When a Man Marries Mary Roberts Rinehart 2022-09-15 'When a Man Marries' is a romance novel written by Mary Roberts Rinehart. The story began with Jimmy Wilson and a conspiracy, helped on by a foot-square piece of yellow paper and a Japanese butler, enmeshing and mixing up generally ten respectable members of society and a policeman. Incidentally, it involved a pearl collar and a box of soap, which sounds incongruous, doesn't it? It is a great misfortune to be stout, especially for a man.

Rereading the Spanish American Essay Doris Meyer

2010-07-22 "The essays are clearly chosen to be different in style

and content from the 'malestream' canon, and the book as a whole is full of old friends and welcome new surprises.... It will be of interest not only to Latin Americanists, but also to the wider community interested in non-European gender studies and cultural studies." —Debra A. Castillo, Cornell University Latin American intellectual history is largely founded on essayistic writing. Women's essays have always formed a part of this rich tradition, yet they have seldom received the respect they merit and are often omitted entirely from anthologies. This volume and its earlier companion, *Reinterpreting the Spanish American Essay: Women Writers of the 19th and 20th Centuries*, seek to remedy that neglect. This book collects thirty-six notable essays by twenty-two women writers, including Flora Tristan, Gertrudis Gómez de Avellaneda, Clorinda Matto de Turner, Victoria Ocampo, Alfonsina Storni, Rosario Ferré, Christina Peri Rossi, and Elena Poniatowska. All of the essays are here translated into English for the first time, many by the same scholars who wrote critical studies of the authors in the first volume. Each author's work is also prefaced by a brief biographical sketch.

Chaim Potok Daniel Walden 2013-07-03 Chaim Potok was a world-class writer and scholar, a Conservative Jew who wrote from and about his tradition and the conflicts between observance and acculturation. With a plain, straightforward style, his novels were set against the moral, spiritual, and intellectual currents of the twentieth century. This collection aims to widen the lens through which we read Chaim Potok and to establish him as an authentic American writer who created unforgettable characters forging American identities for themselves while retaining their Jewish nature. The essays illuminate the central struggle in Potok's novels, which results from a profound desire to reconcile the appeal of modernity with the pull of traditional Judaism. The volume includes a memoir by Adena Potok and ends with Chaim Potok's "My Life as a Writer," a speech he gave at Penn State in 1982. Aside from the editor, the contributors are

With the British Legion G. A. Henty 2017-07-05
George Alfred Henty was a prolific English novelist and war correspondent. He is best known for his historical adventure stories that were popular in the late 19th century: The story of the doings of the British Legion under Sir de Lacy Evans in Spain is but little known. The expedition was a failure, and that from no want of heroic courage on the part of the soldiers, but from the most scandalous neglect and ill-treatment by the Government of Queen Christina. So gross was this neglect that within six months of their arrival in the Peninsula nearly five thousand, that is to say half the Legion, had either died from want, privation, or fever in the hospitals of Vittoria, or were invalided home. The remainder,

although ill-fed, ill-clothed, and with their pay nine months in arrear, showed themselves worthy of the best traditions of the British army, and it was only at the end of their two years' engagement that, finding all attempts to obtain fair treatment from the Government unavailing, they took their discharge and returned home. The history of their doings as described in the following story is largely founded on a pamphlet by Alex. Somerville, a man of genius who enlisted in the Legion; and the events subsequent to its disbandment are taken from the work of Major Duncan, one of the Commissioners appointed by the British Government to endeavour to see that the conditions of a convention entered into by our Government and the leaders of the contending parties in Spain were duly observed--a convention, however, that had very small influence in checking the atrocities committed by both combatants. on their lives as young adults; interviews were conducted over a period of six years in Spain and Morocco. The stories begin with narrators lives in Morocco, contextualizing their migratory experience, then follows them children traveling alone as they across the Strait of Gibraltar and make their way to Madrid; the study also engages with those who were deported, crossing the Strait once again as they were returned to Morocco. Using qualitative interviews to capture narrators accounts in their own words, this oral history examines their identity trans/formation, integration, and acculturation in Spain. Their individual voices and their collective wisdom contribute to an understanding of their experiences and by extension, that of unaccompanied child migrants everywhere, revealing larger lessons to be learned. Documenting their transition into adulthood, the book poses the crucial question, What becomes of unaccompanied migrant minors when they come of age? Unaccompanied minor migration is on the rise throughout the world, it is the new normal. As Spain and other nations grapple with increasing numbers of unaccompanied children on their borders, the importance of this study has immediate relevance for government policies and migration research. The history of unaccompanied Moroccan minors coming of age in Madrid contributes to the broader geographical discussion by responding to calls for contextualized, micro-scale, local research and the foregrounding and centralizing of the young migrants themselves.

Perfectly Broken Amber Mauldin 2014-12-23 *Perfectly Broken* is a riveting story of my life after my rape. Fear and rage were my closest companions, and I teeter-tottered between the two. Even with my rapist in prison and awaiting the trial, I couldn't come to grips with my life as a victim. Delirium and Destiny María Zambrano 1999-01-01 Maria Zambrano's *Delirium and Destiny* makes the work of this major Spanish philosopher available in English for the first time. An excellent introduction to Zambrano's life and thought, it traces the intellectual formation of a young woman who became one of Jose Ortega y Gasset's most distinguished pupils, and it chronicles Zambrano's redefinition of his philosophical positions. A truly interdisciplinary work, this translation is accompanied by an extensive critical essay, a translator's afterword, and a glossary of pertinent historical and philosophical terms.

center of fierce political storms, including some of the most crucial changes in civil rights in recent years. Edited by Thomas A. Foster, *Documenting Intimate Matters* features seventy-two documents that collectively highlight the broad diversity inherent in the history of American sexuality. Complementing the third edition of *Intimate Matters*, by John D’Emilio and Estelle B. Freedman—often hailed as the definitive survey of sexual history in America—the multiple narratives presented by these documents reveal the complexity of this subject in US history. The historical moments captured in this volume show that, contrary to popular misconception, the history of sexuality is not a simple story of increased freedoms and sexual liberation, but an ongoing struggle between change and continuity.

The Eyes and Ears of Rome in Spain John Mancini 1999-12

The novel, *The Eyes and Ears of Rome in Spain* is the first in a series of novels which follow the adventures of the young spy master Antonus Paullus during the Second Punic War when Rome fought Carthage and Hannibal. This is a critical period for Rome when the city began the transformation from a regional to ancient world power. Actual events and characters from the Second Punic War are used as the framework for these fast moving, action packed, fictional stories. The Paullus family is in charge of all Roman spying activities. At the beginning of the war Antonus becomes head of family operations in Spain. He replaces his father who has been captured and killed. His assignments are, to avoid capture by Carthaginian counterintelligence, to find who; and why his father was betrayed, to determine the operational strategy of the Carthaginians, and to drive a wedge between the Spanish Tribes and Carthage. Antonus works to complete each of the assignments, over coming obstacles, finding love, and growing to maturity in his new position.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding.

A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like

Pablo, a blind boy, who also has romantic feelings towards Nela. Marianela frequently sings to Pablo, and he believes she is beautiful because of her voice and wild yet intelligible imagination. Pablo's father asks a famous doctor, Teodoro Golfín, to examine Pablo to determine if his sight can be obtained. Pablo, full of hope at the prospect, promises Nela that he will marry her after the operation, if successful. He is convinced that Nela is beautiful, even when she tells him otherwise. In the meantime, Pablo's father plans for Pablo to marry his beautiful cousin, Florentina, but tells neither of them about it. Florentina comes to Socartes, and when Marianela first sees her, she mistakes her for the Virgin Mary because of her beauty. When Florentina is out walking with Pablo and Marianela, she expresses her pity for Nela because she is poor, abandoned and nobody loves her. She vows to take charge of Nela and clothe and educate her, and have Marianela live with her like a sister. Pablo eventually gets the operation that gives him his sight. Before seeing Nela, he sees Florentina and assumes she was Nela but was corrected. He is completely entranced by Florentina's beauty and occasionally asks for Nela. Nela attempts suicide because she knows that now she is of no use, since Pablo has the ability to see and differentiate between beautiful and ugly, but she is saved by Dr. Golfín. He takes Nela to Pablo's villa and into Florentina's room (which used to be the room of the wife of Don Francisco) and takes care of her while she is hiding away from Pablo because of her looks. Then, due to Pablo's desire to see Florentina, Pablo finds his way to Florentina's room and serenades Florentina for all her beauty. He then has his attention drawn to Don Teodoro and Nela on the sofa and confuses her for "just a poor girl who Florentina took in from the street." Marianela then finally reveals herself and kisses Pablo's hand three times. Upon the third kiss, she dies of a broken heart and leaves Pablo distraught and shocked.
