The Ultimate Lawyers Joke

Book - Larry Wilde 1987

Larry Wilde's newest collection of legal laughs is so hysterical it's almost criminal! Author of a plethora of popular Joke Books, he has become America's #1 bestselling humorist.

Lowering the Bar - Marc Galanter 2006-10-10

What do you call 600 lawyers at the bottom of the sea? Marc Galanter calls it an opportunity to investigate the meanings of a rich and time-honored genre of American humor: lawyer jokes. *Lowering the Bar* analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle, Johnnie Cochran, and Kenneth Starr. Drawing on representations of law and lawyers in the mass media, political discourse, and public opinion surveys, Galanter finds that the increasing reliance on

law has coexisted uneasily with anxiety about the “legalization” of society. Informative and always entertaining, his book explores the tensions between Americans’ deep-seated belief in the law and their ambivalence about lawyers.

Jokes and Their Relations - Elliott Oring 2017-07-05

Almost everyone tells and appreciates jokes. Yet the nature of jokes has proved elusive. When asked what they really mean, people tend to laugh off the question, dismissing jokes as meaningless or too obvious to require explanation. Of those who have seriously sought to understand humor, most have explained jokes as expressions of aggression- a socially acceptable way of showing contempt and displaying superiority. Elliott Oring offers a fresh perspective on jokes and related forms of humor. Criticizing and modifying traditional concepts and methods of analysis, he delineates an approach that can explain the peculiarities of a wide variety of humorous

expression. Written in an accessible and engaging style, *Jokes and Their Relations* will appeal to anyone who has ever wondered how jokes work and what they mean. Humor, Oring argues, depends upon the perception of an appropriate incongruity. The first step in understanding a joke, anecdote, or comic song is to unravel this incongruity. The second step is to locate the incongruity within particular individual, social, or cultural contexts. To understand the meaning of a joke, one must know something of its tellers, the social and historical circumstances of its telling, and its relation to a wider repertoire of expression.

Official Virgins Sex Maniacs Joke Book - Larry Wilde 1988-09-01

Secretly Inside - Hans Warren 2006

In the Dutch countryside the war seems far away. For most people, at least. But not for Ed, a Jew in Nazi-occupied Holland trying to find some safe sanctuary. Compelled to go

Downloaded from
legacy.opendemocracy.net
on 2022-09-28 by guest

into hiding in the rural province of Zeeland, he is taken in by a seemingly benevolent family of farmers. But, as Ed comes to realize, the Van 't Westeindes are not what they seem. Camiel, the son of the house, is still in mourning for his best friend, a German soldier who committed suicide the year before. And Camiel's fiery, unstable sister Mariete begins to nurse a growing unrequited passion for their young guest, just as Ed realizes his own attraction to Camiel. As time goes by, Ed is drawn into the domestic intrigues around him, and the farmhouse that had begun as his refuge slowly becomes his prison.

The Larry Wilde Library of Laughter - Larry Wilde 1988

A collection of the funniest gags, quips, and stories by America's best-selling humorist.
