Pretty Little Liars TV Tie-in Edition - Sara Shepard 2010-06-08

Everyone has something to hide—especially high school juniors Spencer, Aria, Emily, and Hanna. Spencer covets her sister's boyfriend. Aria's fantasizing about her English teacher. Emily's crushing on the new girl at school. And Hanna uses some ugly tricks to stay beautiful. But they've all kept an even bigger secret since their friend Alison vanished. How do I know? Because I know everything about the bad girls they were and the naughty girls they are now. And guess what? I'm telling.

Sexy Little Sinner - Julie Kenner 2019-02-04

It was wrong to stay together ... but we couldn't stay apart. I've been with my share of women, but none touched my heart and fired my senses the way she did. Her smile enticed me. Her caresses teased me. Her body aroused me. And yet, it couldn't last. There were too many years between us. A gap we couldn't breach, and we broke it off. No. I broke it off. And I've regretted that decision ever since. Now she's in danger, and there's no one else I trust to protect her. But the more time we spend together, the more I want her back. And all I know now is I have to keep her safe—and despite both of us knowing better, somehow, somehow, she will be mine again.

Deadly - Sara Shepard 2016-06-02

It's all fun and games until everybody gets hurt. Spencer, Hanna, Emily, and Aria are forced to watch as all their secrets finally come to light, from their littlest lies to their darkest deeds. Now, one by one, the girls' worlds come crashing down around them. Spencer gets kicked out of Princeton. Hanna gets kicked out of her dad's campaign - and his heart. Emily gets kicked to the curb. And Aria may get kicked out of the country. Thanks to me, these girls have lost everything - except their lives, of course. But I'm not done yet. And if my deadly plan succeeds, the

pretty little liars will have finally told their last lie. . .

Wicked Sexy Liar - Christina Lauren 2016-02-02

London Hughes is very content to surf daily, tend bar, hang out with her group of friends, and slowly orient herself in the years after college. Why not-- it's only one night. The Revenge Plan - Linda Kage 2019-04-29

After I caught my boyfriend cheating, I tried to be mature about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke my ex more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

[Devious Little Liars](#) - Elle Thorpe 2020-06-21

"He murdered my uncle then covered it with fire. A fire that should have

killed me, too. Instead, he hauled me from the floor while flames licked the walls, strong arms holding me close. He saved my life. Now I want to know why. I never saw his face. All I know is the letters on his shirt. SVH. Saint View High. The worst school in a hundred miles. Full of drugs and despair. Breeding ground for future criminals. Armed security guards and weapon checks at every door. A far cry from my privileged life of money, private school, and fancy vacations. With the police doing nothing, I take matters into my own hands. I enroll in a school I have no business being at. But the Untouchables are quick to let me know exactly how big a mistake I've made. They're the group of boys even the teachers are scared of. Colt. Banjo. Rafe. Every teenage girl's dream. Good looking. Popular. Powerful. And determined to break me. Thing is, I'm not that easily broken. And I'm coming for them, too."--Back cover.

They made fun of Windmere-Carruthers, the private school they attended, they invented new flavours for their parents' organic ice cream shop, and they dressed up their golden retriever, Buster. But when Helena went into senior year things started to change. Rather than being Aerin's inseparable sister, she started to push her away. Then, on a snowy winter's day, Helena vanished. Four years later, Helena's body is found. Wracked with grief and refusing to give up on her sister, Aerin spends months trying to figure out what exactly happened to Helena and who killed her. But the police have no leads. A young, familiar officer named Thomas wants to help and suggests she checks out a website called Case Not Closed. Hesitantly, she posts, and when teenagers Seneca and Maddox show up on her doorstep offering to help investigate she accepts in desperation. Both have suffered their own losses and also posted to the site with no luck, so they are hoping this case might be the one they crack. But as their investigation begins, it seems that maybe it's

It's Our Secret - W. Winters

From USA Today best-selling romance author Willow Winters comes an emotionally gripping, romantic suspense. It was only a little lie. That's how stories like these get started. Lovely Little Liar - Julie Kenner 2018-11-08

She's not the woman I thought ... but dammit, she's the woman I want. I never thought of myself as cynical, but getting dumped at the altar changes a man. Now, I'm all about my job. About building my business and getting on with my life. Don't get me wrong; I still love women. I love the way they look. The way they smell. The way they feel. Especially the way they feel. And I've pretty much made it my mission to give each and every woman who shares my bed the ride of her life. But getting close? Getting serious? Giving a woman my trust again? Yeah, that's not going to happen. Or so I thought. Then I met her. It's funny how things can change in a heartbeat. How one case of mistaken identity can change everything. But there she was, all business and completely uninterested in me. And damned if I didn't want her. Crave her. Most of all, I wanted to help her. To keep her and her sister safe. But the more I get to know her, the more I want her. The whole package. The complete woman. And the miracle is that she wants me, too. Trouble is, we've both been burned

before. Now, I know one thing for certain—the only way that we'll survive the heat that crackles between us is if we both find the courage to leap into the fire together. *Lovely Little Liar* is a novella originally published as *Bitch Slap*. Minor edits, such as expanded scenes, have been made to this book.
