*Shark Girl* - Kelly Bingham 2011-04-26

A teenager struggles through physical loss to the start of acceptance in an absorbing, artful novel at once honest and insightful, wrenching and redemptive. (Age 12 and up) On a sunny day in June, at the beach with her mom and brother, fifteen-year-old Jane Arrowood went for a swim. And then everything -- absolutely everything -- changed. Now she's counting down the days until she returns to school with her fake arm, where she knows kids will whisper, "That's her -- that's Shark Girl," as she passes. In the meantime there are only questions: Why did this happen? Why her? What about her art? What about her life? In this striking first novel, Kelly Bingham uses poems, letters, telephone conversations, and newspaper clippings to look unflinchingly at what it's like to lose part of yourself - and to summon the courage it takes to find yourself again.

[Shark Lady](#) - Jess Keating 2017-06-06

One of New York Times' Twelve Books for Feminist Boys and Girls! This is the story of a woman who dared to dive, defy, discover, and inspire. This is the story of Shark Lady. One of the best science picture books for

children, Shark Lady is a must for both teachers and parents alike! An Amazon Best Book of the Month Named a Best Children's Book of 2017 by Parents magazine Eugenie Clark fell in love with sharks from the first moment she saw them at the aquarium. She couldn't imagine anything more exciting than studying these graceful creatures. But Eugenie quickly discovered that many people believed sharks to be ugly and scary—and they didn't think women should be scientists. Determined to prove them wrong, Eugenie devoted her life to learning about sharks. After earning several college degrees and making countless discoveries, Eugenie wrote herself into the history of science, earning the nickname "Shark Lady." Through her accomplishments, she taught the world that sharks were to be admired rather than feared and that women can do anything they set their minds to. An inspiring story by critically acclaimed zoologist Jess Keating about finding the strength to discover truths that others aren't daring enough to see. Includes a timeline of Eugenie's life and many fin-tastic shark facts! The perfect choice for parents looking for: Books about sharks Inspiring nonfiction narrative books Role model books for girls and boys Kids STEM books

**The Puzzle of the Shark Surfer Girl** - Carole Marsh 2010-01-01

A trip to the beach starts out as fun until best-friends Leah Criss, Sara Cross, and Aimee Applesauce begin to get clues to a mystery - from a shark! Is Dad playing a trick on them? Who is the pretty girl? The surfer? Is the lifeguard in on the practical joke? Or is it no joke at all? Put on your swimsuit and join the girls as they try to solve The Puzzle of the Shark Surfer Girl! Like all of Carole Marsh's Mysteries, this mystery incorporates history, geography, culture and cliffhanger chapters that will keep kids begging for more! This mystery includes SAT words, educational facts, fun and humor, built-in book club and activities. Below is the Reading Levels Guide for this book: Grade Levels: 1-3 Accelerated Reader Reading Level: 3.1 Accelerated Reader Points: .5 Accelerated Reader Quiz Number: 111885 Lexile Measure: 410 Fountas & Pinnell Guided Reading Level: L Developmental Assessment Level: 24

*Formerly Shark Girl* - Kelly Bingham 2013-05-14

Jane Arrowood, otherwise known as Shark Girl, has been living with just one arm for over a year. Now she's searching for a new normal. It's been a year since the shark attack that took Jane's arm, and with it, everything she used to take for granted. Her dream of becoming an artist is on the line, and everything now seems out of reach, including her gorgeous, kind tutor, Max Shannon. While a perfectly nice guy from her science class is clearly interested in Jane — removing her fear that no one ever would want a one-armed girl — Jane can't stop thinking about Max. But is his interest romantic? Or does he just feel sorry for her? Formerly Shark Girl picks up where Kelly Bingham's artful, honest debut novel left

off, following Jane as she deals with a career choice (should she "give back" by trying to become a nurse, or is art an equally valid calling?) along with family changes and her first real romance — all while remembering who she was before she was Shark Girl and figuring out who she is now.

**The Girl Who Rode a Shark** - Ailsa Ross 2019-09-24

Now more than ever, the world is recognizing how strong women and girls are. How strong? In the early 1920s, Aboriginal Alaskan expeditioner Ada Blackjack survived for two years as a castaway on an uninhabited island in the Arctic Ocean before she was finally rescued. And she's just one example. *The Girl Who Rode a Shark: And Other Stories of Daring Women* is a rousing collection of biographies focused on women and girls who have written, explored, or otherwise plunged headfirst into the pages of history. Undaunted by expectations, they made their mark by persevering in pursuit of their passions. The tales come from a huge variety of times and places, from a Canadian astronaut to an Indian secret agent and to a Balkan pirate queen who stood up to Ancient Rome. Author and activist Ailsa Ross gives readers a fun, informative piece of nonfiction that emphasizes the boundless potential

of a new generation of women. Stunning portraits by artist Amy Blackwell accompany every biography in bold, vibrant colours.
