Without Merit - Colleen Hoover 2017-10-03

From Colleen Hoover, the #1 Sunday Times bestselling author of *It Ends with Us*, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence.

Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

Chimes of a Lost Cathedral - Janet Fitch 2019-07-02

A young Russian woman comes into her own in the midst of revolution and civil war in this "brilliant" novel set in "a world of furious beauty" (Los Angeles Review of Books). After the loves and betrayals of The Revolution of Marina M., young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the

challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. *Chimes of a Lost Cathedral* is the culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

Long Story Short - Serena Kaylor 2022-07-26

"Like the best of the Bard himself, Long Story Short combines dazzling repartee with iconic, nuanced characters and the kind of charged, perfectly paced romance fit for the world stage...a sparkling Shakespearean homage and a wonderful debut." —Emily Wibberley and Austin Siegemund-Broka, authors of Always Never Yours In Serena Kaylor's sparkling debut, a homeschooled math genius finds herself out of her element at a theater summer camp and learns that life—and love—can't be lived by the (text)book. Growing up homeschooled in Berkeley, California, Beatrice Quinn has always dreamed of discovering new mathematical challenges at Oxford University. She always thought the hardest part would be getting in, not convincing her parents to let her go. But while math has always made sense to Beatrice, making

friends is a problem she hasn't been able to solve. Before her parents will send her halfway across the world, she has to prove she won't spend the next four years hiding in the library. The compromise: the Connecticut Shakespearean Summer Academy and a detailed list of teenage milestones to check off. If Beatrice wants to live out her Oxford dream, she has to survive six weeks in the role of "normal teenager" first. Unfortunately, hearts and hormones don't follow any equations. When she's adopted by a group of eclectic theater kids, and immediately makes an enemy of the popular—and annoyingly gorgeous—British son of the camp's founders, Beatrice quickly learns that relationships are trickier than calculus. With her future on the line, this girl genius stumbles through illicit parties, double dog dares, and more than her fair share of Shakespeare. But before the final curtain falls, will Beatrice realize there's more to life than what she can find in the pages of a book?

The Secret Lives of Introverts - Jenn Granneman 2017-08-01

An introvert guide and manifesto for all the quiet ones—and the people who love them. Is there a hidden part of you that no one else sees? Do you have a vivid inner world of thoughts and emotions that your peers and loved ones can't seem to access? Have you ever been told you're too "quiet," "shy," "boring," or "awkward"? Are your habits and comfort zones questioned by a society that doesn't seem to get the real you? If so, you might be an introvert. On behalf of those who have long been misunderstood, rejected, or ignored, fellow introvert Jenn Granneman writes a compassionate vindication—exploring, discovering, and celebrating the secret inner world of introverts that, only until recently, has begun to peek out and emerge into the larger social narrative. Drawing from scientific research, in-depth interviews with experts and other introverts, and her personal story, Granneman reveals the clockwork behind the introvert's mind—and why so many people get it wrong initially. Whether you are a bona fide introvert, an extrovert anxious to learn how we tick, or a curious ambivert, these revelations will answer the questions you've always had: What's going on when introverts go quiet? What do introvert lovers need to flourish in a relationship? How can introverts find their own brand of fulfillment in

the workplace? Do introverts really have a lot to say—and how do we draw it out? How can introverts mine their rich inner worlds of creativity and insight? Why might introverts party on a Friday night but stay home alone all Saturday? How can introverts speak out to defend their needs? With other myths debunked and truths revealed, *The Secret Lives of Introverts* is an empowering manifesto that guides you toward owning your introversion by working with your nature, rather than against it, in a world where you deserve to be heard.

The 48 Laws of Power - Robert Greene 2000-09-01

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Maybe He Just Likes You - Barbara Dee 2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin

Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review) "Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.
