Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, wife share, wife swap and more. An FFM Erotica Story with First Anal Sex by Kimmie Katt When my best friend and I started fooling around and the fooling around suddenly turned into something real, it was already crazy. Then, her husband showed up and interrupted my first lesbian experience. That made it even crazier. Sadie didn't miss a beat. She just pretended we planned it that way and suddenly I was in a threesome. Even that wasn't the last surprise though because the next thing I knew, I was having my first anal sex! 3. My Husband the Cuckold (The Day I Became a Hot Wife) A Rough Sex Erotica Story by Alice Drake My husband always wanted to see me sleep with another man. Further, since he was naturally submissive in bed he wanted to see me get it rough and hard. It took a long time for me to be able to do it but I finally committed to doing it. The cameras were ready and the excitement grew. Then, a sexy man came to my house to work on our phone lines and I pulled the trigger. Wow! It was rougher than I could have imagined and I think I could definitely get into this hot wife thing! 4. The Lessons Continue An Erotic Romance Story by Nycole Folk In Nycole Folk's new series of erotica stories, Transforming Craig, a wife starts a journey of sexual awakening that not only transforms her husband but also herself. From a sexless and almost loveless marriage to heights (and depths) of passion and adventure, the unlikely heroine is guided on her journey by a wise aunt whose marriage has already been transformed. Follow along an erotic journey of discovery for Barbara and Craig. In Episode Two, Aunt Karen continues to help Barbara learn how to express her sexual and emotional desires and how to have them met. 5. Wife Swap Plus One A Group Sex Erotica Story with First Lesbian Sex by Geena Flix When my best friend asked me about sleeping with her and her husband, I told her I just wasn't into girls. She wasn't either, she said. She had another friend coming but the idea was that her husband and my husband would be treated to all of us, not that we'd do anything together. Who would have thought that once it started the three of us girls would be just as into each other as we were with the men?

Richard's Aim Is Way Off (And That Means My Backdoor Gets Blasted!) The Wife Wants It Rough (And the Husband is Happy to Oblige) A Sexy Wife Erotica Story with Very Rough First Anal Sex by Fran Diaz I couldn't help myself. I'd let my mouse wander and ended up watching an online video with very rough sex. For four days in a row as my husband made love to me I felt horribly unsatisfied and then horribly guilty about it! He didn't know that the damned video had filled me with curiosity and with dissatisfaction with just normal sex. He finally noticed something was wrong and before I could help myself the whole story came out. What happened next was completely unexpected. Rough doesn't even begin to describe the sex we had. I guess I'm a complete slut wife because I even liked it when he slapped me,

spanked me, and gave me a hard and unannounced first anal sex experience!

1462 South Broadway Kc Decker 2016-04-15 *****NATIONAL BOOK AWARD WINNER*****FIRST PLACE WINNER of the prestigious: NATIONAL EXCELLENCE IN ROMANCE FICTION AWARD for Best First Book, and TOP THREE FINALIST for Best Contemporary Romance! Sizzling contemporary romance author KC Decker takes readers on a steamy, erotic ride in her new series. Book 1 in The Jessie Hayes Series: 1462 South Broadway, is a compelling love story with a well-cultivated plot, spanning the entire series. You will relate to the highly developed characters and want to follow them into battle in solidarity of their flaws. 1462 South Broadway is a smoking hot example of how kink and BDSM can be sexy and playful instead of always brooding or deviant. Have you ever found yourself mired in the redundancy of day to day life? Perhaps everything seems perfect, but somehow existence just feels uninspired and mundane? This is the precise rut where Jessie Hayes finds herself. She has a great career, witty friends and an adventurous spirit to keep her fulfilled, but the matter of contention seems to be, she is constantly disappointed in men. After yet another failed and painfully boring relationship, Jessie's friends convince her to try something new, something crazy...something intoxicating, sexy, and profoundly erotic. What follows is a journey of sorts, but not one as cliché as simply finding the perfect man and living Happily Ever After, because there is far too much story to tell in between. Follow talented author KC Decker as she takes you on an intensely erotic journey of BDSM, kink, sexual awakenings and ultimately deep, abiding love. FIVE STAR REVIEW FROM READERS' FAVORITE: Reviewed by Christian Sia on May 6, 2017. KC Decker's 1462 South Broadway is book one in the Jessie Hayes series, a sizzling contemporary romance with a huge potential to entertain fans of the genre. In a deliciously crafted story, the reader is introduced to an exotic world of eroticism and a sexually famished Jessie Hayes in the quest for sexual pleasures. She is the kind of woman who could have been fulfilled, but she is not. She has a keen sense of adventure, surrounded by great friends, plus she has a good job, but then one thing doesn't seem to work for her - men. And this is until she discovers 1462 South Broadway. Apart from Fifty Shades of Grey - which wasn't particularly interesting to me - I have hardly read anything in this genre, but I was able to complete this book in two sittings, and I mean complete it as in, completely absorbed in it. KC Decker is a skilled writer who creates very compelling characters, exploring the most powerful and hidden emotions in them. Jessie Hayes may seem very normal from the outside, but deep inside her is a crazy longing, a fire that burns but that doesn't consume. There is something powerfully weak about her and readers will connect with her emotions, her longing, and her sense of sensual adventure very easily. The plot is well-imagined and the author did a tremendous job to clear the work of any clichés that are often associated with this genre. The writing itself is sexy, crisp and well-polished. If the characters won't seduce you, the author's powerful prose will. It is steamy and exhilaratingly entertaining, the kind of story that will drive a reader over the edge.

Astride Christine Leov Lealand 2001 I really feel strongly that this book should not be pigeonholed as just erotica. This book covers a whole gamut of life experiences that many readers could identify with. The protagonist of the novel is Anne, when we first meet her she is at the end of the process of leaving an abusive husband and gaining custody of her children. The first part of the novel is told as a series of daydreams and fantasies, and the author contrasts the charged erotic and fulfilled life Anne can find in her imagination to the reality of an existence where she is trying to rebuild her life. The novel does not shy away from the difficulties that Anne faces, the lack of money, the need for a baby sitter, the reactions of friends and family towards her. The contrast in what is wished for and what is helps draw the reader to Anne, who is a strong yet vulnerable woman. You sense that in her life she would scorn pity and she is not always easy for the reader to know, yet when she opens up there is warmth and passion. In the second half of the novel fantasy and reality are moving towards each other rather than being separate ideals. Anne travels the road of love and courtship with an extremely unexpected and unusual man. There are new challenges and issues for Anne to face, racial differences, family court battles, simply the negotiations involved in falling in love and being with a new mate. Stripper, bondage, cross dress, TG, TV, Rocky Horror Picture Show, pig hunting, xd, lesbian, family

An Erotic Journey with Tia Wileah Michael Enoches 2012-09 I've been playing around with modeling on and off throughout my life and I've found a passion for being in front of the camera. I believe that when you feel sexy both inside and out, it shows in the final results of whatever type of shoot you plan to do. I get told by photographers all the time that I have an exotic, unique and sexy look with a wide range of photography that I can do. And even though I would be classified as a "mature" model, I don't think I look anywhere near my age. I definitely don't feel it! My love for being in front of the camera has given me the opportunity to explore all different types and styles of photography. I've done everything from fashion, lingerie, swim wear, nude/artistic and even erotic modeling. I'm definitely not camera shy once the lights and lens are pointed at me. I try to be multifaceted and I'm definitely open to new things within reason of course. Obviously with the wide range of modeling I do, I need to take care of my mind, body and soul so I spend countless hours working out at the gym and I have a new found love for Bikram Yoga. I do have a few tattoos on my body but nothing that is too extreme or distracting as well as a couple piercings in various places. My ethnic background is 3/4 Filipina and 1/4 Spanish and obviously with that mix I have a very bronzed look that stands out great on film. I was born in the Philippines and moved to the United States when I was very young. I grew up in Sacramento where I graduated from High School and then moved to Los Angeles where I had lived for 16 years before finally settling down here in Las Vegas. What can I say about Las Vegas, it's where the "Sin" happens!

My Wife Swap Plan B with Tansy (Who Would Have Thought We'd Love It?) An Explicit Erotic Tale of Sexy Wives by Savannah Deeds Tansy and I had a plan. We thought it would be exciting to watch both of our men sleep with another woman. The idea was that we'd hire a prostitute, both of them would take her at the same time, and we'd watch. We planned a trip to a legal brothel (and our husbands had no idea) but then a family crisis sent her husband to his hometown. It seemed like one thing after another made our plan impossible, and then we stumbled into plan B. Suddenly, we were on for a wife swap. When we did it, our husbands were surprised but it didn't take much to get them to do it. It was crazy and sexy and incredible, and for a plan B, it sure as hell worked.
