Subject: Petty Officer Christian "Cowboy"

Laramie Mission: Locate a missing person...without seducing the man's fiancée!

Navy SEAL Christian Laramie knows everything about explosives, including how to avoid them. But he sure as hell isn't prepared for Sammi Jo Wilson—all gorgeous red hair and long-legged sexiness—in a wedding dress, asking him to find her kidnapped fiancé. Yep, he is definitely dealing with one dangerous bombshell... Laramie has a rep for thoroughly pleasing the ladies, but he's not interested in emotional entanglements. He has rules—and engaged women are a definite no-no. Yet the searing heat between him and Sammi is like nothing he's ever experienced. Each touch gets hotter. Each kiss more intense. And if Laramie can't disarm this desire, it will blow up in the only way possible...in bed!

2014-12-09

Her story started long before she started working at The Sky Launch... Screw fairytales. The only reward Gwen Anders got from her rough childhood was a thick skin and hard heart. She's content with her daily grind managing a top NYC nightclub—Eighty-Eighth Floor. So hers

isn't a happily ever after. She doesn't believe in those anyway. Then she meets J.C. The rich, smooth talking playboy is the sexiest thing that Gwen has ever encountered, but she's not interested in a night-in-shining latex. But when a family tragedy pushes her to the brink, it's J.C. who's there to teach her a new method of survival, one based on following primal urges and desires. His no-strings-attached lessons require her to abandon her constant need for control. Her carefully built walls are obliterated. Gwen discovers there's a beautiful world outside her prison. Freedom is exhilarating—and terrifying. When she starts to feel something for J.C., she fears for her heart. Especially as she realizes that he has secrets of his own. Secrets that don't want to set him free. This series can be read as a standalone novel or as part of the Fixed Trilogy.

"Mission: (Fake) Engagement"...without actually falling for his fiancée! The goal of Mission: Engagement is simple—a fake engagement concocted to bring happiness to Sage Taylor's ailing father. The Rules: 1) Treat it like a military mission 2) Keep the truth undercover 3) The "engagement" lasts as long as the professor's health depends on it; and 4) No sex...especially with each other! But the incredibly spirited (and a touch quirky) Sage has never been one for rules. Especially when they involve Aiden's rock-hard navy bod and a ton of smokin'-hot sexual attraction. Which means in order to seduce this sexy SEAL, she'll have to completely outmaneuver him....

[A People's History of the World](#) - Chris Harman
2017-05-02

The best-selling comprehensive history of the world, from the perspective of struggling peoples throughout the ages—now with new material and a foreword by Howard Zinn From the earliest human societies to the Holy Roman Empire, from the Middle Ages to the Enlightenment, from the Industrial Revolution to the end of the twentieth century, Chris Harman provides a brilliant and comprehensive history of the human race. Eschewing the standard

accounts of “Great Men,” of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of “history from below.” In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments. While many scholars see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age. This magisterial study is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress. “I have had many people ask me if there is a book which does for world history what my book *A People’s History of the United States* does for this country. I always responded that I know of only one book that accomplishes this extremely difficult task,

Sexy SEALS - Tawny Weber 2018-03-15
New York Times and USA Today Bestselling Author Tawny Weber’s *Sexy SEAL* Novella series, part of her Bestselling *Sexy SEAL* series. A SEAL’S PROPOSAL Being the best means making sacrifices, but do vows made at 16 hold true at 24? Duty First, Duty Only... As a teenaged Sea Cadet, Sam Morelli joined the elite club his brother formed with other teens, focused on a single goal: to become Navy SEALs. Membership required a vow that once he became a SEAL, the team would be his only commitment. Distractions like relationships or dependents would be forbidden. Eight years later, on the cusp of achieving his goal, Sam has forgotten that vow. But Blaire Spencer hasn’t. Sugar, shoes, and a sexy SEAL... Numbers whiz Blaire Spencer loves chocolate, designer shoes, and Sam Morelli. She’s always dreamed of one thing: being Sam’s wife. Raised in a Navy family,

she knows the rules: to be a great SEAL, a man can’t have a woman weighing down his thoughts. Blaire’s been nibbling on sweet, sexy, better-than-chocolate-covered-caramel Sam for four years, but Sam’s dream of being a SEAL has been with him longer. His dream is her nightmare. Some vows are made to be broken... With Sam home on leave for Christmas, Blaire has one last chance to prove to Sam that he wants her more than he wants his SEAL Trident. But time is running out. Once he finishes the last phase of his training, she may lose him forever. But Sam may have different kind of vow in mind... A SEAL’S SACRIFICE Never underestimate a sexy, stubborn SEAL... On New Year’s Eve... Proud of the life she’s created, financial analyst Gwen Kirkpatrick moves easily among the rich and powerful of San Francisco, including dating her nice-guy boss. over her. As the clock ticks down... For Petty Officer Noah Morelli, mixing his personal life and his dream career as a Navy SEAL seemed impossible. He made a tough choice, and for the last three years he's been happy using his career challenges to forget the sweet-but-oh-so-sexy girl he left behind. Until he hears someone else is about to propose to her. Suddenly the idea of Gwen spending her life with anyone but him is unthinkable. Anything can happen... Gwen refuses to let her heart be broken again, but Noah is determined to win her back. Some sizzling stolen moments in a closet are all it takes to remind Gwen how hot they were together. She may be minus her panties, but she still has her pride. Now Gwen is the one confronted with a hard choice: a dream-come-true opportunity or the love she thought she'd lost. It's New Year's Eve, with new choices, new chances, and maybe a new life for them both. A SEAL'S SURPRISE Even when all his buddies are jumping ship, one sexy SEAL is determined

to keep his vow... Charting her course... Successful event planner Macy Berk plans to make her friend's Valentine's week wedding the event of the year. She's not about to let the bride's brother mess anything up. Especially since he's the one who unceremoniously dumped her because of his misguided vow that his commitment to being a Navy SEAL would trump his commitment to any relationships. She has a plan to ensure smooth sailing for the wedding week... Stormy waters ahead... Petty Officer Eli Spencer is determined to keep his distance from everyone in order to avoid voicing the unpopular opinion that this wedding is a huge mistake. When they committed to becoming SEALs, he and his buddies made a vow to one another: being a SEAL would allow no room for distractions like relationships. But now all his buddies are jumping aboard the love boat... Man overboard... Most women try to avoid the lover who jilted them. But Macy's plan is simple: seduce Eli until he's too worn out to ruin
