**The Lean Lands** - Agustín Yáñez 2017-03-08  
What was it that flew over with such a terrifying roar? Was it, as many said, the devil, or was it that thing a few had heard of, a flying machine? And those electric lights at Jacob Gallo's farm, were they witchcraft or were they science? The theme of this harshly powerful novel is the impact of modern technology and ideas on a few isolated, tradition-bound hamlets in the aftermath of the Mexican Revolution of 1910. The old ways are represented by Epifanio Trujillo, the cacique of the region, now ailing and losing his grip on things; by ancient Madre Matiana, the region's midwife, healer, counselor, and oracle; by penniless Rómulo and his wife Merced. "Progress" is represented by Don Epifanio's bastard son Jacob, who acquired money and influence elsewhere during the Revolution and who now, against his father's will, brings electricity, irrigation, fertilizers, and other modernities to the lean lands—together with armed henchmen. The conflict between the

old and the new builds slowly and inexorably to a violent climax that will long remain in the reader's memory. The author has given psychological and historical depth to his story by alternating the passages of narrative and dialogue with others in which several of the major characters brood on the past, the present, and the future. For instance, Matiana, now in her eighties, touchingly remembers how she was married and widowed before she had reached her seventeenth birthday. This dual technique is superbly handled, so that people and events have both a vivid actuality and an inner richness of meaning. The impact of the narrative is intensified by the twenty-one striking illustrations by Alberto Beltrán.

**The Girl in the Leaning Tower** - Winifred Hayek 2018-04-06

In *The Girl in the Leaning Tower*, Polly Duncan, who is almost thirteen and from New York, meets a new circle of friends and acquaintances in Pisa, Italy. Flora, a Roma girl; Charles, an itinerant merchant from Nigeria; former professor Mirella, who likes to recite Dante on the steps of a Pisan church; Mme Meringue, Polly's opinionated and meddlesome French landlady; and Sofia, who happens to have been born in 1168, all know the sting of being an outsider. Instead of being defeated by prejudice and other obstacles, these characters learn confidence and create their own opportunities. They do so using their determination, their creativity, and the very traits that set them apart.

distinctive city-states, the comics series *The Obscure Cities* represents one of literature's most impressive pieces of world-building. *Rebuilding Story Worlds* explores both the artistic traditions from which the series emerges and the innovative ways it plays with genre, gender, and urban space.

*Death and the Girl Next Door* - Darynda Jones  
2012-10-02

Darynda Jones, author of the New York Times bestselling series that began with *First Grave on the Right*, brings us *Death and the Girl Next Door*, a thrilling Young Adult novel garnering high praise and early buzz from major authors. Ten years ago, Lorelei's parents disappeared without a trace. Raised by her grandparents and leaning on the support of her best friends, Lorelei is finally beginning to accept the fact that her parents are never coming home. For Lorelei, life goes on. High school is not quite as painful as she thinks it will be, and things are as normal as they can be. Until the day the school's

designated loner, Cameron Lusk, begins to stalk her, turning up where she least expects it, standing outside her house in the dark, night after night. Things get even more complicated when a new guy—terrifying, tough, sexy Jared Kovach—comes to school. Cameron and Jared instantly despise each other and Lorelei seems to be the reason for their animosity. What does Jared know about her parents? Why does Cameron tell Jared he can't have Lorelei? And what will any of them do when Death comes knocking for real? Thrilling, sassy, sexy, and inventive, Darynda Jones's first foray into the world of teens will leave readers eager for the next installment. "Unique, witty, and touching—I LOVED THIS BOOK!" —P.C. Cast, New York Times bestselling author of *The House of Night Series*

[Lean Fall Stand](#) - Jon McGregor 2021-09-21  
A thrilling and propulsive novel of an Antarctica expedition gone wrong and its far-reaching consequences for the explorers and their

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2022-08-06  
by guest

families "leaves the reader moved and subtly changed, as if she had become part of the story" (Hilary Mantel). Remember the training: find shelter or make shelter, remain in place, establish contact with other members of the party, keep moving, keep calm. Robert 'Doc' Wright, a veteran of Antarctic surveying, was there on the ice when the worst happened. He holds within him the complete story of that night—but depleted by the disaster, Wright is no longer able to communicate the truth. Instead, in the wake of the catastrophic expedition, he faces the most daunting adventure of his life: learning a whole new way to be in the world. Meanwhile Anna, his wife, must suddenly scramble to navigate the sharp and unexpected contours of life as a caregiver. From the Booker Prize-longlisted, American Academy of Arts & Letters Award-winning author of *Reservoir 13*, this is a novel every bit as mesmerizing as its setting. Tenderly unraveling different notions of heroism through the rippling effects of one extraordinary

expedition on an ordinary family, *Lean Fall Stand* explores the indomitable human impulse to turn our experiences into stories—even when the words may fail us.

Eternity Girl - Magdalene Visaggio 2018-12-04  
ÒA wild, visually engrossing journey. Ó ÑPaste Magazine ÒA surreal, deeply personal tale. Ó ÑA.V. Club ÒA smart and unforgettable book. Ó ÑSyFy Wire Caroline Sharp gave up her humanity to gain incredible shape-shifting abilitiesÑpowers she used to save the world time and time again as the superhero Chrysalis. But as the years wore on, she began to lose control of the elemental forces coursing through her body, making her dangerously unstable and forcing her removal from ALPHA 13, the covert government agency that created her. Now, although she can barely hold herself together, CarolineÕs unique condition also means that nothing can kill her. Isolated, alienated and profoundly alone, sheÕs determined to break the curse of her immortalityÑby any means

necessary. Enter the villainous Madame Atom, with the offer of a lifetime: to end her suffering, all Caroline has to do is undertake one final, dimension-spanning mission, with one simple objective—the destruction of the entire universe. Written by Eisner and GLAAD Media award-nominated writer Magdalene Visaggio and illustrated by Eisner Award-winning artist Sonny Liew, *Eternity Girl* collects the unforgettable six-issue miniseries from the groundbreaking DC's Young Animal imprint.

**A Good Time to be a Girl: Don't Lean In, Change the System** - Helena Morrissey  
2018-02-08

From the founder of the worldwide 30% Club campaign comes a career book for women in a transforming world who don't just want to lean in, but instead, shatter the paradigm as we know it. 'I absolutely love her, I think she's such a force for good' Pandora Sykes, *The High Low The Leaning Girl* - 2014

**Lean In** - Sheryl Sandberg 2013-03-12

Sheryl Sandberg's *Lean In* is a massive cultural phenomenon and its title has become an instant catchphrase for empowering women. The book soared to the top of bestseller lists internationally, igniting global conversations about women and ambition. Sandberg packed theatres, dominated opinion pages, appeared on every major television show and on the cover of *Time* magazine, and sparked ferocious debate about women and leadership. Ask most women whether they have the right to equality at work and the answer will be a resounding yes, but ask the same women whether they'd feel confident asking for a raise, a promotion, or equal pay, and some reticence creeps in. The statistics, although an improvement on previous decades, are certainly not in women's favour - of 197 heads of state, only twenty-two are women. Women hold just 20 percent of seats in parliaments globally, and in the world of big business, a meagre eighteen of the Fortune 500

**The Leaning Girl** - Francois Schuiten  
2017-05-16

"Mary Von Rathen is with her family in Alaxis when during a ride on the Star Express the world shakes. Afterwards Mary is leaning. Doctors can not help her and she is sent to a private school in Sodrovni. Mary is not happy at the private school and she escapes. She joins the Robertson Circus and stays with them for some time, until she hears from Stanislas Sainclair that Alex Wappendorf might be able to help her"-

-Alta Plana website.

*A Good Time to be a Girl* - Helena Morrissey  
2018

From the founder of the worldwide 30% Club campaign comes a career book for women in a transforming world who don't just want to lean in, but instead, shatter the paradigm as we know it. 'I absolutely love her, I think she's such a force for good' Pandora Sykes, *The High Low In A Good Time to be a Girl*, Helena Morrissey sets out how we might achieve the next big breakthrough towards a truly inclusive modern society. Drawing on her experience as a City CEO, mother of nine, and founder of the influential 30% Club which campaigns for gender-balanced UK company boards, her manifesto for new ways of working, living, loving and raising families is for everyone, not just women. Making a powerful case for diversity and difference in any workplace, she shows how, together, we can develop smarter thinking and broader definitions of success. Gender balance,

in her view, is an essential driver of economic prosperity and part of the solution to the many problems we face today. Her approach is not aimed merely at training a few more women in working practices that have outlived their usefulness. Instead, this book sets out a way to reinvent the game - not at the expense of men but in ways that are right and relevant for a digital age. It is a powerful guide to success for us all.

Perfect Chemistry - Simone Elkeles 2011-11-10  
From the New York Times bestselling author Simone Elkeles comes an epic love story like no other . . . First in the gripping PERFECT CHEMISTRY series, this is the next addictive read for fans of Anna Todd's AFTER series, and Caroline Kepnes's YOU. When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created 'perfect' life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of

town, Brittany finds herself having to protect everything she's worked so hard for - her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But the closer Alex and Brittany get to each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. 'Compelling and addictive... I've still got that "wow" feeling you get after reading a great book' Wondrousreads.com 'Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read.' Thebookette.com 'Captures that rush of feelings associated with first love' Thebookbag.com 'Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance.'

Kirkus Review

**The Adventures of Superhero Girl  
(Expanded Edition)** - Faith Erin Hicks

2017-06-27

What if you can leap tall buildings and defeat alien monsters with your bare hands, but you buy your capes at secondhand stores and have a weakness for kittens? Cartoonist Faith Erin Hicks brings charming humor to the trials and tribulations of a young female superhero, battling monsters both supernatural and mundane in an all-too-ordinary world. The expanded edition collects the original Eisner Award-winning comic, two new stories, and new art from creators including Tyler Crook, Ron Chan, Jake Wyatt, Paulina Ganucheau, and more! The first collection won an Eisner Award (Best Publication for Kids) and has gone through 4 printings "This charming modern vision of a Superhero Girl features a young woman living an uncertain life, unsure of the best way to contribute to society. It's superhero as person

instead of as corporate symbol or fight machine. We see her struggling with relatable elements of daily life, like keeping her mother informed of how things are going or having to replace her cape after it shrunk in the laundry. One of the best strips has Superhero Girl explaining to a fan how she too can be a superhero without having a horrible tragedy in her past. This strip shines because it's fresh and lighthearted without wallowing in angst. Her arch-nemesis is a normal guy who keeps telling her she's doing it wrong. She struggles to balance her calling with a paying day job but keeps forgetting to take her mask off. Her annoying perfect brother Kevin shows her up, and she struggles with whether to stay hero or take the easier, villainous way to riches. The comic is perfectly suited to Hicks's expressive figures and energetic storytelling. The perfect laugh-filled tonic for heavier angst-filled superhero series." -Publishers Weekly "Have you ever wanted a superhero who lives in your world? If so, you will love Faith Erin Hicks'

dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. Brooklyn, 2008. Eighteen-year-old Deya, Isra's oldest daughter, must meet with potential husbands at her grandmother Fareeda's insistence, though her only desire is to go to college. Deya can't help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her

parents, the past, and her own future.

**The Theory of the Grain of Sand** - Benoit Peeters 2016

Gholam Mortiza Khan comes to Brüssel to sell some jewelry, but before the sale can be closed, Khan dies in an accident. Thus begins events sparking an investigation by Mary von Rathen: accumulation of sand in the apartment of Kristin Antipova; accumulation of stones in the house of Constant Abeels and Maurice who is losing weight by the day. The events have a catastrophic effect on Brüssel and time is of the essence. Newly translated into English by Ivanka Hahnenberger and Steve Smith, and edited by Steve Smith (translator of *The Leaning Girl* and *The Beauty*) and Karen Copeland at Alaxis Press for publication by IDW.

**Girl Hidden** - Kate Gable 2021-05-27

A family is found dead in their home. The only survivor is the teenage daughter who managed to escape the burning house. Detective Kaitlyn Carr has to bring their killer to justice. A year

before her disappearance, Violet, Kaitlyn's sister, comes to stay with her after a bad fight with their mom. She can't stand living at home as much as Kaitlyn once did and wants to move in with her. But Kaitlyn was just promoted to detective and her hours are erratic and long. She's never home and she can't take care of a teenager. Or maybe she can? As she gets closer and closer to finding out who killed the Hendrel family, her own family reaches a breaking point. What happens when her sister asks her to do the impossible? What happens when she can't say no? What happens when the dysfunction of her own family threatens to blow up her face and let the killer off for good? Girl Hidden is a

suspenseful thriller novella set in the same world as the Girl Missing series. It is perfect for fans of Lisa Regan, James Patterson, DK Hood, Lisa Jewell and Karin Slaughter. It has mystery, angst, a bit of romance and family drama.

**The Leaning Tower and Other Stories -**

Katherine Anne Porter 2014-03-25

Incomparable in their dramatic clarity and emotional force, the nine gems in this 1944 collection, now available in an exclusive Library of America e-book edition, affirm Katherine Anne Porter's genius for writing stories, as Eudora Welty observed, "with a power that stamps them to their very last detail on the memory."
