working barges and those, who, like her, find their sustenance on or near the canal. Di's enjoyment of good champagne, foie gras and truffles leads to an eclectic mix of simplicity and sophistication in her cooking. The boating life, though rarely sensational, is full of small events and chance encounters. This is an enticing story of slow boats and slow food. Di makes it come alive, and her combination of travel and recipe book tempts us to give up everything and join her on the waterways of Northern and Central France. A Foodie Afloat is the 2020 UK winner of the World Gourmand Cookbook Awards in the Food Tourism category.

Surf, Sweat and Tears Andy Martin 2020-03 "I don't normally read books about surfers, but this is like Truman Capote, with shorts." —Lee Child "Andy Martin, to his immense credit, knows that surfers are misfits and accidental comics, as well as great athletes." —Matt Warshaw "A sublime mixing of stoke and sorrow, hedonism and the macabre—skillfully and deftly penned by someone who had, and still has, intimate access to many of the key players." —Tom Anderson, author of *Riding the Magic Carpet: A Surfer's Odyssey to Find the Perfect Wave* This is the true story of Ted, Viscount Deerhurst, the son of the Earl of Coventry and an American ballerina who dedicated his life to becoming a professional surfer. Surfing was a means of escape, from England, from the fraught charges of nobility, from family, and, often, from his own demons. Ted was good on the board, but never made it to the very highest ranks of a sport that, like most, treats second-best as nowhere at all. He kept on surfing, ending up where all surfers go to live or die, the paradise of Hawaii. There, in search of the "perfect woman," he fell in love with a dancer called Lola, who worked in a Honolulu nightclub. The problem with paradise, as he was soon to discover, is that gangsters always get there first. Lola already had a serious boyfriend, a man who went by the name of Pit Bull. Ted was given fair warning to stay away. But he had a besetting sin, for which he paid the heaviest price: He never knew when to give up. Surf, Sweat and Tears takes us into the world of global surfing, revealing a dark side beneath the dazzling sun and cream-crested waves. Here is surf noir at its most compelling, a dystopian tale of one man's obsessions, wiped out in a grisly true crime.

Afraid of All the Things Scarlet Hiltibidal 2019-01-15 What does the gospel say about your fears? What does it say about the irrational ones, like sinkholes in the Target parking lot? How does it speak to the rational ones, like pet scan predictions? And does the gospel have a word for the fears you feel you'll have for life, like the possibility of losing the one you love most? Growing up in the green room of SNL, being born to a fire-eater and adopted by a SWAT cop, having internal organs explode, and adopting a deaf girl from China, Scarlet Hiltibidal has been given some strange life experiences—and lived in fear through most of them. But life changed for Scarlet when she learned to hold the gospel up to her fears. She realized that though she can't fix herself or protect herself, Jesus walked into this broken, sad, scary place to rescue, love, and cast out

her—and your—fear. Seeing life in light of the cross will help you avoid fear, overcome fear when you can't avoid it, and live beyond fear when you don't overcome it. You don't have to be afraid of all the things.

Art Sex Music Cosey Fanni Tutti 2017-04-04 A SUNDAY TIMES, TELEGRAPH, ROUGH TRADE, PITCHFORK AND UNCUT MUSIC BOOK OF THE YEAR SHORTLISTED FOR THE PENDERYN MUSIC BOOK PRIZE

Art Sex Music is the autobiography of a musician who, as a founding member of the avant-garde group Throbbing Gristle and electronic pioneers Chris & Cosey, has consistently challenged the boundaries of music over the past four decades. It is the account of an artist who, as part of COUM Transmissions, represented Britain at the IXth Biennale de Paris, whose Prostitution show at the ICA in 1976 caused the Conservative MP Nicholas Fairbairn to declare her, COUM and Throbbing Gristle 'Wreckers of Civilisation' . . . shortly before he was arrested for indecent exposure, and whose work continues to be held at the vanguard of contemporary art. And it is the story of her work as a pornographic model and striptease artiste which challenged assumptions about morality, erotica and art. *Art Sex Music* is the wise, shocking and elegant autobiography of Cosey Fanni Tutti.

Poetry Unbound: 50 Poems to Open Your World Pádraig Ó. Tuama 2022-12-06 Expanding on the popular podcast of the same name from On Being Studios, *Poetry Unbound* offers immersive reflections on fifty powerful poems. In the tumult of our contemporary moment, poetry has emerged as an inviting, consoling outlet with a unique power to move and connect us, to inspire fury, tears, joy, laughter, and surprise. This generous anthology pairs fifty illuminating poems with poet and podcast host Pádraig Ó Tuama's appealing, unhurried reflections. With keen insight and warm personal anecdotes, Ó Tuama considers each poem's artistry and explores how its meaning can reach into our own lives. Focusing mainly on poets writing today, Ó Tuama engages with a diverse array of voices that includes Ada Limón, Ilya Kaminsky, Margaret Atwood, Ocean Vuong, Layli Long Soldier, and Reginald Dwayne Betts. Natasha Trethewey meditates on miscegenation and Mississippi; Raymond Antrobus makes poetry out of the questions shot at him by an immigration officer; Martín Espada mourns his father; Marie Howe remembers and blesses her mother's body; Aimee Nezhukumatathil offers comfort to her child-self. Through these wide-ranging poems, Ó Tuama guides us on an inspiring journey to reckon with self-acceptance, history, independence, parenthood, identity, joy, and resilience. Church of the Open Sky Nat Young 2019-08-20 What makes for a surfing life? With a blaze of groundbreaking performances and a swag of titles claimed from all over the world to his name, Australian world champion surfer Nat Young might know. His seventieth birthday inspired some reflection on exactly that, and on the waves and characters that have marked his remarkable life - Miki Dora and Midget Farrelly to name a few. But surfing for Nat Young - and so many like-minded surfers - has never been about winning, never been about the sport. It's a calling, an endless quest, a philosophy, a religion. Most of all, surfing is a way of life that has underpinned his other identities as board shaper, film producer, writer, raconteur, conservationist, activist, pilot, husband, father. Candid and wryly observed, *Church of the Open Sky* explores what it means to be a surfer, with a collection of true stories of Nat's surfing life - and the friends, foes and heroes he's met along the way.

THE WAVES Virginia Woolf 2017-12-06 The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self, and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness. Bernard is a story-teller, always seeking some elusive and apt phrase; Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

Your Future Self Will Thank You Drew Dyck 2019-01-01 Why can't I control my anger? Or stop overeating? Or wasting time online? Why can't I seem to finish my projects? Or make progress in my spiritual life? Why do I fall for the same stupid temptations over and over again? When we fail, it's easy to make excuses or blame our circumstances. But let's face it: the biggest enemy is usually the one staring back at us from the mirror every morning. We lack self-control. Self-control isn't very popular these days. We tend to think of it as boring, confining, the cop that shows up and shuts down the party. But the truth is that people who cultivate this vital virtue lead freer, happier, and more meaningful lives. After all, our bad habits—from the slight to the serious—bring a host of painful consequences. Ultimately, they keep us from becoming the people God created us to be. Your Future Self Will Thank You is a compassionate and humorous guide to breaking bad habits and growing your willpower. It explores Scripture's teachings on how to live a disciplined life while offering practical strategies for growth based on the science of self-control. Whether you want to deepen your spiritual life, conquer an addiction, or kick your nail-biting habit, this book will help you get motivated, stay on track, and achieve your goals. Sure, self-control is hard, but it doesn't have to be that hard. Get the help you need to be freer, happier, and more productive. Your future self will thank you!
