Book Review Digest - 1978

Excerpts from and citations to reviews of more than 8,000 books each year, drawn from coverage of 109 publications. Book Review Digest provides citations to and excerpts of

reviews of current juvenile and adult fiction and nonfiction in the English language. Reviews of the following types of books are excluded: government publications, textbooks, and technical books in the sciences and law. Reviews

of books on science for the general reader, however, are included. The reviews originate in a group of selected periodicals in the humanities, social sciences, and general science published in the United States, Canada, and Great Britain. - Publisher.

What Makes You So Strong? - Jeremiah A. Wright (Jr.) 1993

When the fortress of Louisbourg fell to the British in 1758, the Acadians of Prince Edward Island (then known as Île Saint-Jean) were doomed to a horrible fate—deportation from their homes to an unknown land thousands of kilometres away. Shipwrecks and disease took a terrible toll during the voyage to France, and hundreds of the approximately three thousand deportees lost their lives. Earle Lockerby's meticulously researched account sheds new light on this tragic event, from its implementation to the experiences of the Acadians who eluded British troops and escaped to the mainland, to the deportees' arrival in Europe. Featuring

excerpts from original documents and letters, Deportation of the Prince Edward Island Acadians is an important record of this neglected chapter in the saga of the Acadian people.

what true love is and what it's not. Discover how to find and nurture a relationship you want to keep forever. Whether you're a teen, a young adult, or a newlywed, these sacred scriptural precepts keep you on the path to perfection and a loving marriage that lasts eternally.

Handbook of Couples Therapy - Michele Harway
2005-01-21

The essential guide to successful couples therapy at every stage of the lifecycle A variety of therapeutic interventions can help couples develop the tools for a successful relationship. Yet many practitioners begin seeing couples without extensive training in couples work. To fill this gap in their therapeutic repertoires, noted couple therapist Michele Harway brings together other well-known experts in marriage and family therapy to offer the Handbook of Couples Therapy, a comprehensive guide to the study and practice of couple therapy. The book's chapters provide a variety of perspectives along developmental, theoretical, and situational
