This work, published in 1768, when Swedenborg was eighty years of age, was the first of the author's theological works on the title of which his name appeared. It treats of the relation of the sexes; of the nature and origin of love truly conjugal and of its indissoluble nature; of the marriage of the Lord and the Church, and its correspondence; of the spiritual conjunction of partners in true marriage; of the change effected in both sexes by marriage; of the causes of disaffection, separations, and divorces; of the causes of apparent love, friendship, and favor in marriage; and of iterated marriages. To which is appended a treatise on Adulterous or Scortatory Love in its various degrees, showing it to be in its nature the very opposite of Conjugal Love.

The attraction was undeniable, but their timing was atrocious. Wil and Mandy are both keeping secrets. Wil's is supernatural, Mandy's is more down to earth, but no less devastating. When they meet, both have a common purpose - Wil's father. Mandy was all set to see Wil's dad through his final days, but Wil has another idea in mind. with help from a team of mercenary shapeshifters, Wil and Mandy discover the truth about their enemies, themselves, and the deep-rooted love that is blossoming between them. Other books in this series: - Warrior's Heart - Future Past - A Friend in Need

Lightning East to West - James W. Douglass 2006-04-01

We live in that final time which offers humans the clearest choice in history: the kingdom or the holocaust, Jim Douglass writes. Either end is a lightning east to west: the nuclear holocaust a lightning fire, the kingdom of Reality a lightning spirit. We will choose lightning east to west today as either nuclear fire or the kingdom of God, as either despair and annihilation or transformation through nonviolence. If we look to Jesus and Gandhi, and what they point to, we can hope to choose the lightning fire of nonviolence.

Black Lightning - Roger Mais 2013-11-01

An iconic novel from a rebellious and politically active author, this story follows Jack, a sculptor and blacksmith, who idolizes the Biblical Samson as a figure of man's independence. Deciding to carve a mahogany tribute to Samson, however, becomes a more complicated affair when Jack's wife leaves him for another man. The end result is a sculpture of a blinded Samson leaning on a young boy for support. As life imitates art, Jack is struck by lightning and left blind, forcing him to rely on his friends to survive. After leading him on a journey to discover just how reliant on humanity he really is, Jack's blindness ultimately drives him to his final act of independence: his own suicide.
