

The Dog Who Loved Too Much

Love That Dog Sharon Creech 2002-01-01 This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen.

Dogs Behaving Badly Nicholas Dodman 2000-06-06 Written with wit, wisdom, and compassion, this easy-to-use A-to-Z reference is a godsend for dog owners and prospective dog owners. Dr. Nicholas Dodman, expert animal psychologist and acclaimed author of *The Dog Who Loved Too Much*, gets us inside the minds of our pets to learn what makes them do the crazy things they do. From aggression to zoonosis and just about everything in between, Dr. Dodman draws on case histories from his own practice at the prestigious Tufts University Veterinary Center and offers fresh and incredibly useful tips that apply the latest discoveries in canine behaviorism and pharmacology. Here are simple, sensible, step-by-step instructions on diet, exercise, environment, and lifestyle changes that any pet owner can safely implement to effect seemingly miraculous improvement in their dog's behavior. Authoritative, entertaining, and immensely practical, Dr. Dodman proves that when it comes to caring for man's best friend, he's the best friend we have.

The Dog Trainer's Resource Mychelle Blake 2006-08-01 Today's professional dog trainer needs to develop expertise in a wide variety of fields: learning theory, training techniques, classroom strategies, marketing, community relations, and business development and management. This collection of articles from APDT's "Chronicle of the Dog" will prove a valuable resource for trainers and would-be trainers. Learn what you need to know from experts like Bob Bailey, Jean Donaldson, Ian Dunbar, Nicole Wilde, Sue Sternberg, and Karen Overall.

Dog Is Love Clive D. L. Wynne 2019 A pioneering canine behaviorist draws on cutting-edge research to show that a single, simple trait--the capacity to love--is what makes dogs such perfect companions for humans, and to explain how we can better reciprocate their affection.

The Dog Who Loved Too Much Nicholas Dodman 1997-03-03 Do you have a problem pooch? What do you do with a dog who attacks the telephone whenever it rings? Or one who chases imaginary rabbits down imaginary holes? Or one who is terrified of microblinds...or turns into Cujo every time company arrives? In this warm, compassionate, entertaining, and very informative book, Dr. Nicholas Dodman, one of the premier veterinary behaviorists in the country, tells real-life stories from his practice that illustrate his unique approach to correcting unwanted behaviors. By making key changes in a dog's diet, exercise regime, environment, and training, Dr. Dodman has been able to work wonders with even the most difficult problems. Utilizing revolutionary discoveries in canine behaviorism and pharmacology, Dr. Dodman has given hope and help to owners whose only previous options were obedience schools, or if these failed--euthanasia. Whether you own a problem dog or just want to better understand the complex, intelligent mind of your canine companion, this is a book you won't want to miss.

Inside of a Dog Alexandra Horowitz 2010-02-18 As an unabashed dog lover, Alexandra Horowitz is naturally curious about what her dog thinks and what she knows. As a cognitive scientist she is intent on understanding the minds of animals who cannot say what they know or feel. This is a fresh look at the world of dogs -- from the dog's point of view. The book introduces the reader to the science of the dog -- their perceptual and cognitive Abilities -- and uses that introduction to draw a picture of what it might be like to be a dog. It answers questions no other dog book can -- such as: What is a dog's sense of time? Does she miss me? Want friends? Know when she's been bad? Horowitz's journey, and the insights she uncovered from studying her own dog, Pumpernickel, allowed her to understand her dog better, and appreciate her more through that understanding. The reader will be able to do the same with their own dog. This is not another dog training book. Instead, *Inside of a Dog* will allow dog owners to look at their pets' behaviour in a different, and revealing light, enabling them to understand their dogs and enjoy their relationship even more.

The Curious Incident of the Dog in the Night-time Mark Haddon 2010-01-26 Winner of the Whitbread Book of the Year 'Outstanding...a stunningly good read' Observer 'Mark Haddon's portrayal of an emotionally dissociated mind is a superb achievement... Wise and bleakly funny' Ian McEwan The Curious Incident of the Dog in the Night-Time is a murder mystery novel like no other. The detective, and narrator, is Christopher Boone. Christopher is fifteen and has Asperger's Syndrome. He knows a very great deal about maths and very little about human beings. He loves lists, patterns and the truth. He hates the colours yellow and brown and being touched. He has never gone further than the end of the road on his own, but when he finds a neighbour's dog murdered he sets out on a terrifying journey which will turn his whole world upside down.

Small Dogs, Big Hearts Darlene Arden 2006-06-26 Small dogs can bring big rewards! Small dogs are charming, intelligent, and loving, but they can also be overly energetic, manipulative, and stubborn. How do you ensure that your little dog becomes a fun, feisty best friend rather than a tiny terror? Small Dogs, Big Hearts is an updated and expanded edition of the classic The Irrepressible Toy Dog. It features the very latest, safest, and fastest training methods for little dogs. There's no need to use training methods from the past that don't work well with most dogs, let alone little ones who view the world and their owners from a very different vantage point. You'll find everything you need to know to train your little dog, from housetraining to house manners, in this updated volume. Small Dogs, Big Hearts follows the small dog from puppyhood through the senior years, giving advice on important topics such as: socialization housetraining behavior nutrition healthcare pampering your pint-sized pooch With lots of adorable photos, you'll see small dogs at their most charming while you learn to bring out the best in your little bundle of love. Darlene Arden is widely acknowledged as an authority on small dogs, and is the author of many books and articles about dogs and their care. A member of the International Association of Animal Behavior Consultants, she is a certified animal behavior consultant and a regular contributor to Animal Radio Network. Words of Appreciation for this book and its predecessor include: "The voice of experience speaks about the hidden (and not so hidden) life of Toy dogs. Darlene Arden's sensible and practical advice is a must for would-be Toy dog owners. -Dr. Nicholas H. Dodman, Tufts University, Author of The Dog Who Loved Too Much "Small Dogs, Big Hearts is an invaluable treasure of information... It includes every aspect of puppy care from infancy through adulthood. It is precise, beautifully written, and easily understood by both the professional dog exhibitor and the owner of a beloved family pet. Every person who contemplates purchasing a dog or who has a dog should own this book." - Victor Joris, AKC Toy Group Judge. "Darlene Arden has come up with an informative book which, just like the little creatures that inspired it, manages to be of serious intent and at the same time entertaining. A thorough instruction manual for small dogs in general, it delves into the breed-specific joys and idiosyncrasies of these mini-sized canine charmers as well."- Lilian Barber, Author, The Italian Greyhound, 21st Century. "For anyone who has owned a small dog, the best book ever written has been written by Darlene Arden." - Martha Smith, Providence Journal Bulletin. "At last, we have a book devoted to Toy dogs written by an authority on Toy dog care...This book would be a worthwhile addition to any dog fancier's library." - Glenna Fierheller, Dogs in Canada. "Arden's breezy, unassuming portrait of the Rodney Dangerfields of dogdom captures everything from their blue-collar feistiness to their charming insouciance." - Ranny Green The Seattle Times. "If you've never considered yourself a 'small dog person,' this book could change your mind. If you've always loved Toys, you'll feel vindicated. And if you're considering a change of dog to a smaller breed this book will help you to avoid what could be fatal mistakes. The Irrepressible Toy Dog provides good advice for anyone with a dog, but for the Toy person it's a gift of understanding that will shatter the myth that all little dogs are or should be nasty, snappy brats. Brava!" -Karen L. Overall, MA, VMD, PhD University of Pennsylvania School of Medicine. A Howell Dog Book of Distinction.

Love at First Bark Julie Klam 2011-10-18 Look out for Julie's new book, *The Almost Legendary Morris Sisters*. The bestselling memoirist shows how saving a dog can sometimes help you save yourself. Julie Klam writes about dogs with a rollicking wit and a radiating warmth-as no other writer can. In her bestselling memoir *You Had Me at Woof*, she shared the secrets of happiness she learned as an occasionally frazzled but always devoted owner of Boston terriers. Now, with the same enchanting, pop culture-infused amalgam of humor and poignancy that reached the *The New York Times* and the *Today* show and won the hearts of readers across the country, she returns with more humorous insight into life with canine companions. Klam focuses here on dog rescue, and its healing power not only for the dogs who are cared for and able to find good homes, but also for the people who bond with these animals. Klam became involved with rescue after years as an owner of purebred dogs. She was looking for a way to help and participate in a community, but she never imagined just how much she would receive in return. The dogs she has rescued through the years have filled her life with laughter and contentment, sorrow and frustration, and they have made certain that she never has a dull moment. Along the way, she has collected stories from friends who have also found that guiding dogs to nurturing homes made their own lives richer. These experiences, which show us that even in our smallest gestures we can make a big difference, inspired *Love at First Bark*.

The Dog I Loved Susan Wilson 2021-11-30 New York Times bestselling author Susan Wilson is back with another signature heartwarming novel—one that begs the question: Can a dog lead the way to finding one's humanity? After spending years in prison for a crime she didn't intend to commit, Rose Collins is suddenly free. Someone who knows about the good work she has done—training therapy dogs while serving time—has arranged for her early release. This mysterious benefactor has even set her up with a job in the coastal Massachusetts community of Gloucester, on the edge of Dogtown, a place of legend and, for the first time since Rosie's whole world came crashing down, hope. There she works to rebuild her life with the help of Shadow, a stray dog who appears one rainy night and refuses to leave Rose's side. Meghan Custer is a wheelchair-bound war veteran who used to be hopeless, too. Living at home with her devoted but stifling parents felt a lot like being in prison, in fact. But ever since she was matched with a service dog named Shark, who was trained in a puppy-to-prisoner rehabilitation program, Meghan has a brand new outlook. Finally, she can live on her own. Go to work. And maybe, with Shark by her side, even find love again. Two strong women on a journey toward independence whose paths collide in extraordinary ways. Two dogs who somehow manage to save them both. A tale of survival and a testament to the human spirit, *The Dog I Loved* is an emotional and inspiring novel that no reader will soon forget.

Pure Joy Danielle Steel 2013-11-21 The perfect gift for all animal lovers. In this charming, heartfelt memoir, Danielle Steel tells the story of how she met a dog the size of a mouse, with a personality that could light up an entire room. Brimming with warmth and insight on every page, Danielle takes a look at the beloved pets who have brought joy, and sometimes chaos, to her home through the years: from Minnie's arrival at home in San Francisco to clothes shopping jaunts in Paris, Minnie's adventures provide the perfect backdrop for a heartfelt look at the magic that dogs bring to our lives, and how they become part of the family.

The Book of Barkley L. B. Johnson 2014-07-24 L.B. Johnson knew how to get things done. She had been immersed in a world of complex puzzles, and tangled story lines of physical and governmental laws. She was quite sure she was up to the task of raising a black Labrador retriever puppy. His name was Barkley, and in being himself, he led his owner down a path of joyful discovery, loving frustration, and self-sacrifice. Their journey together will speak volumes to anyone who has ever had a beloved animal as a heart's companion...from the gentle nuzzles that healed in moments of crisis, to the saintly patience needed to deal with a small pink ball with feet, named "Mr. Squeaky," who interrupted many hours of sleep. It is the story of rambunctious trespasses such as "the bacon incident," and the loving trust that bound a woman and her dog together in unspoken

understanding. The Book of Barkley is a tribute and memoir that will resonate with everyone who has reached out unthinking to pet a beloved animal...only to remember that a beloved friend is no longer present. Honest, transcendent, and beautifully written, The Book of Barkley is a love story that will enrich every animal lover's library.

Nigel Monty Don 2016-09-22 THE SUNDAY TIMES BESTSELLER When Monty Don's golden retriever Nigel became the surprise star of BBC Gardeners' World, inspiring huge interest, fan mail and his own social media accounts, Monty Don wanted to explore what makes us connect with animals quite so deeply. In many respects Nigel was a very ordinary dog; charming, handsome and obedient, as so many are. He was a much loved family pet. He was also a star. By telling Nigel's story, Monty relates his relationships with the other special dogs in his life in a memoir of his dogs past and very much present. Since it was first released in 2016, Monty Don's Nigel: my family and other dogs has sold over a quarter of a million copies, with Nigel, who sadly passed away in 2020, ensuring his place in the hearts of readers and dog lovers everywhere. This life-affirming memoir of the importance of dogs in Monty's life and in all our lives, is never more true than now. 'I have always had a dog, or dogs. I cannot imagine life without them. I am just as much a fan of Nigel as any besotted viewer. In the book I explore why we love dogs and what they mean to us emotionally and domestically. I look back on all the dogs in my life - all of which I have loved deeply and which have been an essential part of my life. So, this is the book of Nigel - but also the book of all our dogs in every British family and a celebration of the deep love we feel for them' Monty Don

One Dog and His Boy Eva Ibbotson 2011-07-07 All Hal ever wanted was a dog - but a dog would damage the expensive carpets in his parents' glamorous home, and they refuse to consider one. That's until they discover Easy Pets, a dog-rental agency. Fleck the terrier arrives on Hal's birthday, and Hal is overjoyed. But when Hal discovers to his horror that his dog is to be returned, he runs away... along with a bunch of pedigree hounds, all joyfully escaping from Easy Pets! Soon Hal and his dogs - including Otto the wise St Bernard, and the fierce and excitable Pekinese Li-Chee - are being chased across the country by ruthless pursuers. Helped by a travelling circus and some orphanage children, can they race to freedom? Written in the timeless tradition of 101 Dalmations, this is a tail-wagging grand adventure that every dog-lover will adore. Praise for Eva Ibbotson: "Readers of classic children's fiction will be familiar with the bliss that steals over one when a new Eva Ibbotson novel is published." Amanda Craig, The Times "Eva Ibbotson weaves a magic like no other. Once enchanted, always enchanted." Michael Morpurgo "This kind of fun will never fail to delight." Philip Pullman

size="+1">'Animal lovers will delight' Ann Granger 'A real treat . . . I loved it. Cats, dogs, murder and a credible and relatable heroine' Barbara Nadel Summer in the Lincolnshire Wolds and Clarice is rung by her friend Louise, asking whether she can look after Susie, her son's lively Boxer, as 41-year-old Guy has gone missing from the family home. His mother thinks he has been suffering from depression but more worryingly, in his professional life, he had been working on a high-profile case, defending a known criminal. His home life was beset with problems too, which is why his mother has asked Clarice to look after the dog; Charlotte, Guy's wife, just can't cope with her as well as their three daughters. Getting drawn into the puzzle of Guy's disappearance, Clarice wonders how Susie received a nasty cut to her back leg, and who is the mysterious Charles? Guy apparently did not trust him enough to let him into his home, and he had not been seen since he was driven away in Charles car. Guy's friends all say that he was a good, honest man, but as Clarice looks further into the murky criminal world he inhabits, she questions if Guy has been pulled in out of his depth. And - why does Susie keep returning to the private woods, where she had spent so much time with her beloved master....

who taught them what really matters in life. John and Jenny were young and deeply in love, with a perfect little house and not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley quickly grew into an uncontrollable 44-kilogram steamroller of a Labrador retriever. Expelled from obedience school, even the tranquilisers prescribed by the vet couldn't stop him. Yet through the chaos and the hilarity he won hearts and remained a steadfast model of devotion to his family, even when they were at their wits' end. Unconditional love, they would learn, comes in many forms. If you love Marley & Me, don't miss *The Longest Trip Home*, John Grogan's warm and moving memoir about the power of family and love. PRAISE for Marley & Me: 'Mr. Grogan knew the workings of Marley's mind. He makes that abundantly clear in Marley and Me, a very funny valentine to all those four-legged "big, dopey, playful galumphs that seemed to love life with a passion not often seen in this world." It's a book with intense but narrow appeal, strictly limited to anyone who has ever had, known or wanted a dog.' The New York Times 'A must for anyone who's ever had a canine pal - and even for those cat lovers who might be persuaded by the merits of man's best friend.' Sunday Herald Sun 'a sweet, funny tale' The Age 'Labrador retrievers are generally considered even-tempered, calm and reliable - and then there's Marley, the subject of this delightful tribute to one Lab who doesn't fit the mold. ... Grogan's chronicle of the...overly energetic but endearing dog is delivered with great humor. Dog lovers will love this account of Grogan's much loved canine.' Publisher's Weekly 'Grogan ... offers a humorous and loving tribute to Marley (after Bob Marley), his late 100-pound yellow Labrador ... Readers will delight in this tribute; recommended.' The True Love Trilogy Barbara Metzger 2014-03-29 Barbara Metzger's True series is now available in a single volume for the first time ever! Truly Yours Alone in the world, Amanda Carville has no dowry, no reputation left, and no one who believes her to be innocent of murder, since she was found holding the gun that killed her stepfather. Viscount Rexford also has his troubles. He's scarred by war, and cursed--or blessed--with the family trait of knowing the truth when he hears it, and his success at extracting the truth from military prisoners has left many doubting his honor and his methods. When Amanda tells him she didn't do it, he believes her. Tired of the truth business, Rex refuses to get involved...until his heart leaves him no choice. The Scandalous Life of a True Lady Spymaster Harry Harmon's new assignment is to spy on enemies at a country house party. To do that, he'll require a courtesan: learned, truthful, and beautiful... Poor, sensible, smart Simone Ryland has come to Mrs. Burton's bawdy house in search of work. But instead, she finds Harmon in need of her special skills. The Wicked Ways of a True Hero Daniel Stamford has become invaluable to the British Army for his ability to detect the truth from the enemy's lies. After years of service, Daniel finally takes a respite for some wine, wenches, and wagering. Unfortunately, he didn't bet on the lovely Miss Corisande Abbott and her unsavory reputation to swagger back into his life. But as time passes, Daniel realizes he wants to make an honest woman of Corey...and an honest man of himself.

The Cat who Cried for Help Nicholas H. Dodman 1997 In this groundbreaking book, Dr. Nicholas Dodman does for feline psychology what he did for canines in his widely acclaimed *The Dog Who Loved Too Much*. Here he reveals the fascinating, and often frustrating, mind of one of our most popular--and certainly most independent--animal companions, and shows how we can coexist peacefully with even the stubbornest of cats. What do you do about a cat determined to tear your sofa to shreds? Or one who gorges himself on your best running shoes . . . or attacks anyone who dares to open the refrigerator door? Drawing on remarkable real-life stories from his practice at the prestigious Tufts University School of Veterinary Medicine, Dr. Dodman shares the unique,

compassionate, dramatically successful treatment programs that have given problem cats a new lease on life . . . and their perplexed owners long-term solutions to even the most intractable disorders. As any cat owner knows, changing a cat's behavior can seem like an impossible task. But contrary to popular belief, cats can be trained and cured of irritating habits and undesirable behaviors. The Cat Who Cried for Help shows how minor adjustments in diet, exercise regimen, and environment can effect dramatic breakthroughs in resolving almost any feline problem. From cat panic attacks to eating disorders, from litterbox aversion to depression and a wide range of feline phobias, Dr. Dodman has successfully treated and resolved these and many other heretofore untreatable behaviors. Inside, you'll meet Ashley, the boss-cat who literally bites the hand that feeds him; Jonathan, the binge-eater; Rubles, the Abyssinian Jekyll and Hyde, pussycat one minute, man-eating tiger the next; and Thomas, the cat who cried for help--a little too loudly. Dr. Dodman's techniques are based on the most up-to-date research in pharmacology and feline behaviorism. Yet the primary objective of his treatments is to respect and protect the qualities of independence and dignity fundamental to a cat's nature. Including descriptions of symptoms, treatment options, and tips on prevention, The Cat Who Cried for Help provides everything you need to know to ensure both you and your feline friend a long, happy, and healthy relationship. If you've ever wanted to better understand the nature of this mysterious, enigmatic, and fascinating creature, Dr. Dodman's book provides a penetrating look into the intriguing and intricate world of the cat in your life.

My Love Affair with German Shepherd Dogs Pamela J. Brink 2021-10-19 Pamela Brink has lived in harmony with German Shepherds since she can remember. She has fiercely loved them and lived with the heartbreak of losing them. In between, she has bred her dogs, trained and showed them in obedience and rally, and guided them to win prizes including a Best in Show. In short, her life has been blessed by the devotion of these marvelous dogs. In a vivid chronicling of her life with her dogs, Brink begins by detailing her early years in the Phillipines where she came to love animals in general, her three-year imprisonment under Japanese guards, and later her life in the United States and Canada as she welcomed German Shepherds into her home and transformed not just their lives, but also her own in the process. While revealing the very different personalities and behaviors of her dogs over the years, Brink also divulges how she eventually became a breeder and trainer who produced beautiful dogs to show professionally. My Love Affair with German Shepherd Dogs chronicles the experiences of a breeder and trainer as she reveals the personalities and behaviors of the beloved animals that touched her life.

Pets on the Couch Nicholas Dodman 2017-07-11 "A celebrated veterinary behaviorist describes the practice of One Medicine, which hinges on the belief that humans and other animals have minds that work the same way, experience similar emotions and share the same neurochemistry, "--NoveList.

The Boy Who Loved Too Much Jennifer Latson 2017-06-20 What would it be like to see everyone as a friend? Twelve-year-old Eli D'Angelo has a genetic disorder that obliterates social inhibitions, making him irrepressibly friendly, indiscriminately trusting, and unconditionally loving toward everyone he meets. It also makes him enormously vulnerable. Journalist Jennifer Latson follows Eli over three critical years of his life as his mother, Gayle, must decide whether to shield Eli entirely from the world and its dangers or give him the freedom to find his own way and become his own person.

A Dog's Purpose W. Bruce Cameron 2011-12-22 The phenomenal New York Times Number One bestseller about the unbreakable bond between a dog and their human. Now a major film starring Dennis Quaid. This is the remarkable story of one endearing dog's search for his purpose over the course of several lives. More than just another charming dog story, *A Dog's Purpose* touches on the universal quest for an answer to life's most basic question: Why are we here? Surprised to find himself reborn as a rambunctious golden-haired puppy after a tragically short life as a stray mutt, Bailey's search for his new life's meaning leads him into the loving arms of eight-year-old Ethan. During their countless adventures, Bailey joyously discovers how to be a good dog. But this life as a family pet is not the end of Bailey's journey. Reborn as a puppy yet again, Bailey wonders - will he ever find his purpose? Heartwarming, insightful, and often laugh-out-loud funny, W. Bruce Cameron's *A Dog's Purpose* is not only the emotional and hilarious story of a dog's many lives, but also a dog's-eye commentary on human relationships and the unbreakable bonds between man and man's best friend. This moving and beautifully crafted story teaches us that love never dies, and that every creature on earth is born with a purpose.

The Monastic Way Hannah Ward 2013-01-25 A book of daily readings drawn from the writings of those who have lived the monastic life in all the major spiritual traditions of the Eastern and Western Churches: Benedictine, Franciscan, Orthodox, Carmelite, and others. For each month there is a specific theme: Starting Out, Seeking Guidance, Living With Others, Balancing Life and so on, through the year. Each theme is introduced by quotations from one of the great monastic Rules, and for each day of the year there is an excerpt from the writings of a huge variety of men and women stretching across the centuries, from 5th century Desert Mothers to Basil Hume, Joan Chittister, Thomas Merton and many more familiar and new names. This is a book for all who are looking to an ancient, rooted wisdom for practical guidance on living in the world today.

Animals in Translation Temple Grandin 2009-08-11 With unique personal insight, experience, and hard science, *Animals in Translation* is the definitive, groundbreaking work on animal behavior and psychology. Temple Grandin's professional training as an animal scientist and her history as a person with autism have given her a perspective like that of no other expert in the field of animal science. Grandin and coauthor Catherine Johnson present their powerful theory that autistic people can often think the way animals think—putting autistic people in the perfect position to translate “animal talk.” Exploring animal pain, fear, aggression, love, friendship, communication, learning, and even animal genius, Grandin is a faithful guide into their world. *Animals in Translation* reveals that animals are much smarter than anyone ever imagined, and Grandin, standing at the intersection of autism and animals, offers unparalleled observations and extraordinary ideas about both.

The Irrepressible Toy Dog Darlene Arden 1997-12-19 Almost 38% of all dogs in the U.S. are small dogs. This book follows the Toy dog from neonate to old companion, looking at the importance of training and socialization, housebreaking problems, special nutrition needs and more. A very thorough chapter on health care examines problems unique to Toys, including unhealthy knees, bad teeth and special anesthesia risks. —Foreword by Betty White

The Lick of Love Julian Clary 2021-10-14 From one of Britain's best-loved comedians comes this wonderfully funny, sharp and touching memoir and a celebration of the bond between man and dog - an autobiodography, if you will. 'I loved *The Lick of Love*. It's often insightful, sometimes hilarious, frequently filthy - I'm a cat person, but if anything were ever to convince me to get a dog, it would be this' Joanne Harris'. . . wise and perceptive, and funny and moving. Each dog you meet marks a different chapter of your life and Julian writes about it so BEAUTIFULLY! Joanna Cannon 'A quirky and witty excavation of memory lane in the company of his furry canine friends' Dame Joan Collins *The Lick of Love* takes us on a tour of Julian's colourful life - and wherever life has taken him, Julian has had a dog by his side. Fanny the Wonder Dog, who came into Julian's life when he was somewhat adrift, propelled him up the ranks of the alternative comedy circuit and onto television. Valerie, the whippet cross-breed escorted Julian through his forties, the Germaine Greer to his Bernard Manning. Albert, a jaunty geezer type who was sent to acclimatise Julian to middle age and helped him seduce his now husband, before being joined by naughty but nice Gigi, an unpredictable fur bullet of a dog. These canine characters have been there, bearing witness, on and off stage. Whether writing about encounters in seedy London nightclubs, finding success on television with *Sticky Moments*, the death of his partner, that Normant Lamont joke, a narrow squeak with a thwarted eastern European plot to kidnap him, his move to the country, or finally settling down, falling in love and getting married, Julian's unique voice bounces off the page. Ultimately, *The Lick of Love* is the story of a fascinating life and a love letter to the dogs that have played a loving and near constant part of it. Told with humour and great honesty, this promises to be one of the best memoirs of the year. 'Whatever else is going on, it is the water bowl in the kitchen, the dog hair on my jumper, the knowing gaze from the dog in the basket beside me that comforts me and tells me that all is well.' JC

The Dog Who Knew Too Much Spencer Quinn 2012-06-19 The fourth entry in the irresistible "New York Times"-bestselling mystery series featuring canine narrator Chet and his human companion Bernie. Combining suspense and intrigue, this is a wonderfully humorous take on the link between man and beast.

Dog-Friendly Dog Training Andrea Arden 1999-11-26 "I'm a dog fanatic, read everything I can find on dog behavior, and this book is terrific! It was a great reminder of all those other times I can be naturally shaping my two dogs' behavior without their even knowing they're behaving perfectly. The illustrations are fun and funny. And the methods are clearly spelled out — how to do them, why they work, how they make the doggie-human bond a more loving one." — Amy Tan, author of *The Joy Luck Club*, *The Hundred Secret Senses* and *The Kitchen God's Wife* "Andrea Arden is to be

congratulated on this wonderful book on dog training (and I'm sure that dogs everywhere would agree). Her approach is humane, user-friendly, dog-friendly and guaranteed to produce the desired results. A must-read for owners." — Dr. Nicholas Dodman, author of *The Dog Who Loved Too Much* and *Dogs Behaving Badly* "Dog-Friendly Dog Training will make you your dog's best friend. Use Andrea's training methods and you'll soon find your dog wanting to work for you. It provides easily understood information on dog training with a strong emphasis on the positive. She makes training so simple that a child can easily train the family pet. If dogs carried cash, I guarantee you they'd be buying copies for the humans they live with." —Wayne Hunthausen, DVM, director of Animal Behavior Consultations. Co-author of *The Handbook of Behavior Problems of the Dog and Cat*.

[The Dog Who Wouldn't Be](#) Farley Mowat 2017-11-01 The heartwarming, classic true story of a dog who didn't understand he's a dog—and the imaginative boy who loved him. Funny and poignant, *The Dog Who Wouldn't Be* is a lively portrait of an unorthodox childhood and an unforgettable friendship. Growing up in on the frontier of Saskatoon, Canada, the legendary adventurer and naturalist, Farley Mowat, received a gift from his mom: a dog she bought for four cents. Farley quickly named him "Mutt." Mutt displayed skills at hunting and retrieving that were either pure genius or just plain crazy—once going so far as to retrieve a plucked and trussed ruffed grouse from the grocer. Mutt also loved riding passenger in an open car wearing goggles and climbing both trees and ladders — the perfect companion for a child with a love for animals and misadventures. Originally published for young people, this is a memoir by the author *Never Cry Wolf* that will delight dog lovers of all ages. "The Dog Who Wouldn't Be was, and will forever remain, one of my first and deepest literary loves. When I first read it as a child, it became my "gateway book" to Farley Mowat's other great works, books which inspired me throughout my life. Re-reading it as an adult . . . I fell in love all over again with the eccentric and talented Mutt, with Farley's boyhood adventures, with the wild Saskatoon prairie. This classic remains one of the best biographies of an animal ever written—a masterful tribute to the bond between an extraordinary boy and an extraordinary dog." —Sy Montgomery, author of *Tamed and Untamed: Close Encounters of the Animal Kind*
