Have the Relationship You Want - Rori Gwynne 2006-11

A step-by-step guide for women to transforming your love life practically overnight.

Libidinal Economy - Jean-Francois Lyotard 2015-10-22
First published in 1974,
Libidinal Economy is a major work of twentieth century continental philosophy. In it, Lyotard develops the idea of economies driven by libidinal 'energies' or 'intensities' which he claims flow through all structures, such as the human body and political or social events. He uses this idea to interpret a diverse range of subjects including political economy, Marxism, sexual politics, semiotics and

psychoanalysis. Lyotard also carries out a broad critique of philosophies of desire, as expounded by Deleuze and Guattari, Nietzsche, Bataille, Foucault and de Sade.

Supernatural Society Mates - Sydney Lain 2013-03-01

Roman's Silent Mate [Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, demons, spanking, HEA] Roman Walker left the demon realm to search for his mate in the human world. When he arrived half a century ago, the human world was chaotic with supernaturals challenging and killing each other. After working to build a stable world, Roman still dreams of finding his mate. Micah Evans refuses to love anyone. With everyone he's

ever cared for dead, he believes his love is bad luck. Living on the streets, Micah walks a lonely path as he hides from vampires and shifters out to get him. One dark night, Roman saves Micah from an attack. Discovering his mate should be a happy time, but Roman now needs to convince his human mate that love is worth it. If that wasn't bad enough, he has to keep the supernatural world from falling apart and his mate safe from shifters and vampires. Worst of all, Micah continues to hide the reason he's being hunted. ** Jacob's Conflicted Heart [Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, sex in partially shifted form, HEA] Jacob White has been in love with Zed, the vampire prince, for almost five years. Zed sees Jacob as a child, but determined to show Zed he's dependable and strong, Jacob starts investigating the drugs coming into Zed's territory. Griffin Lyons left the shifter territory and became head of Roman

Walker's security. Being away from the lion pride has left him longing for a connection as the loneliness eats away at him. After Roman assigns Griffin to look into the drug situation within Zed's territory, he meets his mate-Jacob White. After the investigation forces Griffin to return to the shifter's territory, Jacob's support and kindness help him move past the pain and focus on the future. He starts to put the hurt behind him, but when he learns that Jacob loves someone else, the relationship takes a turn for the worse. ** A Siren Erotic Romance

Under the illusion he was going to comfort a young child the alpha's mate, Cecil, had befriended, he finds a man who needs more protection than

even anyone realizes. Treated as a simpleton all his life, Johnny Stone has never had anything to call his own - until he meets Hawk. Hawk must keep his emaciated mate safe from a sadistic brother while teaching Johnny to trust him. Hawk is quickly running out of time to convince Johnny that he isn't out to hurt him when his mate inadvertently starts the mating ritual. Will Johnny give Hawk the trust he needs to bind them together or suffer the consequences that fate's wicked sense of humor has unleashed? ** Note: Each book in Lynn Hagen's Brac Pack collection features a different romantic couple. The History of "Punch" - Marion Harry Spielmann 1895

Ulysses - James Joyce
2022-10-19
Loosely based on the Odyssey, this landmark of modern literature follows ordinary

Dubliners in 1904. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

Carson has been isolated by his flock due to his inability to grow into a strong ram. When he is unexpectedly attacked by his half-brother, he does not expect being rescued by a wolf—let alone falling in love with him. everyone until he believed it himself. When his brothers both find male mates and receive the full support of their family, Stefan begins to question what he knows. Deciding that he needs time away to come to terms with himself, Stefan takes a road trip. Along the way, he checks out the gay scene looking for answers.
