A Fez of the Heart - Jeremy Seal 2016-02-11
Jeremy Seal set out across Turkey, in the extremes of winter, to trace the astonishing history of a cone-shaped hat. He soon saw the fez as the key by which Turkey, beset by contradiction, might be understood. 'Almost all you could ever need to know about modern Turkey, modern Turks and their one-time headgear. Extremely well written and very funny' Eric Newby 'Original and beautifully observed, the book reads like Chatwin with jokes' Independent 'Intelligent, funny and informative travelogue . . . Not so much a book about hats as a skilled and entertaining portrait of modern Turkey' Sunday Times 'Armchair travellers can rarely have had such a delightfully

eccentric guide as Jeremy Seal . . . weaves history, personal and illuminating observation into a sprightly seamless whole' Scotland on Sunday

Conquistadora - Esmeralda Santiago
2012-07-10

As a young girl growing up in Spain, Ana Larragoity Cubillas is powerfully drawn to Puerto Rico by the diaries of an ancestor who traveled there with Ponce de Leon. And in handsome twin brothers Ramon and Inocente—both in love with Ana—she finds a way to get there. Marrying Ramon at the age of eighteen, she travels across the ocean to Hacienda los Gemelos, a remote sugar plantation the brothers have inherited. Like a Sword Wound - Ahmet Altan 2018-10-09

A “magical, marvellous” epic of an empire in collapse: Book one in the acclaimed Ottoman Quartet by the award-winning Turkish author and political dissident (La Stampa, Italy). Tracking the decline and fall of the Ottoman empire, Ahmet Altan's Ottoman Quartet spans fifty years from the end of the nineteenth century to the post-WWI rise of Atatürk as leader of the new Turkey. In *Like a Sword Wound*, a modern-day resident of Istanbul is visited by the ghosts of his ancestors, finally free to tell their stories “under the broad, dark wings of death.” Among the characters who come to life are an Ottoman army officer; the Sultan's personal doctor; a scion of the royal house whose Western education brings him into conflict with his family's legacy; and a beguiling Turkish aristocrat who, while fond of her emancipated life in Paris, finds herself drawn to a conservative Muslim spiritual leader. As their stories of intimate desire and personal betrayal unfold, the society that spawned them is

transforming and the sublime empire disintegrating. Here is a Turkish saga reminiscent of War and Peace, written in lively, contemporary prose that traces not only the social currents of the time but also the erotic and emotional lives of its characters. "An engrossing novel of obsessive love and oppressive tyranny, a tale of collapse that dramatizes the fateful moments of an empire and its subjects." —Publishers Weekly (starred review)

[America's Dream](#) - Esmeralda Santiago
2021-04-06

It's 1996, and América Gonzalez is a hotel housekeeper on Vieques, an island off the coast of Puerto Rico, cleaning up after wealthy foreigners who don't look her in the eye. Her alcoholic mother resents her; her married boyfriend, Correa, beats her; and their fourteen-year-old daughter thinks life would be better anywhere but with América. So when América is offered the chance to work as a live-in

housekeeper and nanny for a family in Westchester, New York, she takes it as a sign to finally make the escape she's been longing for. Yet, even as América revels in the comparative luxury of her new life--daring to care about a man other than Correa--she is faced with the disquieting realization that no matter what she does, she can never really escape her past. Deftly written and fiercely resilient, this novel explores the ever-shifting definition of what it means to be American and exemplifies the spirit of every immigrant who has dared to realize the American dream. --Chicago Tribune

One of "The Best Memoirs of a Generation" (Oprah's Book Club): a young woman's journey from the mango groves and barrios of Puerto Rico to Brooklyn, and eventually on to Harvard. In a childhood full of tropical beauty and domestic strife, poverty and tenderness, Esmeralda Santiago learned the proper way to eat a guava, the sound of tree frogs, the taste of morcilla, and the formula for ushering a dead baby's soul to heaven. But when her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually a new identity. In the first of her three acclaimed memoirs, Esmeralda brilliantly recreates her tremendous journey from the idyllic landscape and tumultuous family life of her earliest years, to translating for her mother at the welfare office, and to high honors at Harvard.

The Turkish Lover - Esmeralda Santiago

2009-03-17

Enthralled admirers of Esmeralda Santiago's memoirs of her childhood have yearned to read more. Now, in *The Turkish Lover*, Esmeralda finally breaks out of the monumental struggle with her powerful mother, only to elope into the spell of an exotic love affair. At the heart of the story is Esmeralda's relationship with "the Turk," a passion that gradually becomes a prison out of which she must emerge to become herself. The expansive humanity, earthy humor, and psychological courage that made Esmeralda's first two books so successful are on full display again in *The Turkish Lover*.

Turkish Delight - Jan Wolkers 2017-03-07

The story of a tempestuous love affair—and the basis for Paul Verhoeven's Oscar-nominated film—Wolkers's controversial masterpiece comes alive in a new translation. Upon its original publication in 1969, *Turkish Delight* was a

sensation and a scandal. Its graphic language and explicit sex scenes had an explosive effect, but just as revolutionary was its frank, colloquial style. The more straightlaced critics condemned the book, but readers saw a novel that reflected the way that they spoke, thought, and felt.

Turkish Delight opens with a screed: a sculptor in his studio, raging against the love he lost and describing, in gory detail, the state of his life since she left him. Our narrator alternates between the story of his relationship with Olga—its passion and affection, but also its obsessiveness and abuse—and the dark days that followed, as he attempts to recapture what they had when they lived together, “happy as beasts.” The two only reunite during Olga’s inexorable and tragic decline into cancer—the chemo having taken her hair and rotted her teeth, she will only eat the soft, sweet *Turkish Delight* that her ex-lover brings to her bedside. In a new translation by Sam Garrett (Herman Koch’s *The Dinner*), readers get a sense of

Maps for Lost Lovers - Nadeem Aslam

2012-09-25

Set in a nameless British town that its Pakistani-born immigrants have renamed Dasht-e-Tanhaii, the Desert of Solitude, Maps for Lost Lovers is an exploration of cultural tension and religious bigotry played out in the personal breakdown of a single family. As the book begins, Jugnu and Chanda, whose love is both passionate and illicit, have disappeared from their home. Rumours about their disappearance abound, but five months pass before anything certain is known. Finally, on a snow-covered January morning, Chanda's brothers are arrested for the murder of their sister and Jugnu. Maps for Lost Lovers traces the year following Jugnu and Chanda's disappearance. Seen principally through the eyes of Jugnu's brother Shamas, the cultured, poetic director of the local Community Relations Council and Commission for Racial Equality, and his wife Kaukab, mother of three increasingly estranged children and devout daughter of a

Muslim cleric, the event marks the beginning of the unravelling of all that is sacred to them. It fills Shamas's own house and life with grief and, in exploring the lovers' disappearance and its aftermath, Nadeem Aslam discloses a legacy of miscomprehension and regret not only for Shamas and Kaukab but for their children and neighbours as well. An intimate portrait of a

community searingly damaged by traditions, this is a densely imagined, beautiful and deeply troubling book written in heightened prose saturated with imagery. It casts a deep gaze on themes as timeless as love, nationalism and religion, while meditating on how these forces drive us apart.
