Sacred Places Mandy M. Roth 2018-03-21 Paranormal Romance Coyle O'Caha, a seven-hundred-year-old, immortal druid sorcerer, has one claim to fame—his experience mentoring fledgling witches. Three years ago, he found his soulmate, Deri Sullivan. With Deri haunting his dreams, he can no longer wait to claim her. He's tired of waiting for her to fall for his charms and see that he's the man for her. Of course, that's easier said than done since Deri is immune to both his charm and magik. Deri Sullivan's boss is a real piece of work. Not only is Coyle a millionaire with a body to die for and an attitude to match, but he also has a Scottish lilt which makes her knees weak. He's a certified ladies' man. A man she should avoid at all costs. A man she can't seem to quit dreaming about. A man with whom she wishes she could share her secret. Sometimes love happens at its own pace, other times, a supernatural nudge is needed.

Phenomenological Psychology J.J. Kockelmans 2012-12-06 Over the past decades many books and essays have been written on phenomenological psychology. Some of these publications are historical in character and were designed to give the reader an idea of the origin, meaning, and function of phenomenological psychology and its most important trends. Others are theoretical in nature and were written to give the reader an insight into the ways in which various authors conceive of phenomenological psychology and how they attempt to justify their views in light of the philosophical assumptions underlying their conceptions. Finally, there are a great number of publications in which the authors do not talk about phenomenological psychology, but rather try to do what was described as possible and necessary in the first two kinds of publications. Some of these attempts to do the latter have been quite successful; in other cases the results have been disappointing. This anthology contains a number of essays which I have brought together for the explicit purpose of introducing the reader to the Dutch school in phenomenological psychology. The Dutch school occupies an important place in the phenomenological movement as a whole. Buytendijk was one of the first Dutch scholars to contribute to the field, and for several decades he remained the central figure of the school.

Girl in the Bearskin C. L. Stone 2018-07-03 Adelina Yousef is sent home penniless and thankless for the job she's done protecting her country. On her way home, she meets a demon, who tests her courage: If she lives for a full seven years under a cloak of a bearskin, never washing, never trimming her hair or nails, she will forever have all the money she will ever need. If she dies during the seven years, he claims her soul. She agrees, and at first she lives okay, but as the years go on, as people begin to turn their backs on that ugly, filthy girl in the bearskin, her courage begins to falter. Can anyone ever look past her appearance to give her food, shelter, or even love? And why does the demon follow her so close, and tempt her at every turn to give up, to give her soul to him?

The Seducer's Diary Søren Kierkegaard 1997 "In the vast literature of love, *The Seducer's Diary* is an intricate curiosity--a feverishly intellectual attempt to reconstruct an erotic failure as a pedagogic success, a wound masked as a boast," observes John Updike in his foreword to Søren Kierkegaard's narrative. This work, a chapter from Kierkegaard's first major volume, *Either/Or*, springs from his relationship with his fiancée, Regine Olsen. Kierkegaard fell in love with the young woman, ten years his junior, proposed to her, but then broke off their engagement a year later. This event affected Kierkegaard profoundly. Olsen became a muse for him, and a flood of volumes resulted. His attempt to set right, in writing, what he feels was a mistake in his relationship with Olsen taught him the secret of "indirect communication." *The Seducer's Diary*, then, becomes Kierkegaard's attempt to portray himself as a scoundrel and thus make their break easier for her. Matters of marriage, the ethical versus the aesthetic, dread, and, increasingly, the severities of Christianity are pondered by Kierkegaard in this intense work.

The Memoirs of Jacques Casanova de Seingalt ... Giacomo Casanova 1938 Giacomo Girolamo Casanova de Seingalt was an Italian adventurer and author from the Republic of Venice. His autobiography is regarded as one of the most authentic sources of the customs and norms of European social life during the 18th century. He was so famous as a womanizer that his name remains synonymous with the art of seduction. He associated with European royalty, popes and cardinals, along with luminaries such as Voltaire, Goethe and Mozart. He spent his last years in Bohemia as a librarian in Count Waldstein's household, where he also wrote the story of his life. As noted in the introduction by Arthur Symons, these memoirs, " ... are the history of a unique life, a unique personality, one of the greatest of autobiographies; as a record of adventures, they are more entertaining than Gil Blas, or Monte Cristo, or any of the imaginary travels, and escapes, and masquerades in life, which have been written in imitation of them." *Dating* Jennifer Hunt 2016-01-15 You Are About to Discover How To Manipulate His Senses and Get That Guy You Are Dating to Genuinely Love You. Forget about feeding his ego and the art of seduction which are only superficial and will yield bad long-term results. What you want is genuine affection from this perfect man you are currently dating. If you're both clearly attracted to each other but clearly not enough to make him ask you to be his girl, then here are some ways you can indirectly convince him that you are perfect for him as he is for you. Sometimes a girl has to put on a little blush, wear her best high heels and show her true best self in order to convince a guy that you are truly a catch. And to make sure he will always have you in his mind wherever he goes, the best thing to do is be the source of his satisfaction. This can happen by feeding man's most basic and primal needs. This women's dating book is for women who are currently dating a guy they have fallen in love with and want to make sure that the guy will reciprocate with the same love and affection. This women's guide to dating contains tips backed by scientific research that further validate the strategies recommended in this dating guide. **** Dating: 5 Easy Steps On Exactly How To Make A Man Fall In Love With You!!!
