Pictures of Eastern Travel, Or, Egypt in Its Biblical Relations - John Foulkes Jones 1860

Women's Bible Commentary - Carol Ann Newsom 2012-01-01

A twentieth anniversary edition with brand new or thoroughly revised essays that reflect newer thinking in feminist interpretation and hermeneutics.

Proverbs and the Formation of Character - Bland Dave 2016-11-24

Proverbs and the Formation of Character presses the wisdom of Proverbs into active duty in the trenches of everyday life and puts the principles of character formation in working clothes. The wisdom Proverbs describes is not designed to master life's challenges but to learn to manage them and adapt. In learning to adapt, individuals grow and mature spiritually. Relying on solid biblical scholarship, Dave Bland brings to the fore the neglected sentence literature in Proverbs 10-29 and the vital resources they contribute to the process of character formation. Contrary to popular opinion, the book of Proverbs, even though addressed to youth, is not a book solely for the young, but for those of all ages who desire to continue to grow personally, as well as in their relationship with others and God. The wise in the book of Proverbs employ a plethora of resources to help train up young and old alike to grow into the character of God. Among others, these resources include the value of interacting with others, a healthy understanding of conflict, an appropriate perspective on wealth, a new appreciation for and reliance on the role of the neglected proverb in the education process, and the vital role of family and the faith community.

Dark Desert Hot River - William Bryant 2003-07-07

Dark Desert Hot River is a study of the historical background of the Gulf War, starting with T. E. Lawrence and the development of British interests in the Middle East, leading to the emergence of the Baath Party in Iraq and the rise of Saddam Hussein. The long essay on Lawrence is marbled with unexpected connections vignettes of E. M. Forster, Marcel Proust, Henry James, Joseph Conrad and Roger Casement, all in some way connected with Lawrence. The war journal details the six months leading up to the war and includes a picture of modern Arabia, underground gay life in the Middle East, with reports on the military situation up to the time of the authors evacuation. Waiting out the war, the author travels to Egypt and to India areas affected by the conflict but in many ways oblivious of it. The visits to the great monuments of Luxor, Khajuraho, Puri, travels to Bombay and Goa, are punctuated by erotic incidents with fellahin, felluca boys, adolescent draymen, young Dravidian sailors, Shiva boys and beach freaks.

Little Rock Catholic Study Bible - Catherine Upchurch 2011-06-01

Open the Little Rock Catholic Study Bible and feel at home with the Word of God. Through accessibly written information and engaging visuals that highlight and clarify significant areas of Scripture, readers will easily gain an understanding of these ancient texts that can be carried into today's world. Using the authorized translation in the New American Bible Revised Edition, this lasting volume is ideal for both personal use and group Bible study. The valuable information in the Little Rock Catholic Study Bible is offered in small notes and inserts that accompany the Bible texts as well as in expanded essays, articles, and graphics. Key symbols help readers quickly identify the type of information they need, such as explanations, definitions, dates, character and author profiles, archaeological insights, personal prayer starters, and insights connecting Scripture and its use in today's church. Colorful maps, timelines, photographs, and charts further enhance the study experience. Longer articles are dedicated to explaining study Bible fundamentals, the Catholic Church's use of the Bible, and the people and places of the biblical world. General Editor: Catherine Upchurch serves as the director of Little Rock Scripture Study. Her work in adult faith formation involves writing, editing, lecturing, leading retreats and days of reflection. She is the editor of A Year of Sundays and an associate editor of The Bible Today, a journal of biblical spirituality.

Old Testament Editor: Irene Nowell, OSB, is a Benedictine of Mount St. Scholastica in Atchison, Kansas. She is an adjunct professor at St. John's University School of Theology, has published two books and numerous articles, and is a past president of the Catholic Biblical Association. She is also a member of the Committee on Illuminations and Texts for The Saint John's Bible. New Testament Editor: Ronald D. Witherup, SS, is Superior General of the Sulpicians and lives in Paris, France. He holds a doctorate in biblical studies and is the author of numerous books and articles on Scripture. His current interest is in the letters of Saint Paul and the Acts of the Apostles.

Egypt in Its Biblical Relations and Moral Aspect - J. Foulkes Jones 1860

Rose Cross over the Baltic - Susanna Åkerman 1998-08-22

This volume studies the fascinating millenarian background to the early Rosicrucian pamphlets with special emphasis on their reception in the Baltic area, but also with reference to the original authors in Tübingen.

The Oxford Handbook of Wisdom and the Bible - Will Kynes 2021

"This volume both reflects on the contested nature of the Wisdom Literature category and takes advantage of the opportunities it presents for reconsidering the concept of wisdom more independently from it. The first half explores wisdom as a concept, with essays on its relationship to skill, epistemology, virtue, theology, and order in the Hebrew Bible, its meaning in related cultures, from Egypt and Mesopotamia to Patristic and Rabbinic interpretation, and, finally, its continuing relevance the modern world, including in Islamic, Jewish, and Christian thought, and from feminist, environmental, and other contextual perspectives. The latter half considers "Wisdom Literature" as a category. Scholars address its relation to the Solomonic Collection, its social setting, literary genres, chronological development, and theology.

Wisdom Literature's relation to other biblical literature (law, history, prophecy, apocalyptic, and the broad question of "Wisdom influence") is then discussed before separate chapters on the texts commonly associated with the category. Contributors take a variety of approaches to the current debates surrounding the viability and value of the Wisdom Literature category and its proper relationship to the concept of wisdom in the Hebrew Bible. Though the organization of the volume highlights the independence of wisdom as concept from "Wisdom Literature" as category, seeking to counter the lack of attention given to this question in the traditional approach, the inclusion of both topics together in the same volume reflects their continued interconnection. As such, this handbook both represents the current state of Wisdom scholarship and sets the stage for future developments"--

The Empyrean Scrolls - Michael Ortiz 2012-09

All that is was not how it was. Empyrean was the highest realm of the twenty-four realms and were collectively known as Celestia. Other manifestations of light were brought forth. Certain manifestations of the Great Light became servants, guardians, and witnesses to the unfolding events. It began when the Great Light initiated the twenty-fourth realm. Not all light was created in the same spectrum and not all possessed the honorable wings of legend. The beings of light marveled at the Great Light's numerous revelations. However, there was one who rose in his pride and broke all the laws that kept the balance. This is that one which came to be known as the Adversary

Seven Pillars of Wisdom - T. E. Lawrence 2022-01-05

Seven Pillars of Wisdom is the autobiographical work by of British Army Colonel T. E. Lawrence ("Lawrence of Arabia"). In the book he describes his adventures of serving as a military advisor to Bedouin forces during the Arab Revolt against the Ottoman Turks of 1916 to 1918. Lawrence kept extensive notes throughout the course of his involvement in the Revolt and cleared them up during his stay in Paris. During the revolt, Lawrence helped organize and carry out attacks on the Ottoman forces from Aqaba in the south to Damascus in the north. He got popular among the locals, yet most of his popularity came after the publication of this account. It includes the descriptions of battles and geographic sights, incredible landscapes and customs.
