My Hideous Progeny -

Katherine Hill-Miller 1995

"My Hideous Progeny" : Mary Shelley, William Godwin, and the Father-Daughter

Relationship is a study of the influence of William Godwin on his daughter, Mary Wollstonecraft Shelley. "My Hideous Progeny" explores Godwin's unsettling psychological legacy - and his generous intellectual gifts - to his daughter. The relationship between Mary Shelley and her

father illustrates a typical pattern of female development and a typical course of father-daughter relationships over a lifetime. Mary Shelley's response to her father's influence is unforgettably portrayed in the figure of the father in the pages of her novels.

Between Fathers and Daughters - Linda Nielsen 2008

At last! A no-nonsense, entertaining, and insightful book for dads and daughters who want more from their relationship--or who want to understand and rebuild it on an adult level. Dr. Linda Nielsen addresses the questions that daughters and dads regularly ask her--and a lot more. Based on two decades of work with hundreds of dads and daughters, **BETWEEN FATHERS AND DAUGHTERS** summarizes cutting-edge research in clear language and offers compelling stories about real people--including well-known celebrities. With candor and humor, **BETWEEN FATHERS AND DAUGHTERS**

exposes the half-truths, downright lies, and family dynamics that prevent so many dads and daughters from having a more relaxed, more meaningful, more communicative relationship, regardless of age. Explaining why most daughter-dad relationships haven't reached their full potential or have unraveled, Nielsen provides hope as she shows fathers and daughters how to make changes now!

[Her Father's Daughter](#) - June Tate 2012-11-01

From the author of *Their Guilty Pleasures*: In postwar England, a young woman reopens her late father's nightclub and faces his criminal past. Southampton, 1945. Food, fuel, and other necessities continue to be scarce in England, but when former Wren Victoria Teglia reopens her late father's Club Valletta, it's an event that excites potential members with the desire—and the money—to be entertained. Victoria can't help wondering what her father would think. While his

exclusive club was once a hotbed of prostitution, illegal gambling, and vice, Victoria intends to run the new establishment on the up and up. But changing the ways of Club Valletta is no easy task. With her father's former right-hand man as her business partner, the underworld connections run deep. And perhaps most dangerous of all is Johnny Daniels, the handsome son of gangster Big Pat Daniels. Johnny wants a piece of the action . . . and he knows how to be persuasive. Will Victoria be swayed by his criminal charms, or will she manage to maintain her principles? "Tate provides a satisfying ending and suggests dark doings that could prove haunting." —Booklist "Her Father's Daughter is an entertaining, light read . . . [that] keep[s] the pages turning." —Historical Novel Society

Forever Daddy'S Girls - Kelly O. Hall 2017-07-18

A young lady's relationship with her earthly father should be a natural reflection of her

Story About Father And Daughter Relationship

spiritual relationship with her Heavenly Father. Even when fact does not reflect truth, We know that all things work together for good to them that love God, to them who are the called according to his purpose (Romans 8:28, KJV). This book looks to explore a natural father-daughter relationship and the working together of that relationship for the good of the spiritual father-daughter relationship. Our sincere prayer is that this book raises an awareness in girls that their Heavenly Father is calling for them, longing to show himself to them and develop an intimate father-daughter relationship with them.

Daddy's Little Girl - Gregory E. Lang 2010-10-19

In this heartwarming celebration of father-daughter relationships, the New York Times bestselling author of Why a Daughter Needs a Dad captures the important roles

Story About Father And Daughter Relationship

fathers and daughters play in each other's lives. From the protectiveness and strength a dad provides to the unfettered adoration that can be found only in a daughter, the unique qualities of this special bond are illustrated through real-life stories of daughters and dads and accompanied by beautiful photographs. It's for every dad who longs to return to the days when his daughter anxiously awaited his coming home from work. And it's for every daughter who misses the days when her father carried her up to bed or taught her how to dance on the top of his shoes. This book reminds us all that no matter what, there is and always will be a place for daddy's little girl.

Fathers' Daughters -

Maureen Murdock 1996

For many women, the most important relationship in their lives has been with their father. Using myth, fairy tale, literature, and real-life stories, Jungian therapist Maureen Murdock reveals the unspoken truth about daughters and the immense power the fathers

they idealize have over them.

The Artificial Anatomy of

Parks - Kat Gordon 2015-07-01

A young woman is thrust back into the midst of the dysfunctional, secretive family she escaped in this "heart-piercing psychological drama...a stunner" (Carol Cassella, author of *Oxygen*). At twenty-one, Tallulah Park lives alone. There's a sink in her bedroom and a strange damp smell that means she wakes up wheezing. It's far from luxurious, but it's far away from her difficult family. Then she gets the call that her father has had a heart attack. Now she's returning to the root of her bad memories: a world of sniping aunts, precocious cousins, emigrant pianists, and lots of gin, all presided over by an unconventional grandmother. A world where no one will answer Tallie's questions: Why did Aunt Vivienne loathe Tallie's mother? Why is everyone making excuses for her absent father? Who was Uncle Jack and why would no one talk about him? As Tallie struggles

to grow into independence, she will learn the hard way about damage and betrayal, that in the end, the worst betrayals are those we inflict on ourselves. "With heartbreakingly understated prose, Kat Gordon lays out the terrible loneliness of a child at the center of an exploded, secretive family. It is an autopsy of how we love and an exploration of forgiveness." —Liza Klaussmann, author of *Tigers in Red Weather* "A genuine and sincere expression of a troubled young soul."—The Guardian "A compulsive family drama...an excellent read."—Emma Chapman, author of *How To Be a Good Wife*

Raising a Father - Arjun Sen
2009-08

"Raising a Father is a celebration. This affectionate and appealing story gives smiles, tears and renewed faith in the human spirit." -Brent Green, Author, *Marketing to Leading-edge Baby Boomers: Perceptions, Principles, Practices, Prediction* "... should be required reading for the

planet. Uplifting, instructive, and describes so much of what fathers should aspire to in their relationship with their children." -Herb Rubenstein, Sustainable Business Group "Raising a Father provides a very candid and honest assessment of the everyday obstacles we all face in trying to attain the proper work-life balance." - Peter J. Pittman, President, Denver West Rotary Club During Arjun Sen's tenure in the corporate world, a wise, corporate stair-climbing friend told him, "Arjun, in order to achieve bigger glories, one must make smaller sacrifices in life." It was clear he referred to spending less time with family, not being there for children's special moments, and similar "small" sacrifices in personal life. Sen learns the hard way that these sacrifices come with large costs, and in *Raising a Father* he recounts his journey to this realization. Foreseeing his father-daughter future reduced to obligatory phone calls on birthdays and Father's Day, Sen leaves corporate America. He finds a home-

based marketing consulting company in Denver, his ten-year-old daughter's favorite city; names his daughter as manager; and begins the real journey of becoming a true father. In this memoir, Sen discusses how he now measures success differently. Raising a Father tells the story of how a young girl uses her charm, her love, and her caring nature to train her dad to become a better father and a better person.

First Priority Story - Clarence Bretz 2021-03-31

This First Priority Story is a great insight into a father-daughter relationship dealing with the trials and tribulations of her professional surfing career and his sheer dedication throughout. If you want to find a book about family love and surfing, this First Priority Story is for you! First Priority is the story of a father and daughter's journey to the pinnacle of professional surfing. Growing up in Hawaii, Christopher Moore was bit by the surfing bug early, but he had no idea the extent to which the sport

would take him until his daughter came along. Like her dad, Carissa took to the water at an early age. She immediately showed an amazing natural talent for surfing and before he knew it, Chris was taking his young daughter surfing nearly every single day. Enjoying the same beaches and reefs where surfing was invented hundreds of years ago, this love for wave riding blossomed into a professional career and today Carissa has become a world surfing champion three times over.

Daddy: Reflections of Father-Daughter Relationships - K E Garland 2018-05-25

A father's presence is important in a daughter's life. He is the first man a little girl sees and knows. He demonstrates how men relate to women. But what happens when the father-daughter relationship is dysfunctional? Daddy answers that question. Included are fourteen memoirs that describe the impact a failed father-daughter relationship can have. These women share essays and narratives that detail various stages of breakdown. Whether an event occurred in childhood,

adolescence, or adulthood, each story explains how their father's physical, emotional, or psychological abandonment has affected them. The book is separated into two parts. Part I shows the proverbial truth in the phrase, hurt people hurt people. While some stories confirm why or how men mistreat their daughters, others show how daughters sometimes internalize neglect and continue the cycle either with the relationship they have with themselves, or others. Part II illustrates how compassion can lead towards a path of inner peace and happiness, no matter the state of the relationship.

relationship that is no longer intact for whatever reason. I am going to share my story with you and what I did about the one thing I could control or influence ... and that was ME. Every story is unique, my experience may be different from yours but there are some basic truths that I believe are universal.

Daddy and Me - 1993

Photographer Jeanne Moutoussamy-Ashe, widow of tennis great Arthur Ashe, has created a touching portrait of Ashe's loving relationship with their six-year-old daughter, Camera--a relationship that thrived even in the face of AIDS. Told in Camera's own words and illustrated with powerful photos, the book shows that family life does and love do not stop with the discovery of an illness like AIDS. Black-and-white photos.
